MENZNER HARDWOODS, CO. ANNOUNCES ACQUISITION OF HARRIS HARDWOODS, INC.

FORESTON, MN – September 3, 2025 - Menzner Hardwoods, Co., a leading American manufacturer of hardwood mouldings, millwork, and lumber, announced today that it has acquired Harris Hardwoods, Inc., a manufacturer of hardwood cabinetry components, panels, and mouldings.

This strategic acquisition entrenches Menzner Hardwoods as a premier manufacturer in the hardwood industry and enables expansion into the cabinetry component market, while further extending its leadership in the hardwood moulding and millwork category.

“Harris Hardwoods is a strong, family-owned business with a proven commitment to quality and integrity. Adding their product suite of cabinetry components to our portfolio will further drive our growth strategy, expand our customer base, and enable us to improve efficiencies across all of our facilities,” said Menzner Hardwoods, Co. President Phil Menzner. “We are excited to welcome the Harris team to the Menzner family, and look forward to the new customer and supplier partnerships to come.”

Menzner Hardwoods, Co. is a fifth-generation family business headquartered in Marathon, WI, and will maintain all ongoing operations in Foreston, MN.
