THE SOCIAL DOUGH COMPANY

Just a quick message from us ...

We thought we'd just mention that one of the best parts of running a restaurant is hearing of your experiences! We love chatting away with you down here & we'd love others to hear about it too! If you could drop us a review on Google we would really appreciate it!

Welcome to The Social Dough Company. We're a neighbourhood pizzeria, focused on letting you guys Be Social. Eat Pizza. We started in the Covid-19 pandemic, delivering pizzas out of our converted 1980s horse box with the intention of giving something social in the most unsocial of times. Now we aim to give you guys a place to hang out, eat pizza, laugh, have fun and just be yourself.
