THE SOCIAL DOUGH COMPANY

Just a quick message from us ...

We thought we'd just mention that one of the best parts of running a restaurant is hearing of your experiences! We love chatting away with you down here & we'd love others to hear about it too! If you could drop us a review on Google we would really appreciate it!

Social Love - Claud, Kara & The SDC Pizza Team

Welcome to The Social Dough Company. Your neighbourhood pizzeria. This whole journey began in the Covid-19 pandemic. After learning how to make a pizza we then converted a 1980's horse trailer into a pizza truck. We delivered around the neighbourhood with the intention of giving something social in the most unsocial of times. Now we just we aim to give you guys a place to hang out, eat pizza, laugh, have fun and just be yourself. We hope you enjoy your visit! Claud, Kara, and the SDC Pizza Team!
