REGISTRATION — 2 STEPS ARE REQUIRED!

1 COMPLETE THE DYCD APPLICATION

All students attending a DYCD-funded program must have a DYCD application on file. This is a DYCD requirement, and UAU cannot enroll a child without it.

Visit [DiscoverDYCD](#) and create an account or sign in if you already have one. Search IS 72's Code: **CSO-93145**, add the program to your list, and submit the application.

Prefer a paper application? Please contact your Program Director.

2 COMPLETE THE UAU REGISTRATION FORM

[UAU Registration Form](#) - Complete every required field and upload your child's current medical form.

Medical Form Reminder: The medical form must be dated within the last 12 months. An expired or missing medical form will leave the application incomplete. Have the form ready before you begin.

IMPORTANT: SUBMITTING AN APPLICATION DOES NOT ENROLL YOUR CHILD

Submitting an application does not hold a seat. Each site has a fixed number of seats set by DYCD. Seats are filled on a first-come, first-served basis, in the order that completed applications are received.

Limited seats are available! We encourage families to complete BOTH registration steps as soon as possible.

Questions? Please contact the **UAU SONYC IS 72 Program Director, Tom Egan** for additional information or assistance with the registration process. Email: TEgan@unitedactivities.org. Phone: (917) 748-9056
