

**Clean Max Tahoe
Private Limited**

INDEPENDENT AUDITOR'S REPORT

To the members of CLEAN MAX TAHOE PRIVATE LIMITED,

Report on the Ind AS financial statements

Opinion

We have audited the accompanying Ind AS financial statements of **Clean Max Tahoe Private Limited** ("the Company"), which comprise the Balance Sheet as at 31 March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in equity and the Statement of cash flows for the year ended 31st March, 2026. and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Ind AS financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including annexures to Board's Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Management's responsibility for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we have given in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph (b) above on reporting under Section 143(3)(b) of the Act and paragraph (i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the Internal Financial Controls over financial reporting of the company and the operating effectiveness of such control, refer to my separate report in "**Annexure B**"; and

(h) In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year and hence reporting on compliance under provisions of section 197(16) of the Act, does not apply.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company does not have any pending litigations which would impact its financial position;
- (ii) The Company did not have any foreseeable losses on long term contracts and had no derivative contracts outstanding as at 31 March 2026; and
- (iii) The Company did not have any dues on account of Investor Education and Protection Fund.
- (iv)
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contain any material misstatement.

- (v) Reporting under clause (f) of Rule 11 of Companies (Audit and Auditors) Rules, 2014 is not applicable since the Company has not declared or paid dividend during the year.
- (vi) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure 'A' to Independent Auditor's Report

Referred under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Clean Max Tahoe Private Limited on Ind AS financial statements for the year ended March 31, 2026.

(i)

- a) A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of Capital work-in-progress.

B) The Company does not have Intangible assets and hence reporting under clause 3(i)(a)(B) is not applicable.
- b) The Company has a regular programme of physical verification of its Property, Plant and Equipment and Capital work-in-progress by which all fixed assets are verified once during the year. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us by the management, and on the basis of our examination of the records of the company, the company does not have any immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) and hence reporting under clause 3(i)(c) is not applicable.
- d) The Company has not revalued any of its Property, Plant and Equipment (including Right-of-use asset) during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii)

- a) According to the information and explanations given to us and on the basis of our examination of the books of account, the company does not hold any inventory, and hence, reporting under clause 3(a) (ii) of the Order is not applicable to the Company.
- b) The Company has no been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

- (iii) The Company has not made investments in firms, Limited Liability Partnerships and has not granted secured or unsecured loans to any companies, firms, Limited liability partnership or any other party during the year covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act') and hence reporting under clause 3(iii) (a), (b), (c), (d), (e), (f) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given any loans, or made investments or provided guarantees and securities as applicable. Accordingly, reporting under clause 3(iv) of the Order is not applicable to the Company.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public. Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) In our opinion and according to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of activities carried on by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.
- (vii) In respect of statutory dues:
 - a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is regular in depositing undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, cess and any other statutory dues with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
 - b. There were no statutory dues referred in sub-clause (a) above which have not been deposited as at balance sheet date on account of any dispute.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix)

- a) According to information and explanation given to us and based on our review, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) According to information and explanation given to us and based on our review, the term loans were applied for the purpose for which the loans were obtained.
- d) On an overall examination of the Ind AS financial statements of the Company, funds raised on short-term basis have, prima-facie, not been used during the year for long-term purposes by the Company.
- e) On an overall examination of the Ind AS financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associates and hence reporting on clause 3(ix)(f) of the Order is not applicable.

(x)

- a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi)

- a) According to the information and explanations given to us, no material frauds on or by the Company have been noticed or reported during the course of our audit.

- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) According to the information and explanations given to us, the Company has not received any whistle blower complaints during the year (and upto the date of this report), and accordingly reporting under clause 3(xi)(c) is not applicable.
- (xii) The company is not Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion, the Company is in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the Ind AS financial statements as required by the applicable Ind AS.
- (xiv) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.
- (xv) The company has not entered into any non-cash transactions with directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)
- a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- b) In our opinion, the group does not have any CIC as part of the group and accordingly, reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has incurred cash losses of Rs 0.19 million during the financial year covered by our audit.
- (xviii) There has been no resignation of the statutory auditors during the year.

- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Ind AS financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us and on the basis of our examination of the records of the Company, provisions of section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) is not applicable to the Company.

Annexure 'B' to Independent Auditor's Report

Referred under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Clean Max Tahoe Private Limited on Ind AS financial statements for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to Ind AS financial statements under clause (i) of sub-section 3 of section 143 of the Act

We have audited the internal financial controls over financial reporting of **Clean Max Tahoe Private Limited ("the Company")** as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Statement of Profit and Loss for the period 23rd April, 2025 to 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Particulars	For the period 23rd April, 2025 to 31st March, 2026
A. Cash flows from operating activities	
Loss before tax	(0.19)
Adjustments for:	
Finance cost	0.05
Operating loss before working capital changes	(0.14)
Changes in working capital	
Adjustments for decrease / (increase) in operating assets:	
Other assets	(0.04)
Adjustments for increase / (decrease) in operating liabilities:	
Trade payables	0.05
Other current liabilities	0.01
Cash used in operations	(0.12)
Income taxes paid	-
Net cash used in operating activities (A)	(0.12)
B. Cash flows from investing activities	
Capital expenditure on property, plant and equipment	(0.60)
Net cash used in investing activities (B)	(0.60)
C. Cash flows from financing activities	
Proceeds from long term borrowings - related party	0.63
Proceeds from issue of equity shares	0.10
Interest paid	(0.01)
Net cash generated from financing activities (C)	0.72
Net increase in cash and cash equivalents (A+B+C)*	0.00
Cash and cash equivalents at the beginning of period	-
Cash and cash equivalents at the end of period (refer note 4)*	0.00

*The figures are less than the denomination disclosed, the figures do not appear.

Note:

The above cash flow has been prepared under the "Indirect Method" as set out in Indian Accounting Standard (Ind AS) 7 - Statement of Cash Flows

The accompanying notes form an integral part of these financial statements. (Refer Note 1 to 29)

Note 1.1

GENERAL INFORMATION

Clean Max Tahoe Private Limited (herein after referred to as "the Company") incorporated on 23rd April, 2025 and is engaged in the business of generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13A, Plot 400, Peregrine Apt, SVS Marg, Prabhadevi, Mumbai 400025, Maharashtra, India.

The Financial Statements for the year ended 31st March, 2026 were approved by the Board of Directors an authorised for issue on 02nd May 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(i) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(j) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(k) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification .

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(l) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented.

Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(m) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (d) above.

Note 1.4

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a)MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

Equity Share capital

Authorised:

1,50,000 equity shares of Rs. 10/- each

Issued, subscribed and fully paid-up shares:

Equity shares of Rs. 10/- each

10,000 equity shares of Rs. 10/- each

Footnotes:

6 (a) Details of rights, preferences and restrictions attached to the equity shareholders:

The Company has only one class of equity shares having at par value of Rs. 10/- per share. Members of the Company holding equity share capital therein have a right to vote, on every resolution placed before the Company and right to receive dividend. The voting rights on a poll is in proportion to the share of the paid-up equity capital of the Company held by the shareholders. The Company declares dividends in Indian rupees. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company in proportion to their shareholding.

Note 16: Financial Instruments**16.1 Capital management**

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The capital structure of the Company consist of equity share capital and other equity. The company also has unsecured borrowings from its parent company.

The management reviews the capital structure on a quarterly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the period is as follows

Particulars	As at 31st March, 2026
	(Rs. In Millions)
Debt (i)	0.08
Less: Cash and cash equivalents	0.00
Net Debt (A)	0.08
Total capital (ii)	(0.09)
Capital and Net debt (B)	(0.01)
Net Debt to Total Capital plus net debt ratio% (A/B)	-800%

(i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2026.

16.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

16.3 Fair value hierarchy**a) The fair value measurement hierarchy of the Company's assets and liabilities are as follows:**

Particulars	Level	As at 31st March, 2026	Valuation technique(s) and key input(s)	Significant unobservable inputs	Sensitivity of inputs to fair value measurement
Financial assets		-			

For description of level 1, level 2 and level 3, refer material accounting policies.

b) Movement of items measured using unobservable inputs (Level 3):

Particulars	Liability towards investment in subsidiaries by Alternate Investment Fund (Financial liability)
Balance as at 23rd April, 2025	
Movement during the period	-
Balance as at 31st March, 2026	-

c) Sensitivity analysis of items measured using unobservable inputs (Level 3):

A one percentage point change in the unobservable inputs used in fair valuation of Level 3 assets and liabilities does not have a significant impact in its value.

d) Transfer between Level 1, Level 2 and Level 3

There are no transfers between level 1, level 2 and level 3.

16.4 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

16.4.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Bank balances are held with reputed and creditworthy banking institutions.

16.4.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

16.4.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

16.4.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held. There is no price risk applicable to the Company as it does not hold any investments in other companies.

16.4.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	0.04	0.63	0.67
Trade payables	0.05	-	0.05
Other financial liabilities*	0.00		0.00
	0.09	0.63	0.72

* The figures are less than the denomination disclosed, the figures do not appear.

16.4.6 Interest rate risk

There is no interest rate risk applicable to the Company as its borrowings are at fixed rate.

INDEPENDENT AUDITOR'S REPORT

To The Members of Clean Max Taiyo Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Clean Max Taiyo Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's report including the Annexures thereto, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

A 605, 6th Floor, Avion Aradhya One Earth A Meter Room, Pant Nagar, Ghatkopar East,
Mumbai – 400075

Mobile: 9833388059 Email: dipeshruparelia@hsdr.in

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A 605, 6th Floor, Avion Aradhya One Earth A Meter Room, Pant Nagar, Ghatkopar East,
Mumbai – 400075

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (i) As required by Section 143(3) of the Act, based on our audit, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) The provisions of Section 197 read with Schedule V of the Act are not applicable to the Company for the period ended March 31, 2026.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief as disclosed in note 35 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented that, to the best of its knowledge and belief as disclosed in note 35 to the Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. No dividend has been declared or paid during the year by the Company.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Taiyo Private Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i)

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company has maintained proper records showing full particulars of intangibles assets.
- (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii)

- (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause (ii)(a) of the Order is not applicable to the Company.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause (ii)(b) of the Order is not applicable to the Company.

(iii)

- (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(a) of the Order is not applicable to the Company.

- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(b) of the Order is not applicable to the Company.
 - (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(c) of the Order is not applicable to the Company
 - (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(d) of the Order is not applicable to the Company.
 - (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(e) of the Order is not applicable to the Company.
 - (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(f) of the Order is not applicable to the Company.
- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause (iv) of the Order is not applicable to the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause (v) of the Order is not applicable to the Company.
- (vi) The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the services of the Company. Accordingly, reporting under clause (vi) of the Order is not applicable to the Company.

(vii)

(a) Undisputed statutory dues including goods and services tax, income-tax, and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of disputes.

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix)

(a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) Term loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

(x)

(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause (x)(a) of the Order is not applicable to the Company.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (b) The Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) No fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor or secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause (xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) The provisions of internal audit in view of Section 138 of Companies Act, 2013 are not applicable in case of the company. Therefore, the requirement to report under clause (xiv) of the Order is not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause (xv) of the Order is not applicable to the Company.
- (xvi)
- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The company is not a core investment company as defined by regulations made by Reserve Bank of India and hence reporting under clause (xvi)(c) is not applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Taiyo Private Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of **Clean Max Taiyo Private Limited** (the "Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and

A 605, 6th Floor, Avion Aradhya One Earth A Meter Room, Pant Nagar, Ghatkopar East,

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CHARTERED ACCOUNTANTS

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
A. Cash flows from operating activities		
Loss before tax	(6.26)	(22.24)
Adjustments for:		
Depreciation & amortization expenses	18.5	18.94
Amortization of common infrastructure facilities charges	-	1.49
Net gain on investments measured at FVTPL	(0.28)	(0.91)
Early Payment Discount	-	0.59
Interest income on fixed deposit with bank	(0.42)	(1.01)
Interest on income tax refund	0.01	(0.02)
Finance cost	41.77	54.82
Operating profit before working capital changes	53.32	51.66
Changes in working capital		
Adjustments for (increase) in operating assets:		
Trade receivables	(0.25)	(0.60)
Other Financial Assets	21.62	
Other current assets	(30.39)	(23.10)
Adjustments for increase in operating liabilities:		
Trade payables	9.44	5.75
Other Financial Liabilities	0.24	
Other liabilities	(0.65)	0.42
Cash generated from / (used in) operations	53.33	34.13
Income taxes refund / (paid)	0.01	0.27
Net cash generated from / (used in) operating activities (A)	53.34	34.40
B. Cash flows from investing activities		
Purchase of Capital expenditure on property, plant and equipment	29.38	6.74
Investment in Mutual Fund	20.98	(19.79)
Fixed deposits placed	(72.61)	(6.61)
Fixed deposits matured	66.83	24.12
Movement in restricted bank balances (net)	(28.44)	5.34
Interest received	0.57	1.84
Common Infrastructure charges paid	1.48	-
Net cash generated from / (used in) investing activities (B)	18.19	11.64
C. Cash flows from financing activities		
Proceeds from long term borrowings	10.00	359.00
Repayment from long term borrowings(both RPT & External)	(37.99)	(302.31)
(Repayment)/ Proceeds from short term borrowings (net)	-	(64.71)
Finance Cost Paid	(43.03)	(35.40)
Processing Fees paid	(0.23)	(2.23)
Net cash (used in) / generated from financing activities (C)	(71.25)	(45.65)
Net increase in cash and cash equivalents (A+B+C)	0.28	0.39
Cash and cash equivalents at the beginning of year	0.62	0.23
Cash and cash equivalents at the end of year	0.90	0.62

Note :

The above Cash Flow has been prepared under the "Indirect Method" as set out in Indian Accounting Standard (Ind As) 7- Statement Of Cash Flows.

The accompanying notes are an integral part of these financial statements. (Refer Note 1 to 37)

Clean Max Taiyo Private Limited

CIN: U40107MH2022PTC389268

Notes to the financial statements for the period ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Note 1.1

GENERAL INFORMATION

Clean Max Taiyo Private Limited (herein after referred to as "the Company") incorporated on 25th August, 2022, is engaged in generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Kismat Cinema, Prabhadevi, Mumbai 400025, Maharashtra, India.

The Financial Statements for the period ended 31st March, 2026 were approved by the Board of Directors an authorised for issue on 6th May 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(i) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(j) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(k) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification .

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(l) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented. Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(m) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (d) above.

