
My Visit to the Timken Museum of Art

— Let's Prepare! —

I am going to the Timken Museum of Art. I will enter through the big bronze doors.

When I get to the museum, I will wait patiently as my caregiver checks us in with the Visitor Experience staff. Since the museum is free, we won't have to buy a ticket.

There are lots of colorful pieces of art for me to look at in the museum.

I will see the security guards who help keep the museum safe.

Museum Rules I need to follow:

- I will stay with the adult who came with me.**
- I will walk in the museum. I will not run.**
- I will not get too close to the art on the wall and I will not touch the art.**
- I will not bring in any food or drinks into the museum.**

The museum has many different areas and galleries to see. There may be other adults and kids at the museum too!

If I am feeling overwhelmed, I can ask the staff at the Front Desk for a sensory kit to use during my visit.

At the end of my visit, I will leave with the adult I came with.

I can't wait to come back again!
