

EXECUTIVE SUMMARY

PARTNERING WITH PERFECT POLISH FOR PROJECT SUCCESS

Perfect Polish understands the pressures General Contractors face: tight schedules, demanding quality standards, and the need for reliable, safe subcontractors. Since 1998, we've specialized in delivering reliable concrete flooring, becoming a trusted nationwide partner known for delivering solutions, not problems.

WHY GENERAL CONTRACTORS CHOOSE PERFECT POLISH:

SCHEDULE ASSURANCE

We meet deadlines. Our experience on over 250 million square feet means efficient planning and execution to keep your project on track.

SAFETY FIRST CULTURE

Protect your site and your record. Our commitment to safety is reflected in our excellent EMR of .91 (Documentation available).

FINANCIAL STABILITY & TRUST

We bring peace of mind with significant bonding capacity (\$5 Million Single / \$8 Million Aggregate) and a proven track record since 1998. (Bonding/Financial letters available).

UNCOMPROMISING QUALITY

From substrate repair to final polish, our meticulous process ensures a durable, aesthetically pleasing finish that meets specifications and delights your clients, minimizing callbacks.

NATIONWIDE MOBILIZATION

Consistent quality and reliable crews, wherever your project takes you across the US.

PROBLEM SOLVERS

We anticipate challenges and proactively address slab issues, ensuring a smooth process.
