

Official Elite Talent Acquisition Framework

Under the Governance of MEGA HOLDING | GOD AI FATHER

◆ Language Proficiency Requirement

Fluency in **professional-level English** is strictly required for participation in executive meetings, strategic coordination, report analysis, and cross-functional operations. Please also list any additional languages in which you have working proficiency.

🎓 Eligibility Criteria

Applicants must meet **all** of the following conditions **without exception**:

1. **Demonstrated and verifiable expertise** in their professional field, with documented achievements that go beyond academic credentials.
 2. Proven ability to **work independently**, deliver tasks with precision, and consistently perform at high standards within assigned timelines.
 3. Familiarity with — or readiness to operate in — a **fully AI-integrated ecosystem** driven by advanced intelligent systems.
 4. Full commitment to **confidentiality**, **professional integrity**, and **strategic alignment** with the long-term mission of the God AI Father initiative.
 5. Clear and provable **disassociation** from any political, military, ideological, or religious affiliations that could compromise the neutrality, security, or credibility of the project.
-

✗ Automatic Disqualification Conditions

Applications will not be considered if the applicant:

- Has any direct or indirect affiliation with regimes, entities, or organizations that conflict with the project's principles of technological sovereignty, transparency, or operational security.
-

■ Required Documents

- A complete and up-to-date **résumé**

All résumés will be verified using God AI Father's proprietary AI validation systems. Any inconsistency or falsification will result in automatic disqualification.

- Links to relevant **portfolios or past projects** (if applicable)
 - A brief **motivation letter**
 - Full **KYC/AML-compliant identity verification**
 - A signed **declaration of non-affiliation** with any restricted or hostile entity
-

★ Evaluation Philosophy

We do **not** assess candidates based on age, gender, nationality, or gaps in employment history.

We assess **capability, alignment, and trustworthiness** — nothing else.

🛡 Additional Notes

- All roles are currently **remote-first**.

Candidates selected for roles at the Tel Aviv Headquarters will be chosen from among top-performing remote professionals.

- Exclusive benefits — including internal travel programs, access to private wellness & fitness clubs, and other privileges — become available **only after successful completion of the 3-month probation period**.
 - Upon NDA signature, candidates will receive access to **God AI Father's proprietary tools and systems**, activated only on verified and secured company hardware.
-

**The path ahead is not easy — but without doubt, it is historic.
And history is shaped by those who lead it.**