Note 1.4

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a) MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows. The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Clean Max Taiyo Private Limited

CIN: U40107MH2022PTC389268

Notes to the financial statements for the period ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

As at 31st March, 2025	502.03	16.25	-	12.49	18.89	-	31.38

Footnotes:

- (i) The Company is not holding any benami property under the Prohibition of Benami Property Transactions Act, 1988.
(ii) The title deeds/lease deeds of Immovable properties are held in the name of the Company.
(iii) For details of pledged assets refer note 14.
(iv) Previous year's figures are in italics.
(v) Change in useful life estimate:

During the year ended 31st March, 2026, the Group conducted an operational efficiency review of its Power Plant. Based on the review, with effect from 1st January, 2026 the expected useful life of Power Plant has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.

The effect of these changes on actual and expected depreciation expense is as follows: □

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
(Decrease)/ Increase in depreciation expense*	(0.50)	(1.97)	(1.97)	(1.97)	(1.97)	(1.97)

* Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

Clean Max Taiyo Private Limited

CIN: U40107MH2022PTC389268

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Note 24 : Financial Instruments**24.1 Capital management**

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The Company also has obtained borrowings which are secured against the assets owned by the Company and unsecured borrowings from Parent Company.

As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows

Particulars	As at 31st March, 2026	As at 31st March, 2025
Debt (i)	454.15	483.62
Less: Cash and cash equivalents	0.90	0.62
Net Debt (A)	453.25	483.00
Total capital (ii)	124.12	129.31
Capital and Net debt (B)	577.37	612.31
Net Debt to Total Capital plus net debt ratio% (A/B)	79%	79%

(i) Debt is defined as Non current borrowings and current borrowings.

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowings in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2026.

24.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

24.3 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

24.3.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Bank balances are held with reputed and creditworthy banking institutions.

24.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

24.3.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

Clean Max Taiyo Private Limited

CIN: U40107MH2022PTC389268

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

24.3.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

24.3.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	21.94	409.95	431.89
Trade payables	17.79	-	17.79
Other financial liabilities	1.58	-	1.58
	41.31	409.95	451.26

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2025			
Borrowings	25.09	458.53	483.62
Trade payables	8.34	-	8.34
Other financial liabilities	1.65	-	1.65
	35.08	458.53	493.61

24.3.6 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant ,the Company's loss for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Total exposure of the company to variable rate of borrowing	355.07	356.85
Impact on loss before tax for the year	1.78	1.78

The year end balances are not necessarily representative of the average debt outstanding during the year.

Clean Max Taiyo Private Limited

Note 27 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Current Assets	74.91	37.51	
Current Liabilities	41.59	36.01	
Ratio	1.80	1.04	73%

The ratio is increased due to in increase in current assets and increased in current liabilities.

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Total Debt	454.15	483.62	
Total Equity	124.12	129.31	
Ratio	3.66	3.74	-2%

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
EBITDA	54.01	51.52	
Total interest and principal repayments	-81.02	337.71	
Ratio	-0.67	0.15	-547%

The ratio is decreased due to increase in EBITDA.

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Average Equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax attributable to owners of the Company	(5.19)	(18.53)	
Equity attributable to owners of the Company	126.72	129.31	
Ratio	(0.04)	(0.14)	-71%

The ratio is increased due to decrease in losses.

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory

The ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average trade receivables

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Sales	65.46	61.77	
Average Trade Receivables	0.14	0.01	
Ratio	467.57	6,177.00	-92%

The ratio is changed due to increase sales and trade receivable outstanding as at end of year.

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Purchases	10.45	10.10	
Trade Payables	13.07	5.47	
Ratio	0.80	1.85	-57%

The ratio has been decreased due to relative change in purchase and trade payable.

h) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Sales	65.46	61.77	
Current Assets (A)	74.91	37.51	
Current Liabilities (B)	41.59	36.01	
Net Working Capital (A-B)	33.32	1.50	
Average Working Capital	17.41	(2.39)	
Ratio	3.76	(25.85)	-115%

The ratio has increased due to increase in sales.

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax	(5.19)	(18.53)	
Net Sales	65.46	61.77	
Ratio	(0.08)	(0.30)	-73%

The ratio has increased due to decrease in losses during the year.

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax(A)	(5.19)	(18.53)	
Finance Costs (B)	41.77	54.82	
Total Tax Expense (C)	(1.07)	(3.71)	
EBIT (D) = (A)+(B)+(C)	35.51	32.58	
Total equity (E)	124.12	129.31	
Total debt (F)	454.15	483.62	
Capital Employed (I)=(E)+(F)	578.27	612.93	
Ratio (D)/(I)	0.06	0.05	20%

The ratio has been increased due to increase in EBIT.

k) Return on Investment = Income from investment divided by the closing balance of the investment

The above ratio is not applicable as the Company has no other investments other than current operations

Note 28 - Trade Receivable Ageing

Trade Receivable Ageing Schedule*

**Clean Max Taurus
Private Limited**

INDEPENDENT AUDITOR'S REPORT

To the members of CLEAN MAX TAURUS PRIVATE LIMITED,

Report on the Ind AS financial statements

Opinion

We have audited the accompanying Ind AS financial statements of **Clean Max Taurus Private Limited** ("the Company"), which comprise the Balance Sheet as at 31 March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in equity and the Statement of cash flows for the year ended 31st March, 2026, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Ind AS financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including annexures to Board's Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Management's responsibility for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we have given in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph (b) above on reporting under Section 143(3)(b) of the Act and paragraph (i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the Internal Financial Controls over financial reporting of the company and the operating effectiveness of such control, refer to my separate report in "Annexure B"; and

(h) In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year and hence reporting on compliance under provisions of section 197(16) of the Act, does not apply.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company does not have any pending litigations which would impact its financial position;
- (ii) The Company did not have any foreseeable losses on long term contracts and had no derivative contracts outstanding as at 31 March 2026; and
- (iii) The Company did not have any dues on account of Investor Education and Protection Fund.
- (iv)
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contain any material misstatement.

- (v) Reporting under clause (f) of Rule 11 of Companies (Audit and Auditors) Rules, 2014 is not applicable since the Company has not declared or paid dividend during the year.
- (vi) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure 'A' to Independent Auditor's Report

Referred under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Clean Max Taurus Private Limited on Ind AS financial statements for the year ended March 31, 2026.

- (i)
- a) A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of Capital work-in-progress.
 - B) The Company does not have Intangible assets and hence reporting under clause 3(i)(a)(B) is not applicable.
 - b) The Company has a regular programme of physical verification of its Property, Plant and Equipment and Capital work-in-progress by which all fixed assets are verified once during the year. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to me by the management, and on the basis of my examination of the records of the company, the company does not have any immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) and hence reporting under clause 3(i)(c) is not applicable.
 - d) The Company has not revalued any of its Property, Plant and Equipment (including Right-of-use asset) during the year.
 - e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii)
- a) According to the information and explanations given to us and on the basis of our examination of the books of account, the company does not hold any inventory, and hence, reporting under clause 3(a) (ii) of the Order is not applicable to the Company.
 - b) The Company has no been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

- (iii) The Company has not made investments in firms, Limited Liability Partnerships and has not granted secured or unsecured loans to any companies, firms, Limited liability partnership or any other party during the year covered in the register maintained under section 189 of the Companies Act, 2013 ("the Act") and hence reporting under clause 3(iii) (a), (b), (c), (d), (e), (f) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given any loans, or made investments or provided guarantees and securities as applicable. Accordingly, reporting under clause 3(iv) of the Order is not applicable to the Company.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public. Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) In our opinion and according to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of activities carried on by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.
- (vii) In respect of statutory dues:
- a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is regular in depositing undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, cess and any other statutory dues with the appropriate authorities.
- There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
- b. There were no statutory dues referred in sub-clause (a) above which have not been deposited as at balance sheet date on account of any dispute.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- (ix)
- a) According to information and explanation given to us and based on our review, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - c) According to information and explanation given to us and based on our review, the term loans were applied for the purpose for which the loans were obtained.
 - d) On an overall examination of the Ind AS financial statements of the Company, funds raised on short-term basis have, prima-facie, not been used during the year for long-term purposes by the Company.
 - e) On an overall examination of the Ind AS financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
 - f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associates and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x)
- a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
 - b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi)
- a) According to the information and explanations given to us, no material frauds on or by the Company have been noticed or reported during the course of our audit.

- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) According to the information and explanations given to us, the Company has not received any whistle blower complaints during the year (and upto the date of this report), and accordingly reporting under clause 3(xi)(c) is not applicable.
- (xii) The company is not Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion, the Company is in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the Ind AS financial statements as required by the applicable Ind AS.
- (xiv) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.
- (xv) The company has not entered into any non-cash transactions with directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)
- a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- b) In our opinion, the group does not have any CIC as part of the group and accordingly, reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has incurred cash losses of Rs 1.28 million during the financial year covered by our audit. The Company has incurred cash losses of Rs. 0.07 million in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year.

- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Ind AS financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us and on the basis of our examination of the records of the Company, provisions of section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) is not applicable to the Company.

Annexure 'B' to Independent Auditor's Report

Referred under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Clean Max Taurus Private Limited on Ind AS financial statements for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to Ind AS financial statements under clause (i) of sub-section 3 of section 143 of the Act

We have audited the internal financial controls over financial reporting of **Clean Max Taurus Private Limited ("the Company")** as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Note 1.1

GENERAL INFORMATION

Clean Max Taurus Private Limited (herein after referred to as "the Company") incorporated on 24th October, 2024 and is engaged in the business of generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13A, Plot 400, Peregrine Apt, SVS Marg, Prabhadevi, Mumbai 400025, Maharashtra, India.

The Financial Statements for the year ended 31st March, 2026 were approved by the Board of Directors and authorised for issue on 17th April, 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net of trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

CLEAN MAX TAURUS PRIVATE LIMITED

CIN:U35105MH2024PTC434094

Notes to the financial statements for the year ended 31st March, 2026*(Currency: Indian rupees in million, unless otherwise stated)***Contract balances:**

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 - Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

CLEAN MAX TAURUS PRIVATE LIMITED

CIN:U35105MH2024PTC434094

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

CLEAN MAX TAURUS PRIVATE LIMITED

CIN:U35105MH2024PTC434094

Notes to the financial statements for the year ended 31st March, 2026*Currency: Indian rupees in million, unless otherwise stated*

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 25 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(i) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(j) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(k) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(l) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented. Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(m) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property, plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (d) above.

Note 1.3

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards (or amendments to the existing standards) under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a) MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current.

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 - Statement of Cash Flows and Ind AS 107 - Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 - "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 - Income Taxes (International Tax Reform - Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

CLEAN MAX TAURUS PRIVATE LIMITED

CIN:U35105MH2024PTC434094

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Note 1.4

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

Note 21: Financial Instruments

21.1 Capital management

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.
The capital structure of the Company consist of equity share capital, long term debt and other equity. The Company also has obtained unsecured borrowings.

The management reviews the capital structure on a quarterly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.
The gearing ratio at the end of the year is as follows:

Particulars	As at 31st March, 2026	As at 31st March, 2025
	(Rs. In Millions)	(Rs. In Millions)
Debt (i)	2,279.69	0.02
Less: Cash and cash equivalents	0.01	0.02
Net Debt (A)	2,279.68	-
Total capital (ii)	(0.96)	0.03
Capital and Net debt (B)	2,278.72	0.03
Net Debt to Total Capital plus net debt ratio% (A/B)	100%	0%

- (i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings (including accrued interest)
(ii) Capital is defined as Equity share capital and other equity

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2026.

21.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

21.3 Fair value hierarchy

a) The fair value measurement hierarchy of the Company's assets and liabilities are as follows:

Particulars	Level	As at 31st March, 2026	As at 31st March, 2025	Valuation technique(s) and key input(s)	Significant unobservable inputs	Sensitivity of inputs to fair value measurement
Financial assets						
- Investment in Mutual funds	Level 2	96.58	-	Valued using the closing NAV	Not applicable	Not applicable
		96.58	-			

For description of level 1, level 2 and level 3, refer material accounting policies.

b) Movement of items measured using unobservable inputs (Level 3):

Particulars	Liability towards investment in subsidiaries by Alternate Investment Fund (Financial liability)
Balance as at 24th October, 2024	-
Movement during the period	-
Balance as at 31st March, 2025	-
Movement during the year	-
Balance as at 31st March, 2026	-

c) Sensitivity analysis of items measured using unobservable inputs (Level 3):
A one percentage point change in the unobservable inputs used in fair valuation of Level 3 assets and liabilities does not have a significant impact in its value.

d) Transfer between Level 1, Level 2 and Level 3
There are no transfers between level 1, level 2 and level 3

21.4 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk. The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

21.4.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Bank balances are held with reputed and creditworthy banking institutions.

21.4.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

21.4.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

21.4.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held. There is no price risk applicable to the Company as it does not hold any investments in other companies.

[Handwritten signature]

21.4.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	88.68	2,198.67	2,287.35
Trade payables	0.24	-	0.24
Lease liability	-	83.46	83.46
Other financial liability	1.89	-	1.89
	90.81	2,282.13	2,372.94
Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2025			
Borrowings	0.02	-	0.02
Trade payables	0.01	-	0.01
	0.03	-	0.03

21.4.6 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant, the Company's profit for the year would increase or decrease as follows:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Total exposure of the company to variable rate of borrowing	1,216.00	-
Impact on profit before tax for the year	6.08	-

The year end balances are not necessarily representative of the average debt outstanding during the year.

Note 24 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change %
Current Assets	3.25	0.05	
Current Liabilities	95.12	0.03	
Ratio	0.03	1.67	-98%

The ratio has decreased due to increase in current liabilities.

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change %
Total Debt	2,279.69	0.02	
Total Equity	(0.96)	0.03	
Ratio	(2,374.68)	0.67	-354530%

The ratio has decreased due to increase in total debt.

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change %
EBITDA	(1.03)	(0.07)	
Total interest and principal repayments	66.70	0.02	
Ratio	(0.02)	(3.50)	-99%

The ratio has decreased due to increase in interest repayments.

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Average Equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the period ended 24th October, 2024 to 31st March, 2025	Change %
Net loss after tax attributable to owners of the Company	(0.89)	(0.07)	
Equity attributable to owners of the Company	(0.96)	0.03	
Ratio	0.93	(2.33)	-140%

This ratio has been decreased due to increase in expenses.

