

🛡️ Aren Shield Command

A Strategic Division of MEGA HOLDING | GOD AI FATHER
Command Center for Algorithmic Security, AI Sovereignty, and Protective Intelligence Systems

Recruitment for this unit is **not open to the public**.

All team members are **specifically selected** from high-level intelligence, research, and technological infrastructures operating within trusted allied frameworks.

Selection is based on **multi-layered security clearance, history of strategic cooperation, and proven capabilities in developing next-generation protective systems**.

This command center is designed to build infrastructures that defend not only **physical borders** but also **algorithmic, cyber, and geopolitical sovereignty** — securing the foundations of the AI-driven future.
