

ASME IMECE INDIA 2025

PRESENTS

HARDWARE STARTUP CONCLAVE
INNOVATION SQUARE

11 – 12 September 2025 | Hyderabad, Telangana

YOUR CHANCE TO BE AMONG FELLOW INNOVATORS!

This exciting 2-day event is designed for hardware innovators, academic incubators, and early-stage startups building engineering solutions for real-world challenges and engineering innovations for unmet social needs.

PARTICIPATE IF YOU BELONG TO THE COMMUNITY OF:

01

Ideators & Product Innovators

02

Innovation and Incubation Centres

03

Early and mid-stage Hardware Startups (TRL6)

04

Hardware led Social Impact Ventures

05

Educational Institutions' Incubation/Innovation Centres

06

Research-driven Product Developers

PROGRAM HIGHLIGHTS

Startup Showcase:

Exhibit your product or prototype in the IMECE Expo Area and network with delegates, investors, and global experts

Workshops and Sessions:

Interactive sessions with leading mentors on:

- 🕒 Design Engineering
- 🕒 Go-to-Market (GTM) Strategy
- 🕒 Digital Marketing, Financial Planning and more!

Elevator Pitch Competition:

Pitch live to a panel of Angel Investors, VCs, and PE Firms.

WHY PARTICIPATE?

VISIBILITY: Showcase your products to an international audience of industry leaders, delegates and decision-makers.

INVESTOR ACCESS: Direct pitching and networking with Angel and PE Investors.

KNOWLEDGE BOOST: Get expert insights on scaling your startup, building prototypes, and securing funding.

MARKET ENTRY: Build GTM strategies and discover marketing hacks for better reach.

RECOGNITION: Opportunity to win funding and get featured in the IMECE Valedictory Session.

THIS IS YOUR LAUNCHPAD. BUILD, PITCH, AND POWER UP AT ASME IMECE INDIA 2025.

Meet the Advisory Committee

Executive Director -
CIIC & AIC - CIIC

Dr. Saishyam Narayanan,
CEO, IIT Palakkad
Technology IHub
Foundation (IPTIF)

Mr. Rajesh Kumar Adla, CEO AIC T-Hub

Mr. Sai Pattabiram,
Managing Director,
Zuppa Geo Nav Tech,
Charter Member TiE Chennai

Mr. Satish Gokhale,
Co-founder, Design
Directions Pvt. Ltd.

About ASME

ASME (The American Society of Mechanical Engineers) is a 140+ years old, not-for-profit, members society of and for engineers. It fosters collaborative communities aimed at achieving excellence in technical knowledge, development of safety standards, research and innovation, sustainability, and professional learning & credentialing. ASME's mission is to address real-world challenges for the betterment of humanity through advancement in the engineering profession and practices.

About IMECE India 2025

ASME's International Mechanical Engineering Congress & Exposition (IMECE) is the only event where research leaders from academia, government, and industry converge to make connections and share insights for innovation across engineering disciplines. Each year, roughly 2,400 papers, presentations, and posters are presented at IMECE.

HOW TO PARTICIPATE?

Hardware Startup Conclave Dates:

11th – 12th September 2025

Elevator Pitch Competition:

11th September 2025