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory -

The above ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average trade receivables

The above ratio is not applicable as there is no turnover

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	For the year ended 31st March, 2026	For the period ended 24th October, 2024 to 31st March, 2025	Change %
Purchases	-	-	
Average Trade Payables	0.13	0.01	
Ratio	-	-	-

The above ratio is not applicable as there are no purchases

h) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

The above ratio is not applicable as there are no sales.

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales

The above ratio is not applicable as there are no sales.

Handwritten signature in blue ink.

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the period ended 24th October, 2024 to 31st March, 2025	Change %
Net loss after tax(A)	(0.89)	(0.07)	
Finance Costs (B)	0.17	-	
Total Tax Expense (C)	(0.31)	-	
EBIT (D) = (A)+(B)+(C)	(1.03)	(0.07)	
Total equity (E)	(0.96)	0.03	
Total debt (H)	2,279.69	0.02	
Capital Employed (I)=(E)-(F)-(G)+(H)	2,278.73	0.05	
Ratio (D)/(I)	-	(1.40)	-100%

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note : The above ratio is not applicable as the Company has no other investments other than current operations

As the company was incorporated on 24th october 2024, for the previous year actual figures as at the balance sheet date are considered for the purpose of calculation of ratios

Footnote : The above Non-GAAP measures presented may not be comparable to similarly titled measures reported by other companies. Further, it should be noted that these are not a measure of operating performance or liquidity defined by generally accepted accounting principles and may not be comparable to similarly titled measures presented by other companies.

CLEAN MAX TAURUS PRIVATE LIMITED

CIN:U35105MH2024PTC434094

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Note 32: Going concern

As at 31st March, 2026 the company's current liabilities have exceeded the current assets by Rs 91.87 millions. Further deficit in meeting its current obligations will be met through capital infusion by Cleanmax Enviro Energy Solutions Limited (Parent Company). Management is confident of its ability to generate future cash inflows from operations so that it would be able to meet its obligations on due dates. On these considerations, these financial statements are prepared on a going concern basis.

Note 33: Other Regulatory Disclosures relating to borrowings and loans

(i) The Company has not given Loans or advances of the nature of loans to promoters, directors, KMPs and the related parties, that are repayable on demand or without specifying any terms or period of repayment.

(ii) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) No funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Note 34: Disclosures required under schedule III

(i) The Company has no relationship and transactions with struck off companies.

(ii) The Company has not entered into any arrangement under section 230 to 237 of Companies Act 2013.

(iii) The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(iv) The Company has complied with the number of layers prescribed under clause (87) of Section 2 of the Companies Act, 2013 read with the companies (Restriction on number of layers) Rules, 2017.

Note 35

(a) Previous years figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

(b) There are no events occurring after reporting due as at 31st March, 2026.

INDEPENDENT AUDITOR'S REPORT

To The Members of Clean Max Tav Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Clean Max Tav Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's report including the Annexures thereto, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Mumbai – 400075

Mobile: 9833388059 Email: dipeshruparelia@hsdr.in

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (i) As required by Section 143(3) of the Act, based on our audit, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) The provisions of Section 197 read with Schedule V of the Act are not applicable to the Company for the period ended March 31, 2026.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief as disclosed in note 36 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented that, to the best of its knowledge and belief as disclosed in note 36 to the Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. No dividend has been declared or paid during the year by the Company.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Tav Private Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i)

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause (i)(a)(B) of the Order is not applicable to the Company.
- (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii)

- (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause (ii)(a) of the Order is not applicable to the Company.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause (ii)(b) of the Order is not applicable to the Company.

(iii)

- (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(a) of the Order is not applicable to the Company.

- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(b) of the Order is not applicable to the Company.
 - (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(c) of the Order is not applicable to the Company
 - (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(d) of the Order is not applicable to the Company.
 - (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(e) of the Order is not applicable to the Company.
 - (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(f) of the Order is not applicable to the Company.
- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause (iv) of the Order is not applicable to the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause (v) of the Order is not applicable to the Company.
- (vi) The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the services of the Company. Accordingly, reporting under clause (vi) of the Order is not applicable to the Company.

(vii)

(a) Undisputed statutory dues including goods and services tax, income-tax, and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of disputes.

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix)

(a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) Term loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

(x)

(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause (x)(a) of the Order is not applicable to the Company.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (b) The Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) No fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor or secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause (xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) The provisions of internal audit in view of Section 138 of Companies Act, 2013 are not applicable in case of the company. Therefore, the requirement to report under clause (xiv) of the Order is not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause (xv) of the Order is not applicable to the Company.
- (xvi)
- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The company is not a core investment company as defined by regulations made by Reserve Bank of India and hence reporting under clause (xvi)(c) is not applicable.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (d) The Group does not have any Core Investment Company as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred any cash losses in the current financial year. The Company has not incurred any cash losses in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause (xviii) is not applicable.
- (xix) On the basis of the financial ratios disclosed in note 27, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report which is not mitigated indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provision of section 135 of the Companies Act, 2013 on Corporate Social Responsibility are not applicable to the company. Accordingly, the requirement to report on clause (xx) of the Order is not applicable to the Company.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (xxi) The Company does not have any investment in subsidiary, joint venture and associate and hence the Company is not required to prepare consolidated financial statements. Therefore, reporting under clause (xxi) of the Order is not applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Tav Private Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of **Clean Max Tav Private Limited** (the "Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note 1.1

GENERAL INFORMATION

Clean Max Tav Private Limited (the "Company") incorporated on 25th August, 2022, is engaged in business of generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Kismat Cinema, Prabhadevi, Mumbai 400025, Maharashtra, India.

The financial statements for the year ended 31st March, 2025 were approved by the Board of Directors and authorised for issue on 6th May, 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(i) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(j) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(k) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(l) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented.

Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(m) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (d) above.

Note 1.4

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a)MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pilar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

As at 31st March, 2025	376.18	0.31	-	376.49	14.04	-	348.38

Footnote:

- (a) For details of pledged assets refer note 14.
(b) The Company is not holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988).
(c) The title / lease deeds of immovable properties are held in the name of the Company.
(d) Figures in italic represent previous year figures.
(e) Change in useful life estimate:
During the year ended 31st March, 2026, the Group conducted an operational efficiency review of its Power Plant. Based on the review, with effect from 1st January, 2026 the expected useful life of Power Plant has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.

The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
(Decrease)/ Increase in depreciation expense*	(0.29)	(1.16)	(1.16)	(1.16)	(1.16)	(1.16)

* Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

Footnote:

The Company has not issued any potential equity shares. Since the Company has not issued any instruments which are potential equity shares, there is no dilution effect in Basic EPS of the Company.

Note 24: Financial Instruments**24.1 Capital management**

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The Company also has obtained borrowings which are secured against the assets owned by the Company and unsecured borrowings from parent company.

The management reviews the capital structure on a yearly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the period is as follows

Particulars	As at 31st March, 2026	As at 31st March, 2025
Debt (i)	310.99	343.90
Less: Cash and cash equivalents	1.06	0.80
Net Debt (A)	309.93	343.10
Total capital (ii)	110.72	107.85
Capital and Net debt (B)	420.65	450.95
Net Debt to Total Capital plus net debt ratio% (A/B)	74%	76%

(i) Debt is defined as Non current borrowings and current borrowings.

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowings in the current period.

No changes were made in the objectives, policies or processes for managing capital during the period ended 31st March 2026.

24.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

24.3 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

24.3.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Bank balances are held with reputed and creditworthy banking institutions.

24.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

24.3.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the period and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

24.3.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

24.3.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31 March, 2026			
Borrowings	10.24	293.71	303.95
Trade payables	8.91	-	8.91
Other financial liabilities	1.01	-	1.01
	20.16	293.71	313.87
As at 31 March, 2025			
Borrowings	19.00	318.11	337.11
Trade payables	2.54	-	2.54
Other financial liabilities	0.78	-	0.78
	22.32	318.11	340.43

24.3.6 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant ,the Company's loss for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Total exposure of the company to variable rate of borrowing	294.11	303.47
Impact on loss before tax for the year	1.47	1.52

The year end balances are not necessarily representative of the average debt outstanding during the year.

Note 25 : Income Taxes

25.1 The income tax expense for the period can be reconciled to the accounting profit as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Profit / Loss before tax	3.46	(7.15)
Enacted income tax rate in India	25.17%	17.16%
Income tax expense calculated at 25.17%	0.87	(1.23)
Others	(0.28)	0.16
Income tax expense recognised in Statement of Profit and Loss	0.59	(1.07)

Note 25.2

The tax rate used for the period ended March 31, 2026 is 25.17%. The reconciliations above is the corporate tax rate of payable by corporate entities in India on taxable profits under the Indian tax law.

Note 25.3 Deferred taxes

The following table provides the details of movment of deferred tax assets and liabilities:

For the period ended 31st March, 2026

Item of deferred tax asset/(liability)	Opening Balance	(Charge)/Credit in P&L	Closing Balance
<u>Deferred tax liabilities</u>			
Difference between book balance and tax balance of property, plant and equipment	(35.50)	(6.80)	(42.30)
Lease liabilities	(0.13)	(0.02)	(0.15)

Trade payable	1.92	0.37
Advances	-	23.70

Note 27 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Current Assets	48.20	51.09	-
Current Liabilities	20.51	22.99	-
Ratio	2.35	2.22	5.86%

The ratio is increased due to current assets during the year.

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Total Debt	310.99	343.90	-
Total Equity	110.72	107.85	-
Ratio	2.81	3.19	-11.91%

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
EBITDA	45.18	44.31	-
Total interest and principal repayments	-60.62	(352.62)	-
Ratio	-0.75	(0.13)	476.92%

The ratio is decreased due to interest and principal payment during the year

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Average Equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax attributable to owners of the Company	2.87	(6.08)	-
Equity attributable to owners of the Company	110.72	107.85	-
Ratio	0.03	(0.06)	-150.00%

The ratio is decreased due to change in equity during the year.

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory

The ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average trade receivables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Sales	54.61	51.00	-
Average Trade Receivables	2.08	1.05	-
Ratio	26.25	48.57	-45.95%

The ratio is changed due to increase in sale during the year.

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Purchases	8.67	7.64	-
Average Trade Payables	5.73	2.72	-
Ratio	1.51	2.81	-46.26%

The ratio is decreased due to increase in average trade payable during the year.

h) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Sales	54.61	51.00	-
Current Assets (A)	48.20	51.09	-
Current Liabilities (B)	20.51	22.99	-
Net Working Capital (A-B)	27.69	28.10	-
Average Working Capital	27.90	19.56	-
Ratio	1.96	2.61	-24.90%

The ration is decreased due to increase in average working capital during the year.

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax	2.87	(6.08)	-
Net Sales	54.61	51.00	-
Ratio	0.05	(0.12)	-141.67%

The ratio is decreased due to increase in sales during the year.

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net profit/(loss) after tax(A)	2.87	(6.08)	-
Finance Costs (B)	27.97	37.42	-
Total Tax Expense (C)	0.59	(1.07)	-
EBIT (D) = (A)+(B)+(C)	31.43	30.27	-
Total equity (E)	110.72	107.85	-
Total debt (F)	310.99	343.90	-
Capital Employed (G)=(E)+(F)	421.71	451.75	-
Ratio (D)/(G)	0.07	0.07	0.00%

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note: The above ratio is not applicable since the Company does not have any projects/investments other than current operations.

Note 28 - Trade Receivables Ageing

Trade Receivables Ageing Schedule*

**Clean Max Terra
Private Limited**

Independent Auditor's Report

To the Members of Clean Max Terra Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Clean Max Terra Private Limited (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Independent Auditor's Report (Continued)

Clean Max Terra Private Limited

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a. The financial statements of the Company for the year ended 31 March 2025 were audited by the predecessor auditor who had expressed an unmodified opinion on 23 May 2025.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement

Independent Auditor's Report (Continued)

Clean Max Terra Private Limited

on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 A. As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 01 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 36(b) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 36(c) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures that have been considered reasonable and appropriate in the

Independent Auditor's Report (Continued)

Clean Max Terra Private Limited

circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- e. The Company has neither declared nor paid any dividend during the year.
- f. Based on our examination which included test checks, except for the instance mentioned below, the Company has used accounting software maintaining the books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. The feature of recording audit trail (edit log) was not enabled at the database level for the period from 1 April 2025 to 27 March 2026 to log any direct data changes for the accounting software used for maintaining the books of account relating to general ledger. Further, for the periods where audit trail (edit log) facility was enabled and operated, we did not come across any instance of audit trail feature being tampered. Additionally, where the audit trail (edit log) functionality was enabled and operated in the previous years the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Terra Private Limited for the year ended 31 March 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Right of Use Assets.
- (B) The Company does not have any intangible assets. Accordingly, clause 3(i)(a)(B) of the Order is not applicable.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified every year. In accordance with this programme, all property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee). Accordingly, clause 3(i)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company is engaged in the business of generation and sale of electricity. Accordingly, it does not hold any physical inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security and therefore the relevant provisions of Sections 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company. Accordingly, clause 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the activity performed by the Company. Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Terra Private Limited for the year ended 31 March 2026 (Continued)

subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Income-Tax or Cess or other statutory dues have generally been regularly deposited by the Company with the appropriate authorities, though there have been slight delays in a few cases of Goods and Service Tax.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to Goods and Service Tax, Income-Tax or Cess or other statutory dues, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not used funds raised on short-term basis for long-term purposes except in the case of payables for purchase of Property, Plant and Equipment of Rs 688.92 million used for construction of Solar plant..
- (e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(e) is not applicable.
- (f) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(f) is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported for the period covered under audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Terra Private Limited for the year ended 31 March 2026 (Continued)

- Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
 - (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
 - (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
 - (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
 - (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
 - (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
 - (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
 - (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
 - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
 - (d) According to the information and explanations provided to us, the Group (as defined in the regulations made by the Reserve Bank of India) does not have CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
 - (xvii) The Company has not incurred cash losses of in the current financial year and has incurred cash losses of Rs. 15.23 million in the immediately preceding financial year.
 - (xviii) There has been resignation of the statutory auditors during the year and based on the information and explanations given to us by the management and the response received by us pursuant to our communication with the outgoing auditors, there have been no issues, objections or concerns raised by the outgoing auditors.
 - (xix) We draw attention to Note 34 to the financial statements which explains that the Company has incurred losses in previous year and has accumulated losses as at 31 March 2026. Further, the Company's current liabilities exceed its current assets as at 31 March 2026 by Rs. 733.34 million.

