About esenda

esenda is the smarter way for schools to manage fee payments. esenda replaces outdated manual processes with an automated system that ensures payments are processed quickly and safely. Parents benefit from a smooth, user-friendly payment experience with multiple payment options, while schools gain reduced administrative workload and enhanced fraud protection.

Watch the esenda video.

Why esenda?

- **Secure** – Eliminates manual bank transfers, reducing fraud risks.
- **Convenient** – Pay easily via card, bank transfer, or direct debit.
- **User-Friendly** – A simple, intuitive payment journey for parents.
- **Trusted** – Supporting over 150 leading UK private schools, processing billions annually.

Your payment portal link

You may also wish to link them to your school's secure payment portal. You'll have been provided this during your onboarding. It will look something like

<https://epay.esenda.com/your-school>
