Dear Sir/Madam,

Re: Proposed initial public offering of equity shares (the "Equity Shares") of Clean Max Enviro Energy Solutions Limited (formerly, Clean Max Enviro Energy Solutions Private Limited) (the "Company" and such offering, the "Offer")

In relation to the Company and its affiliates, we, **V. Singhi & Associates**, are an independent firm of chartered accountants. We have received a request from the Company to provide certain confirmations in relation to creditors of the Company.

We have reviewed the restated consolidated financial statements of the Company for the six month periods ended September 30, 2025 & September 30, 2024, and financial years ended March 31, 2025, March 31, 2024 & March 31, 2023 and the examination report thereon, prepared in accordance with the Indian Accounting Standard ("**Ind AS**"), the Guidance Note on Reports in Company's Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India and the Companies Act, 2013, as amended, and restated by the statutory auditors of the Company, in accordance with the requirements of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the "**SEBI ICDR Regulations**") (the "**Restated Consolidated Financial Statements**").

In this regard, we have obtained and reviewed the schedule of creditors along with outstanding balances due to creditors of the Company (on a consolidated basis), prepared by management of the Company, as on September 30, 2025 bifurcated into two categories (i) outstanding dues to micro and small enterprises (as defined in the MSME Development Act, 2006), and (ii) outstanding dues of creditors other than micro and small enterprises (as defined in the MSME Development Act, 2006) ("**Other Creditors**"), and compared the amount outstanding as per the schedule obtained in (i) above with the Restated Consolidated Financial Statements as at September 30, 2025 of the Company, to

confirm the accuracy and completeness of such amounts to the extent applicable. The classification of parties under MSME has been determined based on the MSME certificates for FY 2025-26, made available to us by the management.

We have also reviewed minutes of the meetings of the board of directors of the Company and its subsidiaries, minutes of annual general meetings and extra-ordinary general meetings of the Company and its subsidiaries, minutes of the meetings of various committees of the board of directors of the Company and its subsidiaries inquired with Mr. Nikunj Gopal Ghodawat, Chief Financial Officer of the Company to confirm whether any of the creditors were not included in the trade payables as of September 30, 2025, and bank statements of the Company and its subsidiaries and other documents that we have deemed necessary in this regard. Further, the board of directors of the Company have, pursuant to the resolution dated November 10, 2025, approved that a creditor of the Company (on a consolidated basis), shall be considered to be material ("Material Creditor"), for disclosures in the red herring prospectus and prospectus (the "Issue Documents") prepared in relation to the Issue, if amounts due to such creditor by the Company exceeds 5% of the total consolidated trade payables of the Company, on a consolidated basis, as of the end of the latest period included in the Restated Consolidated Financial Information ("Materiality Policy").