On the basis of the above and according to the information and explanations given to us, on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of

**Annexure A to the Independent Auditor's Report on the Financial Statements
of Clean Max Terra Private Limited for the year ended 31 March 2026
(Continued)**

one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) The requirements as stipulated by the provisions of Section 135 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor’s Report on the financial statements of Clean Max Terra Private Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Clean Max Terra Private Limited (“the Company”) as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

Annexure B to the Independent Auditor’s Report on the financial statements of Clean Max Terra Private Limited for the year ended 31 March 2026 (Continued)

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Statement of Cash Flows for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
A. Cash flows from operating activities		
Profit/(Loss) before tax	7.15	(17.42)
Adjustments for:		
Finance cost	137.28	9.86
Depreciation expenses	65.44	2.19
Amortization of prepaid common infrastructure facility charges	10.62	2.93
Interest income on fixed deposits	(6.33)	(0.68)
Interest on income tax refund	(0.06)	-
Expected credit loss allowance	0.03	-
Operating loss before working capital changes	214.13	(3.12)
Changes in working capital		
Adjustments for (increase) / decrease in operating assets:		
Trade receivables	(58.00)	-
Other financial assets	(67.32)	
Other assets	3.81	(5.27)
Adjustments for increase / (decrease) in operating liabilities:		
Trade payables	12.98	3.09
Other financial liabilities	0.03	-
Other liabilities	2.13	(0.06)
Cash generated from / (used in) operating activities	107.76	(5.36)
Income taxes paid (net)	0.97	(1.37)
Net cash flows generated from / (used in) operating activities (A)	108.73	(6.73)
B. Cash flows from investing activities		
Capital expenditure on property, plant and equipment and capital work in progress	(75.74)	(1,757.31)
Common Infrastructure Facility charges paid	(269.70)	(73.27)
Movement in fixed deposits (net)*	(64.22)	(23.56)
Movement in restricted bank balances (net)*	(56.83)	(2.35)
Interest received on fixed deposits	6.19	0.08
Net cash flows used in investing activities (B)	(460.30)	(1,856.41)
C. Cash flows from financing activities		
Proceeds from issue of equity shares	334.60	-
Proceeds from non-current borrowings	-	2,448.20
Proceeds from non-current borrowings from related parties	883.95	303.90
Repayment from long term borrowings(both RPT & External)	(644.78)	(836.94)
(Repayments) / Proceeds from short term borrowings (net)*	(60.12)	49.06
Lease liabilities paid	(9.76)	(4.11)
Transaction Cost relating to Borrowing	(7.89)	(40.36)
Finance Cost paid	(145.20)	(55.84)
Net cash flows generated from financing activities (C)	350.80	1,863.91
Net increase/(decrease) in cash and cash equivalents (A+B+C)	(0.77)	0.77
Cash and cash equivalents at the beginning of year	0.77	-
Cash and cash equivalents at the end of year (Refer Note 7)	0.00	0.77

Note:

The above Statement of cash flows has been prepared under the "Indirect Method" as set out in Indian Accounting Standard(Ind AS) 7- Statement of Cash Flows.

*Includes transactions where turnover is quick, amounts are large and maturities are short.

Refer note 32 for reconciliation of changes in liabilities arising from financing activities.

The accompanying notes form an integral part of these financial statements. (Refer Note 1 to 42)

Clean Max Terra Private Limited

CIN:U35105MH2023PTC406266

Notes to the financial statements for the year ended 31st March, 2026*(Currency: Amount in ₹ million unless otherwise stated)***Note 1.1****CORPORATE INFORMATION**

Clean Max Terra Private Limited (the "Company") is a private limited Company incorporated on 10th July, 2023 and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Kismat Cinema, Prabhadevi, Mumbai 400025, Maharashtra, India.

The Company is in the business of generation and sale of electricity.

The Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors and authorised for issue on 12th May, 2026.

Note 1.2**BASIS OF PREPARATION AND ACCOUNTING**

The Financial Statement of the Company comprises the Statement of Assets and Liabilities as at 31st March 2026 and 31st March 2025; the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, and the Statement of Cash Flows for period ended 31st March 2026, and for the year ended 31st March 2025, the material accounting policies and other explanatory information and notes (collectively, the 'Financial Statement').

The Financial Statements have been prepared on a going concern basis. The accounting policies are applied consistently to all the years presented in the Financial Statements.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The Financial Statements of the Company have been approved for issuance in accordance with the resolution of the board of directors on 12th May, 2026

The principal accounting policies are set out below.

Note 1.3**MATERIAL ACCOUNTING POLICIES****(a) Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue excludes indirect taxes which are collected on behalf of Government.

(i) Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods/services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

(ii) Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue is recognised for work performed under a contract but has not yet been invoiced to the customer on account of estimation and judgement involved.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Other income

Interest income:

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR), which is the rate that discounts the estimated future cash payments or receipts through the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial assets on initial recognition. Interest income is included in Other income in the Statement of Profit or Loss.

(Currency: Amount in ₹ million unless otherwise stated)

(c) Foreign Currencies

The functional currency of the Company is the Indian rupee (Rs.).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in Statement of Profit and Loss.

Foreign currency denominated non - monetary assets and liabilities that are measured at historical cost are not retranslated.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

a.Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognised in the Statement of Profit and Loss except to the extent that the tax relates to items recognised outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

The Company has accounted income tax based on annualized performance of the Company in accordance with Ind AS 34 for the year ended 31st March 2026 and 31st March 2025.

b.Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statement and the corresponding tax bases used in the computation of taxable profit.

Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that:
 - is not a business combination; and
 - at the time of the transaction (i) affects neither accounting nor taxable profit or loss and (ii) does not give rise to equal taxable and deductible temporary differences
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on the reversal of relevant taxable temporary differences. If the amount of taxable temporary differences is insufficient to recognise a deferred tax asset in full, then future taxable profits, adjusted for reversals of existing temporary differences, are considered, based on the business plans for individual subsidiaries in the Company. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(Currency: Amount in ₹ million unless otherwise stated)

(e) Property, Plant and Equipment, Capital work in progress and Depreciation

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Interest on borrowed money allocated to and utilized for qualifying assets pertaining to the period up to the date of capitalization is added to the cost of the assets.

Freehold land is not depreciated.

Any gain or loss arising on derecognition / disposal of an asset is included in profit or loss.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant, Wind Farms and Hybrid Farms where the life is considered as 25 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

However, with effect from 1st January, 2026 the expected useful life of new technology solar and wind assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

(f) Impairment of non-financial assets

At each reporting date, non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortization and are tested annually for impairment.

(g) Impairment of financial assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Company assesses ECL associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ('C&I') customers. Delayed payment carries interest as per the terms of agreements with C&I customers. The Company uses practical expedient for computing the Impairment losses on trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information, including a single-factor macroeconomic adjustment.

(Currency: Amount in ₹ million unless otherwise stated)

(h) Financial Instruments

Financial assets

Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate and recorded at transaction price. The Company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets (excluding trade receivables that are recorded at transaction price) are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified in three categories:

•Financial assets at Amortised cost

A financial asset is measured at amortised cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest (EIR) method. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR and reported as part of interest income in the Statement of Profit and Loss. The losses if any, arising from impairment are recognised in the Statement of Profit and Loss.

•Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognised in the Statement of Profit and Loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

•Financial assets at fair value through other comprehensive income (FVOCI) – debt investment

A debt investment is measured at FVOCI if both of the following conditions are met:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at fair value. Interest income is recognised using the effective interest (EIR) method. The loss allowance is recognized in other comprehensive income and does not reduce the carrying value of the financial asset. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of Profit and Loss.

•Financial assets at fair value through other comprehensive income (FVOCI) – equity investment

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income. This election is made on an investment-by-investment basis.

After initial measurement, such financial assets are subsequently measured at fair value. Dividends are recognised as income in Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Statement of Profit and Loss.

Derecognition of financial asset

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred substantially all the risks and rewards of the asset, or
- the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

Classification

All financial liabilities are subsequently measured at amortised cost.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised. Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

(Currency: Amount in ₹ million unless otherwise stated)

Derecognition of financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Share capital

Ordinary equity shares

Incremental costs directly attributable to the issue of ordinary equity shares and share options are recognised as a deduction from equity, net of any tax effects.

Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for financial and non-financial assets and liabilities. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(i) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(j) Leases

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The Company assesses, whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves:

- (a) the use of an identified asset,
- (b) the right to obtain substantially all the economic benefits from use of the identified asset, and
- (c) the right to direct the use of the identified asset.

The Company as a lessee

Right to Use Asset

The Company at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right of use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

(Currency: Amount in ₹ million unless otherwise stated)

Category Useful Life

Leasehold land 25-30 years

The Company applies Ind AS 36 to determine whether a Right-of-Use asset is impaired and accounts for any identified impairment loss in the Statement of Profit and Loss as described in the note (m).

Lease liabilities

For lease liabilities at inception, the Company measures the lease liability at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest considering effective interest rate and reduced for the lease payments made.

The Company recognizes the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use assets is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognizes any remaining amount of the re-measurement in the Statement of Profit and Loss.

(k) Provisions, contingent liabilities and contingent asset

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are discounted to their present value at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed for possible obligations which will be confirmed only by future events not wholly within the control of the Company; or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

(l) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

The weighted average number of equity shares outstanding is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

(m) Earnings before interest, tax, depreciation, impairment and amortization (EBITDA)

The Company presents EBITDA in the Statement of Profit and Loss; this is not specifically required by Ind AS 1. The term EBITDA is not defined in Ind AS. Ind AS compliant Schedule III allows companies to present line items, sub-line items and sub-totals as an addition or substitution on the face of the financial statements when such presentation is relevant to an understanding of the Company's financial position or performance to or to cater to industry/sector-specific disclosure requirements or when required for compliance with the amendments to the Companies Act or under the Indian Accounting Standards.

Measurement of EBITDA

Accordingly, the Company has elected to present EBITDA as a separate line item on the face of the Statement of Profit and Loss. In its measurement, the Company does not include exceptional items, depreciation, impairment and amortisation expenses, finance costs, share of profit from joint ventures and associate and income tax expense.

(n) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(Currency: Amount in ₹ million unless otherwise stated)

(o) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(p) Borrowing cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

The Company suspends capitalization of borrowing costs during extended periods in which it suspends active development of a qualifying asset.

The entity determines the amount of borrowing costs eligible for capitalization as the actual borrowing costs incurred on that borrowing during the period less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. If any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. In case if the entity borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalization are determined by applying a capitalization rate to the expenditure on that asset.

(q) Prepaid Common Infrastructure Facility Charges

Prepaid common infrastructure facility charges represent upfront payments made to secure the right to use the common infrastructure facilities, where ownership remains with a third party. These payments are recognised as assets at the amount paid on the date the right is obtained and amortised over the period of use.

(r) Critical accounting judgements and key sources of estimation uncertainty

The preparation of Financial Statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities/contingent assets as at the date of the Financial Statement and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the Financial Statement pertain to:

•**Useful lives of property, plant and equipment and other intangible assets:** The Company reviews the useful life of property, plant and equipment and other intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortization expense in future periods.

•**Impairment of non-financial assets including ROU asset:** The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results, growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

•**Impairment of financial assets:** The impairment provision for financial assets (other than trade receivables) are based on assumptions of risk of default and expected loss rates. The Company makes judgements about these assumptions for selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Trade receivables are stated at their transaction values as reduced by appropriate allowances for estimated irrecoverable amounts which are based on the aging of the receivable balances and historical experiences. Individual trade receivables are written off when management deems them not be collectible.

•**Recognition of deferred tax asset:** The deferred tax assets in respect of brought forward business losses is recognised based on reasonable certainty of the projected profitability, determined on the basis of approved business plans, to the extent that sufficient taxable income will be available to absorb the brought forward business losses. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

(Currency: Amount in ₹ million unless otherwise stated)

Note 1.4

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 “Presentation of Financial Statements”, which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management’s expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity’s own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity’s right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – “Statement of Cash Flows” and Ind AS 107 “Financial Instruments: Disclosures” which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity’s liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 “Income Taxes” which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity’s exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

							3,472.73
							50.67

Footnotes:

- (i) For details of pledged assets, refer note 13.
- (ii) The Company makes an assessment for impairment of Property, Plant and Equipment when facts and circumstances indicate that carrying values of such assets may not be recoverable. When evaluating for impairment, the carrying value of the asset is compared to the asset's estimated future discounted cash flows. The trigger for impairment occurs if the estimated discounted future cash flows are less than the carrying value of the asset. The value of impairment is determined by comparing the carrying value of the asset to the asset's recoverable value and recognize an impairment charge when the asset's carrying value exceeds its estimated recoverable value. The recoverable value of the asset is estimated using a discounted cash flow model based on forecasted future revenues and operating costs, using internal projections. For such projections, discount rate of 8.53% (31st March, 2025: 10.5%) has been considered. Discount rate has been determined considering the Weighted Average Cost of Capital (WACC) of market benchmarks. Depreciation for the year includes impairment of Rs. Nil (31st March, 2025: Rs. Nil)
- (iii) The Company is not holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988).
- (iv) No borrowing cost were capitalised during the year as well as previous year, as none were directly attributable to the acquisition or construction of qualifying asset.
- (v) The Company has not revalued its Property, Plant and Equipment as on each reporting year and therefore, Schedule III disclosure requirements with respect to fair value details is not applicable.
- (vi) During the year ended 31st March, 2026, the Company conducted an operational efficiency review of its Solar assets. Based on the review, with effect from 1st January, 2026 the expected useful life of Solar assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.
- The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
Decrease in depreciation expense*	4.35	21.58	21.58	21.58	21.58	21.58
Deferred tax impact	(1.09)	(5.43)	(5.43)	(5.43)	(5.43)	(5.43)
Net depreciation expense	3.26	16.15	16.15	16.15	16.15	16.15

* Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

13(b) Security and charge Loan 1:

The Borrower shall create and perfect (or as the case may be, procure the creation of) the following Security, to secure the Secured Obligations (including penal charges, commissions, fees, indemnity amounts and all other amounts of any nature due, outstanding and/or payable to the Lender under the Finance Documents):

(a) a first ranking pari passu mortgage to be granted by the Borrower in favour of the Security Trustee (acting on behalf of and for the benefit of the Secured Parties) on the entire Immovable Properties of the Borrower in relation to the Project 1, both present and future, to be recorded under the Mortgage Documents;

(b) a first ranking pari passu mortgage to be granted by the Borrower in favour of the Security Trustee (acting on behalf of and for the benefit of the Secured Parties) on the entire Immovable Properties of the Borrower in relation to the Project 2, both present and future, to be recorded under the Mortgage Documents;

(c) a first ranking pari passu charge by way of a hypothecation along with a power of attorney to be granted by the Borrower in favour of the Security Trustee (acting on behalf of and for the benefit of the Secured Parties) on the entire movable properties of the Borrower in relation to the Projects, both present and future, including movable plant and machinery, machinery spares, tools and accessories, furniture, fixtures, vehicles and all other movable properties, under the terms of the Deed of Hypothecation;

(d) a first ranking pari passu charge by way of a hypothecation along with a power of attorney to be granted by the Borrower in favour of the Security Trustee (acting on behalf of and for the benefit of the Secured Parties) on the entire current assets, cash flows, receivables, book debts and revenues of the Borrower in relation to the Projects, of whatsoever nature and wherever arising, both present and future, under the terms of the Deed of Hypothecation;

(e) a first ranking pari passu charge by way of a hypothecation along with a power of attorney to be granted by the Borrower in favour of the Security Trustee (acting on behalf of and for the benefit of the Secured Parties) on the Accounts (including 'Debt Service Reserve Account'), and any other reserves and other bank accounts of the Borrower in relation to the Projects, and the amounts lying therein, under the terms of the Deed of Hypothecation;

(f) a first ranking pari passu charge by way of a hypothecation along with a power of attorney to be granted by the Borrower in favour of the Security Trustee (acting on behalf of and for the benefit of the Secured Parties) on the entire intangible assets of the Borrower in relation to the Projects, including but not limited to, goodwill and uncalled capital, both present and future, under the terms of the Deed of Hypothecation;

(g) assignment of all the rights, title, interest, benefits, claims and demands whatsoever of the Borrower in the Project Documents (other than the Land Lease Agreements and Agreements to Lease), including in relation to the Common Infrastructure, duly acknowledged and consented to by the relevant counterparties (if required by the Lenders) under the terms of the Deed of Hypothecation;

(h) a first ranking pari passu pledge of 74% of the Borrower's total equity and preference shares and any Quasi-Equity Instruments (including but not limited to compulsorily convertible preference shares issued by the Borrower), Debentures (as applicable), supported by a power of attorney to be granted by the Sponsor in favour of the Security Trustee (acting on behalf of and for the benefit of the Secured Parties) in relation thereto, provided however, that in case of any single relevant Finance Party which is a banking company as defined under the Banking Regulation Act, 1949, the pledge created in accordance with the Deed of Pledge of Securities shall, at all times, be restricted to a maximum of 30% (thirty per cent) of the share capital of the Borrower or any other limit as may be set out under the Banking Regulation Act, 1949 as amended from time to time and to the extent the Equity Shares, preference shares, Quasi-Equity Instruments and Debentures (as applicable) over which pledge cannot be created on account of Section 19(2) and 19(3) of the Banking Regulation Act, 1949, as amended from time to time ("NDU Securities"), shall be subject to non-disposal arrangement in terms of the Non Disposal Agreement, in the form and manner satisfactory to the Agent;

(i) a first ranking pari passu charge or equitable assignment of 100% (one hundred percent) of Subordinated Debt (except the Debentures pledged in for the benefit of the Secured Parties in terms of paragraph (h) above) extended by the Sponsor to the Borrower towards the Estimated Project Costs, in favour of the Security Trustee (acting on behalf of and for the benefit of the Secured Parties), under the terms of Sponsor Deed of Hypothecation.

The Security Interest created over assets referred to hereinabove shall collectively be referred to as "Security".

Basic and Diluted earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic and diluted earnings per share is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Profit/(Loss) attributable to equity shareholders (Rs. in million) (A)	3.61	(13.07)
No. of equity shares outstanding at the end of the year	7,40,07,888	5,80,74,555
Weighted average number of equity shares (Nos.) (B)	6,36,62,135	5,80,74,555
Basic and diluted earnings per share (Rs.) (A/B)	0.06	(0.23)

22(a) The Company has not issued any potential equity shares. Since the Company has not issued any instruments which are potential equity shares, there is no dilution effect in Basic EPS of the Company.

Note 23 Financial Instruments

23.1 Capital management

The Company manages its capital to ensure that it will be able to continue as a Going Concern while maximising the return to stakeholders through the optimisation of debt and equity balance.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows

Particulars	As at 31st March, 2026	As at 31st March, 2025
Debt (i)	2,188.18	1,957.27
Less: Cash and cash equivalents	-	0.77
Net debt (A)	2,188.18	1,956.50
Total Equity (ii)	1,346.99	1,008.78
Equity and net debt (B)	3,535.17	2,965.28
Net debt to total equity plus net debt ratio (A/B)	0.62	0.66

(i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings.

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lender to immediately call loans and borrowings. The financial covenant for any interest-bearing loans and borrowings is tested as per the contractual agreements with lenders and management expects to meet all covenants till 31st March, 2027.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2026 and 31st March, 2025.

23.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

23.3 Financial risk management

The Management of the Company monitors and manages the financial risks relating to the operations of the Company on a continuous basis. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company does not have foreign currency and hence no currency risk.

Compliance with policies and exposure limits is reviewed internally on a continuous basis.

23.3.1 Credit risk

Credit risk refers to the risk that the counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivable, bank balances other than cash and cash equivalents and other receivables. The maximum exposure to the credit risk at the reporting date is from trade receivables amounting to Rs. 58.00 millions as at 31st March, 2026 (31st March, 2025: Nil).

Credit is extended only after due approvals and evaluation in terms of the Credit Policy applicable for such sale. The process of extending credit approval, takes into account various factors such as publicly available financial information, market feedback, and past business patterns etc. Many of the Company's customers have been transacting since inception and the incidence of bad debts has been very low. Such credit limits extended to trade receivables are monitored by the Board of Directors and protective action are initiated to avoid a default. In view of the short nature of its trade receivables, the Company makes provision for credit risk on an individual basis, if any. Individual customer credit limits are imposed based on relevant factors such as market feedback, business potential and past records on selective basis.

Further, all the financial assets other than mentioned above i.e. security deposits and other receivables are considered to have low credit risk as the counter parties have strong capacity to meet its cash flow obligations as and when due. Credit risk arising from contract assets i.e. unbilled revenue are considered to have low credit risk as the counter parties have strong capacity to meet its cash flow obligations as and when due.

Credit risk arising from other balance with bank is limited and there is no collateral held against these because the counter parties are bank and recognised financial institutions with high credit ratings.

Refer note 20(a) for reconciliation of expected credit loss allowance.

In order to achieve this overall objective, the Company aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lender to immediately call loans and borrowings. The financial covenant for any interest-bearing loans and borrowings is tested as per the contractual agreements with lenders and management expects to meet all covenants till 31st March, 2027.

23.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

23.3.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

23.3.4 Liquidity risk

Ultimate responsibility for liquidity risk management rests with the Board of directors of the parent company, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages its funds from internal accruals, borrowings and fund raising through equity. The liquidity risk is managed by utilising banking facilities and by matching the maturity profiles of financial assets and liabilities.

As at the year ended March 31, 2026, the Company's current liabilities have exceeded the current assets by Rs. 733.34 million. Having regard to, undrawn facility of Rs 1,270 million, revenue generation from completion of ongoing projects, non-current lien marked fixed deposits of Rs. 87.78 million which may be used to repay current maturities of borrowings, predicated cash flows from operations in the financial year 2025-26 and the Board of Directors have concluded on the ability of the Company to generate sufficient future cash flows to be able to meet its obligations, as and when due, in the foreseeable future.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Maturities of financial liabilities:

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Particulars	Within twelve months	More than twelve months*	Total
As at 31st March, 2026			
Borrowings	79.12	2,119.26	2,198.38
Interest payable (future contractual outflow)**	131.87	1,299.50	1,431.37
Trade payables	16.81	-	16.81
Lease liabilities	9.44	366.65	376.09
Other financial liabilities	825.24	-	825.24
	1,062.48	3,785.41	4,847.89

Particulars	Within twelve months	More than twelve months*	Total
As at 31st March, 2025			
Borrowings	92.00	1,883.28	1,975.28
Trade payables	3.83	-	3.83
Lease liabilities	3.48	140.90	144.38
Other financial liabilities	16.60	-	16.60
	115.91	2,024.18	2,140.09

*The substantial maturity of the financial liabilities are beyond 5 years, hence time bands between 1 to 5 years are not relevant to users and accordingly not presented.

** Loan from the Parent Company is payable as and when the funds will be available with the Company and hence interest on such loans have not been disclosed above.

23.3.5 Interest risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant, the Company's loss for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Total exposure of the company to variable rate of borrowing	1,583.27	1,611.26
Impact on profit before tax for the year		
Increase in 50 basis points	(7.92)	(8.06)
Decrease in 50 basis points	7.92	8.06
Impact of pre-tax equity for the year		
Increase in 50 basis points	(7.92)	(8.06)
Decrease in 50 basis points	7.92	8.06

Exposure to Interest rate risk

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Financial Liabilities		
Fixed rate Instrument	571.06	319.80

The year end balances are not necessarily representative of the average debt outstanding during the year.

Footnote:

The transactions with related parties are made in the normal course of business and on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the period end are unsecured and settlement occurs in cash.

Note 25 : Income Taxes

25.1 Tax expenses recognised in Consolidated Statement of Profit and Loss

Current tax (A)
Deferred tax charge / (credit) (B)
Total tax expenses for the year (A + B)

	As at 31st March, 2026	As at 31st March, 2025
	-	-
	3.54	(4.35)
	3.54	(4.35)

The income tax expense for the year can be reconciled to the accounting profit as follows:

Profit/(Loss) before tax
Enacted income tax rate in India
Income tax expense calculated at 25.17%
Effect of items on which no deferred tax is created
Income tax expense recognised in the Statement of Profit and Loss

	For the year ended 31st March, 2026	For the year ended 31st March, 2025
	7.15	(17.42)
	25.17%	25.17%
	1.80	(4.38)
	1.74	0.03
	3.54	(4.35)

Note 25.2

Unrecognised tax losses

Unused tax losses for which no deferred tax asset has been recognised
Potential tax benefit @ 25.17% (F.Y 2024-25 25.17%)

	As at 31st March, 2025
	15.74
	3.96

Details of carried forward losses on which deferred tax is not recognised are as follows:

Business Loss

FY 23-24

	As at 31st March, 2025
Amount	Expiry Date
15.74	2031-32

Footnote:

During the current year ended 31st March, 2026, the Company has recognised deferred tax assets on brought forward business losses not recognised in earlier years, pursuant to reassessment of future taxable profits and recoverability of such losses.

Note 25.3

Deferred taxes

The following table provides the details of movement of deferred tax assets and liabilities:

For the year ended 31st March, 2026			
	As at 1st April, 2025	(Charged) / credited to Profit and Loss	As at 31st March, 2026
<u>Deferred tax liabilities</u>			
Difference between book balance and tax balance of property,plant and equipment	-	(327.82)	(327.82)
Unamortised borrowings costs capitalised	(4.53)	1.96	(2.57)
Right of Use Asset	-	(30.86)	(30.86)
<u>Deferred tax assets:</u>			
Lease liability (Net of right of use)	0.66	30.72	31.38
Unabsorbed depreciation and book losses	8.22	322.45	330.67
Deferred tax liability (net)	4.35	(3.54)	0.81

For the year ended 31st March, 2025			
	As at 1st April, 2024	(Charged) / credited to Profit and Loss	As at 31st March, 2025
<u>Deferred tax liabilities</u>			
Difference between book balance and tax balance of property,plant and equipment	-	-	-
Unamortised borrowing cost	-	(4.53)	(4.53)
Right of Use Asset	-	-	-
<u>Deferred tax assets:</u>			
Lease liability	-	0.66	0.66
Unabsorbed depreciation and book losses	-	8.22	8.22
Deferred tax asset (net)	-	4.35	4.35

Note : The company has long term power purchase contracts with it's customers which provide convincing evidence of the future taxable profits. Therefore, the deferred tax assets has been recognised.

Note 26 - Key Ratios**a) Current Ratio = Current Assets divided by Current Liabilities**

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
Current Assets	200.66	12.19	
Current Liabilities	934.00	117.26	
Ratio (in times)	0.21	0.10	110.00%

The ratio is increased due to increase in current assets during the year.

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
Total Debt	2,188.18	1,957.27	
Total Equity	1,346.99	1,008.78	
Ratio (in times)	1.62	1.94	-16.49%

c) Debt Service Coverage Ratio = Earnings available for debt services divided by total interest and principal repayments

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
EBITDA (A)	209.87	(5.37)	
Debt Service			
Lease repayment (B)	9.76	4.11	
Principal repayments and interest thereon (C) excluding refinancing	850.10	892.78	
Total debt service (D= B+C)	859.86	896.89	
Ratio (in times) (E=A/D)	0.24	(0.01)	-2500.00%

The ratio is increased due to profits during the current year.

d) Return on Equity Ratio = Net Profit after tax divided by Average Total Equity

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Net profit after tax	3.61	(13.07)	
Average Total Equity	1,177.89	1,015.32	
Ratio	-	(0.01)	-100.00%

The ratio is increased due to profits during the current year.

e) Inventory Turnover Ratio = Cost of goods sold divided by inventory

The above ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by trade receivables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Revenue from operations	237.50	-	
Average Trade Receivables	28.99	-	
Ratio (in times)	8.19	-	100.00%

The variance is due to revenue during the current year

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Purchases	25.83	2.93	
Average Trade Payables	10.32	2.29	
Ratio (in times)	2.50	1.28	95.31%

The ratio is increased due to increase in average trade payables and purchases.

Clean Max Terra Private Limited

CIN:U35105MH2023PTC406266

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

h) Net Working Capital Turnover Ratio = Sales divided by Working capital whereas net working capital= current assets - current liabilities

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Revenue from operations	237.50	-	
Current Assets (A)	200.66	12.19	
Current Liabilities (B)	934.00	117.26	
Net Working Capital (A-B)	(733.34)	(105.07)	
Average Working Capital	(419.21)	(287.94)	
Ratio	(0.57)	-	100.00%

The variance is due to revenue during the current year

i) Net profit ratio = Net loss after tax divided by Net Sales

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Net Profit after tax	3.61	(13.07)	
Revenue from operations	237.50	-	
Ratio	0.02	-	100.00%

The variance is due to increased profits and revenue during the current year

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Profit/(Loss) before tax (A)	7.15	(17.42)	
Finance Costs (B)	137.28	9.86	
EBIT (C) = (A)+(B)	144.43	(7.56)	
Total assets	4,505.38	3,041.12	
Less: Deferred tax assets	(0.81)	(4.35)	
Less: ROU assets	(122.62)	(50.67)	
Total (D)	4,381.95	2,986.10	
Total Liabilities	3,158.39	2,032.34	
Less: Lease liabilities	(124.68)	(53.29)	
Total (E)	3,033.71	1,979.05	
Tangible Net Worth (F)=(D)-(E)	1,348.24	1,007.05	
Total Debt (G)	2,188.18	1,957.27	
Capital Employed (H)=(F)+(G)	3,536.42	2,964.32	
Ratio (C)/ (H)	0.04	0.00	100.00%

The ratio is increased due to increase in profits during the period.

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note: The above ratio is not applicable as the Company has no other projects/ investments other than current operations.

Note 27 - Leases as per Ind AS 116

Amounts recognised in balance sheet

The balance sheet shows the following amounts relating to leases:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Right-of-use assets (Refer Note 2(a))	122.62	50.67
Total	122.62	50.67

Particulars	As at 31st March, 2026	As at 31st March, 2025
Lease liabilities		
Current	9.35	3.48
Non-current	115.33	49.81
Total	124.68	53.29

Movement in right of use assets and lease liabilities

Right of use assets	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Balance at the beginning of the year	50.67	-
Addition during the year	74.84	52.86
Depreciation	(2.88)	(2.19)
Balance at the end of the year	122.62	50.67

The Company has Land on lease. The Company's leases have remaining lease terms of 25 to 28 years.

Lease liabilities	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Balance at the beginning of the year	53.29	-
Addition during the year	74.84	52.86
Finance cost on Lease	6.31	4.54
Lease Liability Payments	(9.76)	(4.11)
Balance at the end of the year	124.68	53.29

Lease liabilities were measured at the present value of the remaining lease payments, discounted using the Company's incremental borrowing rate which ranges between 9.32% to 10.00% per annum.

Amounts recognised in the statement of profit and loss

The statement of profit or loss shows the following amounts relating to leases:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Depreciation expense on right-of-use assets	2.88	2.19
Interest expense on lease liabilities	6.31	4.54
Total	9.19	6.73

The undiscounted cash flow payable by the company is as follows:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Not later than 1 year	9.44	3.48
Later than 1 year and not later than 5 years	52.82	20.22
Later than 5 years	313.83	120.68
Total Lease Payments	376.09	144.38

Note 28: Trade Payables

Trade Payable Ageing Schedule*						
Particulars	Not due	0 - 1 Year	1 - 2 Years	2-3 Years	More than 3 years	Total
As at 31st March, 2026 (Undisputed)						
(i) Micro and small enterprise (MSME)	-	0.11	-	-	-	0.11
(ii) Others	0.13	16.53	0.04	-	-	16.70
Total	0.13	16.64	0.04	-	-	16.81

Trade Payable Ageing Schedule*						
Particulars	Not due	0 - 1 Year	1 - 2 Years	2-3 Years	More than 3 years	Total
As at 31st March, 2025 (Undisputed)

- b) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) No funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Note 37 : Disclosures required under Schedule III

- i. The Company has no relationship and transactions with struck off companies during the year and year ended 31st March, 2026.
- ii. The Company has not entered in scheme of arrangement under section 230 to 237 of Companies Act 2013.
- iii. The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- iv. The Company has complied with the number of layers prescribed under clause (87) of Section 2 of the Companies Act, 2013 read with the companies (Restriction on number of layer) Rules, 2017.

Note 38 : Events after reporting period

There are no significant subsequent events that would require adjustments or disclosures in the financial statements as on the balance sheet date.

Note 39: Corporate Social Responsibility ("CSR")

Company is not required to spend amounts on account of CSR as per Section 135 of Companies Act, 2013

Note 40

The Financial Statements of the Company have been approved for issuance in accordance with the resolution of the board of directors on 12th May, 2026

Note 41

Previous year financial statements were audited by a firm of chartered accountants other than B S R & Co. LLP.

Note 42

The accounts have not been authenticated by a whole-time secretary as required under Section 203 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 as the present whole-time secretary resigned on 30th January, 2026. The Company is in the process of appointing a whole-time secretary.

INDEPENDENT AUDITOR'S REPORT

To The Members of Clean Max Teton Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Clean Max Teton Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's report including the Annexures thereto, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Mumbai – 400075

Mobile: 9833388059 Email: dipeshruparelia@hsdr.in

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A 605, 6th Floor, Avion Aradhya One Earth A Meter Room, Pant Nagar, Ghatkopar East,
Mumbai – 400075

Mobile: 9833388059 Email: dipeshruparelia@hsdr.in

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (i) As required by Section 143(3) of the Act, based on our audit, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) The provisions of Section 197 read with Schedule V of the Act are not applicable to the Company for the period ended March 31, 2026.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief as disclosed in note 33 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented that, to the best of its knowledge and belief as disclosed in note 33 to the Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. No dividend has been declared or paid during the year by the Company.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Teton Private Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i)

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company has maintained proper records showing full particulars of intangibles assets.
- (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii)

- (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause (ii)(a) of the Order is not applicable to the Company.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause (ii)(b) of the Order is not applicable to the Company.

(iii)

- (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(a) of the Order is not applicable to the Company.

- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(b) of the Order is not applicable to the Company.
 - (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(c) of the Order is not applicable to the Company
 - (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(d) of the Order is not applicable to the Company.
 - (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(e) of the Order is not applicable to the Company.
 - (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(f) of the Order is not applicable to the Company.
- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause (iv) of the Order is not applicable to the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause (v) of the Order is not applicable to the Company.
- (vi) The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the services of the Company. Accordingly, reporting under clause (vi) of the Order is not applicable to the Company.

(vii)

(a) Undisputed statutory dues including goods and services tax, income-tax, and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of disputes.

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix)

(a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) Term loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

(x)

(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause (x)(a) of the Order is not applicable to the Company.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (b) The Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) No fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor or secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause (xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) The provisions of internal audit in view of Section 138 of Companies Act, 2013 are not applicable in case of the company. Therefore, the requirement to report under clause (xiv) of the Order is not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause (xv) of the Order is not applicable to the Company.
- (xvi)
- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The company is not a core investment company as defined by regulations made by Reserve Bank of India and hence reporting under clause (xvi)(c) is not applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Teton Private Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of **Clean Max Teton Private Limited** (the "Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note 1.1

GENERAL INFORMATION

Clean Max Teton Private Limited (herein after referred to as "the Company") incorporated on 07th June, 2024 and is engaged in the business of generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13A, Plot 400, Peregrine Apt, SVS Marg, Prabhadevi, Mumbai 400025, Maharashtra, India.

The Financial Statements for the year ended 31st March, 2026 were approved by the Board of Directors an authorised for issue on 06th May, 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Clean Max Teton Private Limited

CIN: U35105MH2024PTC426664

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian rupees in million, unless otherwise stated)

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(i) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(j) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(k) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(l) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented. Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(m) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (d) above.

Note 1.4

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a)MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

As at 31st March, 2025	-	1.58	-	1.58	-	-	-	-	1.58

Footnotes:

- (a) The Company is not holding any benami property under the prohibition of Benami Property Transactions Act, 1988.
(b) The title deeds/lease deeds of Immovable properties are held in the name of the Company.
(c) For details of pledged assets refer note 12(b)
(d) Figures in italic represent previous year figures.
(e) Change in useful life estimate:
During the year ended 31st March, 2026, the Company conducted an operational efficiency review of its Power Plant. Based on the review, with effect from 1st January, 2026 the expected useful life of Power Plant has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.

The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
(Decrease)/ Increase in depreciation expense*	(1.15)	(4.89)	(4.89)	(4.89)	(4.89)	(4.89)

* Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

Number of equity shares (Nos.)
Earnings per share (in Rs.) (not annualized) (Refer Note 21(a))

For the period ended 31st March, 2026	For the period 07th June, 2024 to 31st March, 2025
(8.38)	(0.14)
2,29,27,398	10,000
3,24,31,900	10,000
(0.37)	(12.88)

Footnote:

The Company has not issued any potential equity shares. Since the Company has not issued any instruments which are potential equity shares, there is no dilution effect in Basic EPS of the Company.

Note 22: Financial Instruments

22.1 Capital management

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The capital structure of the Company consist of equity share capital and other equity. The Company also has obtained unsecured borrowings.

The management reviews the capital structure on a quarterly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the period is as follows

Particulars	As at 31st March, 2026	As at 31st March, 2025
	(Rs. In Millions)	(Rs. In Millions)
Debt (i)	725.15	0.06
Less: Cash and cash equivalents	-	0.04
Net Debt (A)	725.15	0.02
Total capital (ii)	305.91	(0.04)
Capital and Net debt (B)	1,031.06	(0.02)
Net Debt to Total Capital plus net debt ratio% (A/B)	70%	-100%

(i) Debt is defined as Current and Non-current borrowings

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the period ended 31st March, 2026.

22.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

22.3 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

22.3.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Bank balances are held with reputed and creditworthy banking institutions.

22.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

22.3.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

22.3.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held. There is no price risk applicable to the Company as it does not hold any investments in other companies.

22.3.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	25.37	742.06	767.43
Trade payables	16.23	-	16.23
Current financial liabilities	731.66	-	731.66
	773.26	742.06	1,515.32
Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2025			
Borrowings	0.06	-	0.06
Trade payables	0.03	-	0.03
Current financial liabilities	1.58	-	1.58
	1.67	-	1.67

22.3.6 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant ,the Company's loss for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the period 07th June, 2024 to 31st March, 2025
Total exposure of the company to variable rate of borrowing	715.52	-
Impact on loss before tax for the year	3.58	0.00

Note 23 : Income Taxes

23.1 The income tax expense for the period can be reconciled to the accounting profit as follows:

Particulars	For the year ended 31st March, 2026	For the period 07th June, 2024 to 31st March, 2025
Loss before tax	(11.38)	(0.14)
Enacted income tax rate in India	25.17%	25.17%
Income tax expense calculated at 25.17%	(2.86)	(0.04)
Others	2.86	0.04
Income tax expense recognised in Statement of Profit and Loss	(3.00)	-

23.2

The tax rate used for the period ended 31st March, 2026 is 25.17%.The reconciliations above is the corporate tax rate of payable by corporate entities in India on taxable profits under the Indian tax law.

Note 25 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
Current Assets	44.20	0.05	
Current Liabilities	775.57	1.68	
Ratio	0.06	0.03	100%

The increase in ratio is on account of increase in current assets at higher rate than current liabilities

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
Total Debt	725.15	0.06	
Total Equity	305.91	(0.04)	
Ratio	2.37	(1.50)	-258%

The variance is on account of increase in debt levels

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
EBITDA	39.62	(0.14)	
Total interest and principal repayments	200.00	-	
Ratio	0.20	-	NA

The ratio was not applicable in previous year as there were no principal or interest repayments

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Average Equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the period 07th June, 2024 to 31st March, 2025	Change (%)
Net loss after tax attributable to owners of the Company	(8.38)	(0.14)	
Equity attributable to owners of the Company	305.91	(0.04)	
Ratio	(0.03)	3.50	-101%

The variance is on account of equity infusion during the year.

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory -

The above ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average trade receivables

The above ratio is not applicable as there is no trade receivable

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	For the year ended 31st March, 2026	For the period 07th June, 2024 to 31st March, 2025	Change (%)
Purchases	7.73	-	
Average Trade Payables	8.13	0.09	
Ratio	0.95	-	NA

The variance in the ratio is due to increase in trade payable.

h) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Sales	61.54	-	
Current Assets (A)	44.20	0.05	
Current Liabilities (B)	775.57	1.68	
Net Working Capital (A-B)	(731.37)	(1.63)	
Average Working Capital	(366.50)	(0.82)	
Ratio	(0.17)	-	NA

The variance in the ratio due to revenue generated during the year

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net Profit/(loss) after tax	(8.38)	(0.14)	
Net Sales	61.54	-	
Ratio	(0.14)	-	NA

The variance in the ratio due to revenue generated

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the period 07th June, 2024 to 31st March, 2025	Change
Net loss after tax(A)	(8.38)	(0.14)	
Finance Costs (B)	36.64	-	
Total Tax Expense (C)	(3.00)	-	
EBIT (D) = (A)+(B)+(C)	25.26	(0.14)	
Total equity (E)	305.91	(0.04)	
Total debt (F)	725.15	0.06	
Capital Employed (I)=(E)+(F)	1,031.06	0.02	
Ratio (D)/(I)	0.02	(7.00)	-100%

The variance is on account of debt taken during the year and equity infusion made during the year

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note : The above ratio is not applicable as the Company has no other investments other than current operations

Note 26 - Trade Payable Ageing

Trade Payable Ageing Schedule*						
Particulars	Not due	Less than 1 year	1 - 2 Years	2-3 Years	> 3 Years	Total
As at 31st March, 2026						
Undisputed

Note 30: Corporate Social Responsibility ("CSR")
Company is not required to spend amounts on account of CSR as per Section 135 of Companies Act, 2013

Note 31: Trade Payable

31 (a): Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

(i) The amount due to Micro and Small Enterprises as defined in the “The Micro, Small and Medium Enterprises Development Act, 2006” has been determined to the extent such parties have been identified on the basis of information collected by the Management.

(ii) The Disclosure relating Micro and Small Enterprises is as under:

Particulars	As at 31st March, 2026	As at 31st March, 2025
(i) The principal amount remaining unpaid to any supplier as at the end of the accounting period	0.07	0.03
(ii) Interest on above	-	-
(iii) The amount of interest paid along with the principal payment made to the supplier beyond the appointed date during the period	-	-
(iv) Amount of interest due and payable on delayed payments	-	-
(v) Amount of further interest remaining due and payable for the earlier years	-	-
(vi) Amount of Interest payable on last years interest outstanding	-	-
(vii) Total outstanding dues of Micro and Small Enterprises		
- Principal	0.07	0.03
- Interest	-	-

Note 32: Going concern

As at 31st March, 2026 the company current liabilities have exceeded the current assets by Rs. 731.37 millions which is majorly on account of Payables on purchase of property, plant and equipment amounting to Rs.731.63 millions payable to group companies. Further deficit in meeting its current obligations will be met through capital infusion by Cleanmax Enviro Energy Solutions Limited (Parent Company)[Formerly know as Clean Max Enviro Solutions Private Limited]. Management is confident of its ability to generate future cash inflows from operations so that it would be able to meet its obligations on due dates. On these considerations, these financial statements are prepared on a going concern basis.

Note 33: Other Regulatory Disclosures relating to borrowings and loans

a) The Company has not given Loans or advances in the nature of loans to promoters, directors, KMPs and the related parties, that are repayable on demand or without specifying any terms or period of repayment.

b) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) No funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Note 34 : Disclosures required under schedule III

i. The Company has no relationship and transactions with struck off companies.

ii. The Company has not entered in scheme of arrangement under section 230 to 237 of Companies Act 2013.

iii. The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

iv. The Company has complied with the number of layers prescribed under clause (87) of Section 2 of the Companies Act, 2013 read with the companies (Restriction on number of layer) Rules, 2017.

Note 35
(a) These are the company's first financial statements and hence there are no comparative figures.
(b) Wherever the figures are less than the denomination disclosed, the figures do not appear.
(c) The Company has evaluated subsequent events from the balance sheet date till the date on which financial statements are approved and determined that there are no items to report.

INDEPENDENT AUDITOR'S REPORT

To The Members of Clean Max Thanos Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Clean Max Thanos Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's report including the Annexures thereto, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (i) As required by Section 143(3) of the Act, based on our audit, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) The provisions of Section 197 read with Schedule V of the Act are not applicable to the Company for the period ended March 31, 2026.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief as disclosed in note 36 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented that, to the best of its knowledge and belief as disclosed in note 36 to the Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. No dividend has been declared or paid during the year by the Company.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Thanos Private Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i)
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause (i)(a)(B) of the Order is not applicable to the Company.
 - (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
 - (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
 - (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
 - (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii)
 - (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause (ii)(a) of the Order is not applicable to the Company.
 - (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause (ii)(b) of the Order is not applicable to the Company.
- (iii)
 - (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(a) of the Order is not applicable to the Company.

- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(b) of the Order is not applicable to the Company.
 - (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(c) of the Order is not applicable to the Company.
 - (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(d) of the Order is not applicable to the Company.
 - (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(e) of the Order is not applicable to the Company.
 - (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(f) of the Order is not applicable to the Company.
- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause (iv) of the Order is not applicable to the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause (v) of the Order is not applicable to the Company.
- (vi) The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the services of the Company. Accordingly, reporting under clause (vi) of the Order is not applicable to the Company.

(vii)

(a) Undisputed statutory dues including goods and services tax, income-tax, and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of disputes.

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix)

(a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) Term loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

(x)

(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause (x)(a) of the Order is not applicable to the Company.

CHARTERED ACCOUNTANTS

- (b) The Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) No fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor or secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause (xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) The provisions of internal audit in view of Section 138 of Companies Act, 2013 are not applicable in case of the company. Therefore, the requirement to report under clause (xiv) of the Order is not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause (xv) of the Order is not applicable to the Company.
- (xvi)
- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The company is not a core investment company as defined by regulations made by Reserve Bank of India and hence reporting under clause (xvi)(c) is not applicable.

- (d) The Group does not have any Core Investment Company as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses in the current financial year. The Company has not incurred cash losses during the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause (xviii) is not applicable.
- (xix) On the basis of the financial ratios disclosed in note 26, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report which is not mitigated indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provision of section 135 of the Companies Act, 2013 on Corporate Social Responsibility are not applicable to the company. Accordingly, the requirement to report on clause (xx) of the Order is not applicable to the Company.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Thanos Private Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of **Clean Max Thanos Private Limited** (the "Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to

A 605, 6th Floor, Avion Aradhya One Earth A Meter Room, Pant Nagar, Ghatkopar East,

CHARTERED ACCOUNTANTS

financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note 1.1

GENERAL INFORMATION

Clean Max Thanos Private Limited (the "Company") is a private limited Company incorporated on 25th August, 2022 and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Kismat Cinema, Prabhadevi, Mumbai 400025, Maharashtra, India

The Company is in the business of generation and sale of power through solar and wind hybrid project.

The Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors and authorised for issue on 6th May, 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(i) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(j) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(k) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(l) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented.

Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(m) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (d) above.

Note 1.4

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a)MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

Footnotes 2 :

- (i) For assets under charge as security against the borrowings, refer Note 13.
(ii) The Company is not holding any benami property under the Prohibition of Benami Property Transactions Act, 1988.
(iii) The title deeds / lease agreement of immovable properties are held in the name of the Company.
(iv) Figures in italic represents previous year figures
(v) Change in useful life estimate:
During the year ended 31st March, 2026, the Group conducted an operational efficiency review of its Power Plant. Based on the review, with effect from 1st January, 2026 the expected useful life of Power Plant has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.

The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
(Decrease)/ Increase in depreciation expense*	(0.73)	(2.89)	(2.89)	(2.89)	(2.89)	(2.89)

* Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

Note 23: Financial Instruments

23.1 Capital management

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The Company also has obtained borrowings which are secured against the assets owned by the Company and unsecured borrowings from parent company.

The management reviews the capital structure on a quarterly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows

Particulars	As at 31st March, 2026	As at 31st March, 2025
	(Rs. In Millions)	(Rs. In Millions)
Debt (i)	353.34	364.97
Less: Cash and cash equivalents	-	0.49
Net Debt (A)	353.34	364.48
Total capital (ii)	96.35	111.04
Capital and Net debt (B)	449.69	475.52
Net Debt to Total Capital plus net debt ratio% (A/B)	78.57%	76.65%

(i) Debt is defined as Current and Non-current borrowings

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the period ended 31st March, 2026.

23.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

23.3 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

23.3.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Bank balances are held with reputed and creditworthy banking institutions.

23.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

23.3.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

23.3.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

23.3.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	14.06	330.98	345.04
Trade payables	11.61	-	11.61
Other financial liabilities	1.00	-	1.00
Lease Liabilities	1.02	21.79	22.81
	27.69	352.77	380.46
Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2025			
Borrowings	11.80	344.73	356.53
Trade payables	5.99	-	5.99
Other financial liabilities	7.53	-	7.53
Lease Liabilities	1.02	22.81	23.83
	26.34	367.54	393.88

23.3.6 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant ,the Company's loss for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Total exposure of the company to variable rate of borrowing	261.41	173.22
Impact on loss before tax for the year	1.31	0.87

The year end balances are not necessarily representative of the average debt outstanding during the year.

Note 24 : Income taxes

24.1 The income tax expense for the year can be reconciled to the accounting profit as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Loss before tax	(17.48)	(15.25)
Enacted income tax rate in India	17.16%	17.16%
Income tax expense calculated at 17.16%	(3.00)	(2.62)
Others	0.21	0.22
Effect of items on which no deferred tax is created	-	-
Income tax expense recognised in Statement of Profit and Loss	(2.79)	(2.40)

Note 24.2

The tax rate used for the year ended 31st March, 2026 and year ended 31st March, 2025 is at 17.16%. The reconciliations above is the corporate tax rate of payable by corporate entities in India on taxable profits under the Indian tax law.

Note 24.3 Deferred taxes

The following table provides the details of movement of deferred tax assets and liabilities:

For the year ended 31st March, 2026

Item of deferred tax asset/(liability)	Opening Balance	(Charge)/Credit in P&L	Closing Balance
<u>Deferred tax liabilities</u>			
Property, Plant and Equipments	(41.79)	41.79	-
Lease Liability	1.63	(1.64)	(0.01)
ROU	(1.69)	1.69	-
Fixed Assets	-	(49.71)	(49.71)
<u>Deferred tax assets:</u>			
Unabsorbed depreciation and Carried forward losses	47.36	10.68	58.04
Unamortised borrowing cost	1.45	(1.45)	-
Allowance for doubtful debts	-	0.01	0.01
Unamortized BC and Process fees allowed on payment basis	-	1.42	1.42
Deferred tax assets/(liabilities) (net)	6.96	2.79	9.75

For the year ended 31st March, 2025

Item of deferred tax asset/(liability)	Opening Balance	(Charge)/Credit in P&L	Closing Balance
<u>Deferred tax liabilities</u>			
Property, Plant and Equipments	(24.31)	(17.48)	(41.79)
Lease Liability	-	1.63	1.63
ROU	-	(1.69)	(1.69)
<u>Deferred tax assets:</u>			
Unabsorbed depreciation and Carried forward losses	29.53	17.83	47.36
Unamortised borrowing cost	2.12	-0.67	1.45
Deferred tax assets/(liabilities) (net)	7.34	-0.38	6.96

Note 25 : Related Party disclosure

Trade Receivables	7.06	-
Unbilled Revenue	6.63	-

Note 26 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Changes(%)
Current Assets	29.18	21.51	
Current Liabilities	28.14	26.76	
Ratio	1.04	0.80	30%

The ratio has increased due to increase in current assets

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Changes(%)
Total Debt	353.34	370.24	
Total Equity	96.35	111.04	
Ratio	3.67	3.33	10%

The variance in ratio is due to decrease in total equity during the period.

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Changes(%)
EBITDA	36.11	35.81	
Total interest and principal repayments	(59.22)	125.75	
Ratio	(0.61)	0.28	-318%

The ratio has decreased due to decrease in principal repayment.

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Average Equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Changes(%)
Net loss after tax attributable to owners of the Company	(14.69)	(12.85)	
Equity attributable to owners of the Company	103.70	111.04	
Ratio	(0.14)	(0.12)	17%

The variance in ratio is due to decrease in equity during the year.

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory

The above ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average trade receivables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Sales	45.47	43.81	
Trade Receivables	7.01	-	
Ratio	6.49	-	100.00%

The ratio has increased due to increase in trade receivables during the year.

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Changes(%)
Purchases	8.15	7.96	
Trade Payables	11.61	5.26	
Ratio	0.70	1.51	-54%

The ratio has decreased due to increase in purchases during the year.

Clean Max Thanos Private Limited

CIN:U40107MH2022PTC389262

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian Rupees in Millions)

h) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Changes(%)
Sales	45.47	43.81	
Current Assets (A)	29.18	21.51	
Current Liabilities (B)	28.14	26.76	
Net Working Capital (A-B)	1.04	(5.25)	
Average Working Capital	(2.11)	(40.47)	
Ratio	(21.55)	(1.08)	1895%

The ratio has decreased due to decrease in average working capital during the year.

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Changes(%)
Net loss after tax	(14.69)	(12.85)	
Net Sales	45.47	43.81	
Ratio	(0.32)	(0.29)	10%

The ratio has changed due to increase in sales during the period.

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Changes(%)
Net loss after tax(A)	(14.69)	(12.85)	-
Finance Costs (B)	37.70	34.55	-
Total Tax Expense (C)	(2.79)	(2.40)	-
EBIT (D) = (A)+(B)+(C)	20.22	19.30	-
Total equity (E)	96.35	111.04	-
Total debt (F)	353.34	370.24	-
Capital Employed (I)=(E)+(F)	449.69	481.28	-
Ratio (D)/(I)	0.04	0.04	0%

The ratio has remain unchanged during the year.

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note: The above ratio is not applicable as the Company has no other investments other than current operations.

Note 27

As Lessee

The Company has entered into long term lease contracts for land. The Company has considered hindsight information in order to determine the lease term for recognition of ROU asset and lease liabilities.

Amounts recognised in balance sheet

The balance sheet shows the following amounts relating to leases:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Right-of-use assets	9.43	9.84
Total	9.43	9.84

Particulars	As at 31st March, 2026	As at 31st March, 2025
Lease liabilities		
Current	1.02	1.02
Non-current	8.33	8.46
Total	9.35	9.48

Movement in right of use assets and lease liabilities

Right of use assets	As at 31st March, 2026	As at 31st March, 2025
Opening	9.84	-
Addition/Modification During Year	-	10.14
Depreciation	(0.41)	(0.30)
Closing balance	9.43	9.84

Lease liabilities	As at 31st March, 2026	As at 31st March, 2025
Opening	9.48	-
Addition/Modification During Year	-	10.14
Finance cost	0.90	0.96
Lease liability payments	(1.03)	(1.62)
Closing balance	9.35	9.48

Amounts recognised in the statement of profit and loss
The statement of profit or loss shows the following amounts relating to leases:

Independent Auditor's Report

To the Members of Clean Max Theia Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Clean Max Theia Private Limited (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its loss and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Independent Auditor's Report (Continued)

Clean Max Theia Private Limited

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a. The financial statements of the Company for the year ended 31 March 2025 were audited by the predecessor auditor who had expressed an unmodified opinion on 23 May 2025.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement

Independent Auditor's Report (Continued)

Clean Max Theia Private Limited

on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 A. As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31 March 2026 and 01 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 38(b) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 38(c) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures that have been considered reasonable and appropriate in the

Independent Auditor's Report (Continued)

Clean Max Theia Private Limited

circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- e. The Company has neither declared nor paid any dividend during the year.
- f. Based on our examination which included test checks, except for the instance mentioned below, the Company has used accounting software maintaining the books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. The feature of recording audit trail (edit log) was not enabled at the database level for the period from 1 April 2025 to 27 March 2026 to log any direct data changes for the accounting software used for maintaining the books of account relating to general ledger. Further, for the periods where audit trail (edit log) facility was enabled and operated, we did not come across any instance of audit trail feature being tampered. Additionally, where the audit trail (edit log) functionality was enabled and operated in the previous years the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor’s Report on the Financial Statements of Clean Max Theia Private Limited for the year ended 31 March 2026

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Right of Use Assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified every year. In accordance with this programme, all property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company, except for the following which are not held in the name of the Company:

Description of property	Gross carrying value (Rs. In millions)	Held in the name of	Whether promoter, director or their relative or employee	Period held- indicate range, where appropriate	Reason for not being held in the name of the Company. Also indicate if in dispute
Parcel of freehold admeasuring 1.96 acres	1.47	Various individuals as disclosed in Clause 2(a)(vii)	No	11 July 2023	The Company is in the process of completing the formalities in relation to the correction of the document
Parcel of leasehold land admeasuring	3.48	Various individuals as disclosed in Clause	No	29 November 2024	The Company is in the process

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Theia Private Limited for the year ended 31 March 2026 (Continued)

Description of property	Gross carrying value (Rs. In millions)	Held in the name of	Whether promoter, director or their relative or employee	Period held- indicate range, where appropriate	Reason for not being held in the name of the Company. Also indicate if in dispute
11.60 acres		2(a)(vii)			of completing the formalities in relation to the correction of the document

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company is engaged in the business of generation and sale of electricity. Accordingly, it does not hold any physical inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security and therefore the relevant provisions of Sections 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company. Accordingly, clause 3(iv) of the Order is not applicable.

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Theia Private Limited for the year ended 31 March 2026 (Continued)

- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of the activities performed by the Company and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Income-Tax or Cess or other statutory dues have generally been regularly deposited by the Company with the appropriate authorities, though there have been slight delays in a few cases of Goods and Service Tax.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Income-Tax or Cess or other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to Goods and Service Tax, Income-Tax or Cess or other statutory dues, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(e) is not applicable.
- (f) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(f) is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Theia Private Limited for the year ended 31 March 2026 (Continued)

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported for the period covered under audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us, the Group (as defined in the regulations made by the Reserve Bank of India) does not have CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been resignation of the statutory auditors during the year and based on the information and explanations given to us by the management and the response received by us pursuant to our communication with the outgoing auditors, there have been no issues, objections or concerns raised by the outgoing auditors.
- (xix) We draw attention to Note 35 to the financial statements which explains that the Company has incurred losses in current year and previous year and has accumulated losses as at 31 March 2026. Further, the Company's current liabilities exceed its current assets as at 31 March 2026 by Rs. 57.86 million.

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Theia Private Limited for the year ended 31 March 2026 (Continued)

On the basis of the above and according to the information and explanations given to us, on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) The requirements as stipulated by the provisions of Section 135 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor’s Report on the financial statements of Clean Max Theia Private Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Clean Max Theia Private Limited (“the Company”) as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

Annexure B to the Independent Auditor’s Report on the financial statements of Clean Max Theia Private Limited for the year ended 31 March 2026 (Continued)

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Statement of Cash flows for the year ended 31st March, 2026
(Currency: Amount in ₹ million unless otherwise stated)

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
A. Cash flows from operating activities		
Loss before tax	(109.69)	(51.87)
Adjustments for:		
Depreciation and amortisation expenses	176.06	183.28
Amortisation of Common infrastructure charges	18.37	18.39
Finance costs	404.53	390.66
Interest on income tax refund	(0.03)	(0.18)
Expected credit loss allowance	(0.20)	-
Bad debts written off **	0.00	-
Notional gain on remeasurement of financial liability	-	(1.73)
Interest income on fixed deposits	(12.99)	(6.73)
Unwinding of interest on security deposit	(0.43)	-
Operating profit before working capital changes	475.62	531.82
Changes in working capital		
Adjustments for (increase) / decrease in operating assets:		
Trade receivables	(15.70)	70.48
Other financial assets	22.76	-
Other assets	(17.38)	(10.53)
Adjustments for increase / (decrease) in operating liabilities:		
Trade payables	21.62	(33.69)
Other financial liabilities	(1.40)	-
Other liabilities	(0.06)	0.17
Cash generated from operating activities	485.46	558.25
Income taxes refund / (paid)(net)	(2.31)	3.90
Net cash flows generated from operating activities (A)	483.15	562.15
B. Cash flows from investing activities		
Capital expenditure on property, plant and equipment	(12.51)	(312.94)
Interest received	13.49	1.06
Movement in fixed deposits (net)*	(27.41)	(121.05)
Movement of use of restricted bank balance(net)*	(23.60)	(77.80)
Net cash flows used in investing activities (B)	(50.03)	(510.73)
C. Cash flows from financing activities		
Proceeds from non current borrowings	-	628.79
Proceeds from non current borrowings from related party	95.94	-
Repayment of non current borrowings	(136.56)	(280.32)
Repayment of current borrowings (net)*	-	(13.15)
Finance cost paid	(391.16)	(381.49)
Payment of lease liabilities	(0.72)	(2.43)
Transaction cost related to borrowings	(0.62)	(2.82)
Net cash flows used in financing activities (C)	(433.12)	(51.42)
Net decrease in cash and cash equivalents (A+B+C)	-	-
Cash and cash equivalents at the beginning of the year	-	-
Cash and cash equivalents at the end of the year (Refer note 7)	-	-

Note:

The above Cash Flow has been prepared under the "Indirect Method" as set out in Indian Accounting Standard (Ind AS) 7- Statement of Cash Flows.

*Includes transactions where turnover is quick, amounts are large and maturities are short.

** The figures are less than the denomination disclosed, hence the figures do not appear.

Refer note 34 for reconciliation of changes in liabilities arising from financing activities.

The accompanying notes form an integral part of these financial statements. (Refer Note 1 to 41)

Note 1.1
CORPORATE INFORMATION

Clean Max Theia Private Limited (the "Company") is a private company incorporated on 5th May 2022 and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Kismat Cinema, Prabhadevi, Mumbai 400025, Maharashtra, India.

The Company is engaged in the business of generation and sale of electricity through solar and wind hybrid project.

The Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors and authorised for issue on 12th May, 2026.

Note 1.2
BASIS OF PREPARATION AND ACCOUNTING

The Financial Information of the Company comprises the Statement of Assets and Liabilities as at 31st March 2026 and 31st March 2025; the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, and the Statement of Cash Flows for year ended 31st March 2026, and for the year ended 31st March 2025, the material accounting policies and other explanatory information and notes (collectively, the 'Financial Information').

The Financial Information have been prepared on a going concern basis. The accounting policies are applied consistently to all the years presented in the Financial Information.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS. These Financial Statements were authorised for issue by the Company's board of directors on 12th May, 2026. These Financial Statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest million, unless otherwise indicated.

The principal accounting policies are set out below.

Note 1.3
MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue excludes indirect taxes which are collected on behalf of Government.

(i) Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods/services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

(ii) Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue is recognised for work performed under a contract but has not yet been invoiced to the customer on account of estimation and judgement involved.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Other income

Interest income:

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR), which is the rate that discounts the estimated future cash payments or receipts through the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial assets on initial recognition. Interest income is included in Other income in the Statement of Profit or Loss.

(c) Foreign Currencies

The functional currency of the Company is the Indian rupee (Rs.).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in Statement of Profit and Loss.

Foreign currency denominated non - monetary assets and liabilities that are measured at historical cost are not retranslated.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

a.Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognised in the Statement of Profit and Loss except to the extent that the tax relates to items recognised outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

The Company has accounted income tax based on annualized performance of the Company in accordance with Ind AS 34 for the year ended 31st March 2026 and 31st March 2025.

b.Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statement and the corresponding tax bases used in the computation of taxable profit.

Deferred tax is not recognised for:

• temporary differences on the initial recognition of assets or liabilities in a transaction that:

-is not a business combination; and

-at the time of the transaction (i) affects neither accounting nor taxable profit or loss and (ii) does not give rise to equal taxable and deductible temporary differences

• temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and

• taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on the reversal of relevant taxable temporary differences. If the amount of taxable temporary differences is insufficient to recognise a deferred tax asset in full, then future taxable profits, adjusted for reversals of existing temporary differences, are considered, based on the business plans for individual subsidiaries in the Company. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(e) Property, Plant and Equipment, Capital work in progress and Depreciation

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Interest on borrowed money allocated to and utilized for qualifying assets pertaining to the period up to the date of capitalization is added to the cost of the assets. Freehold land is not depreciated.

Any gain or loss arising on derecognition / disposal of an asset is included in profit or loss.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant, Wind Farms and Hybrid Farms where the life is considered as 25 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

However, with effect from 1st January, 2026 the expected useful life of new technology solar and wind assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

(f) Other Intangible Assets and Amortisation

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses (if any). Amortization is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

The estimated useful lives of other intangible assets for current and comparative periods are as follows:

Category of Asset	Useful Life
Commercial Right to use lease hold land	-25-30 years

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

(g) Impairment of non-financial assets

At each reporting date, non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortization and are tested annually for impairment.

(h) Impairment of financial assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Company assesses ECL associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ('C&I') customers. Delayed payment carries interest as per the terms of agreements with C&I customers. The Company uses practical expedient for computing the Impairment losses on trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information, including a single-factor macroeconomic adjustment.

(i) Financial Instruments

Financial assets

Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate and recorded at transaction price. The Company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets (excluding trade receivables that are recorded at transaction price) are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified in three categories:

•Financial assets at Amortised cost

A financial asset is measured at amortised cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest (EIR) method. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR and reported as part of interest income in the Statement of Profit and Loss. The losses if any, arising from impairment are recognised in the Statement of Profit and Loss.

•Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognised in the Statement of Profit and Loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

•Financial assets at fair value through other comprehensive income (FVOCI) – debt investment

A debt investment is measured at FVOCI if both of the following conditions are met:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at fair value. Interest income is recognised using the effective interest (EIR) method. The loss allowance is recognized in other comprehensive income and does not reduce the carrying value of the financial asset. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of Profit and Loss.

•Financial assets at fair value through other comprehensive income (FVOCI) – equity investment

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income. This election is made on an investment-by-investment basis.

After initial measurement, such financial assets are subsequently measured at fair value. Dividends are recognised as income in Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Statement of Profit and Loss.

Derecognition of financial asset

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred substantially all the risks and rewards of the asset, or
- the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

Classification

All financial liabilities are subsequently measured at amortised cost.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised. Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Share capital

Ordinary equity shares

Incremental costs directly attributable to the issue of ordinary equity shares and share options are recognised as a deduction from equity, net of any tax effects.

Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for financial and non-financial assets and liabilities. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(j) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(k) Leases

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The Company assesses, whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves:

- (a) the use of an identified asset,
- (b) the right to obtain substantially all the economic benefits from use of the identified asset, and
- (c) the right to direct the use of the identified asset.

The Company as a lessee

Right to Use Asset

The Company at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right of use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

Category	Useful Life
Leasehold land	30 years

The Company applies Ind AS 36 to determine whether a Right-of-Use asset is impaired and accounts for any identified impairment loss in the Statement of Profit and Loss as described in the note (m).

Lease liabilities

For lease liabilities at inception, the Company measures the lease liability at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest considering effective interest rate and reduced for the lease payments made. The Company recognizes the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use assets is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognizes any remaining amount of the re-measurement in the Statement of Profit and Loss.

(l) Provisions, contingent liabilities and contingent asset

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are discounted to their present value at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed for possible obligations which will be confirmed only by future events not wholly within the control of the Company; or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the Financial Statement. However, the same are disclosed in the Financial Statement where an inflow of economic benefit is probable.

(m) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

The weighted average number of equity shares outstanding is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

(n) Earnings before interest, tax, depreciation, impairment and amortization (EBITDA)

The Company presents EBITDA in the Statement of Profit and Loss; this is not specifically required by Ind AS 1. The term EBITDA is not defined in Ind AS. Ind AS compliant Schedule III allows companies to present line items, sub-line items and sub-totals as an addition or substitution on the face of the financial statements when such presentation is relevant to an understanding of the Company's financial position or performance to or to cater to industry/sector-specific disclosure requirements or when required for compliance with the amendments to the Companies Act or under the Indian Accounting Standards.

Measurement of EBITDA

Accordingly, the Company has elected to present EBITDA as a separate line item on the face of the Statement of Profit and Loss. In its measurement, the Company does not include exceptional items, depreciation, impairment and amortisation expenses, finance costs, share of profit from joint ventures and associate and income tax expense.

(o) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(p) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(q) Borrowing cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

The Company suspends capitalization of borrowing costs during extended periods in which it suspends active development of a qualifying asset.

The entity determines the amount of borrowing costs eligible for capitalization as the actual borrowing costs incurred on that borrowing during the period less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. If any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. In case if the entity borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalization are determined by applying a capitalization rate to the expenditure on that asset.

(r) Prepaid Common Infrastructure Facility Charges

Prepaid common infrastructure facility charges represent upfront payments made to secure the right to use the common infrastructure facilities, where ownership remains with a third party. These payments are recognised as assets at the amount paid on the date the right is obtained and amortised over the period of use.

(s) **Critical accounting judgements and key sources of estimation uncertainty**

The preparation of Financial Statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities/contingent assets as at the date of the Financial Statement and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the Financial Statement pertain to:

•**Useful lives of property, plant and equipment and other intangible assets:** The Company reviews the useful life of property, plant and equipment and other intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortization expense in future periods.

•**Impairment of non-financial assets including ROU asset:** The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results, growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

•**Impairment of financial assets:** The impairment provision for financial assets (other than trade receivables) are based on assumptions of risk of default and expected loss rates. The Company makes judgements about these assumptions for selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Trade receivables are stated at their transaction values as reduced by appropriate allowances for estimated irrecoverable amounts which are based on the aging of the receivable balances and historical experiences. Individual trade receivables are written off when management deems them not be collectible.

•**Recognition of deferred tax asset:** The deferred tax assets in respect of brought forward business losses is recognised based on reasonable certainty of the projected profitability, determined on the basis of approved business plans, to the extent that sufficient taxable income will be available to absorb the brought forward business losses. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

Note 1.4

RECENT PRONOUNCEMENTS

The Ministry Of Corporate Affairs ("MCA") notifies new standards or amendments to the existing Standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial Statements.

In August 2025, MCA notified the following amendments to:

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

- Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

- Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

Footnotes:

- (i) The Company is not holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988).
- (ii) For details of pledged assets, refer note 13(b).
- (iii) The Company makes an assessment for impairment of Property, Plant and Equipment when facts and circumstances indicate that carrying values of such assets may not be recoverable. When evaluating for impairment, the carrying value of the asset is compared to the asset's estimated future discounted cash flows. The trigger for impairment occurs if the estimated discounted future cash flows are less than the carrying value of the asset. The value of impairment is determined by comparing the carrying value of the asset to the asset's recoverable value and recognize an impairment charge when the asset's carrying value exceeds its estimated recoverable value. The recoverable value of the asset is estimated using a discounted cash flow model based on forecasted future revenues and operating costs, using internal projections. For such projections, discount rate of 8.53% (31st March, 2025: 10.5%) has been considered. Discount rate has been determined considering the Weighted Average Cost of Capital (WACC) of market benchmarks. Depreciation for the year includes impairment of Rs. Nil (31st March, 2025: Rs. Nil)
- (iv) No borrowing cost were capitalised during the year as well as previous year, as none were directly attributable to the acquisition or construction of qualifying asset.
- (v) The Company has not revalued its Property, Plant and Equipment as on each reporting year and therefore, Schedule III disclosure requirements with respect to fair value details is not applicable.
- (vi) Figures in italics pertain to previous year
- (vii) The title deeds of immovable property are in the name of the company as at 31st March, 2026 except as disclosed below :

(viii) During the year ended 31st March, 2026, the Company conducted an operational efficiency review of its solar and wind farm assets. Based on the review, with effect from 1st January, 2026 the expected useful life of solar and wind farm assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.

The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
Decrease in depreciation expense*	8.16	32.43	32.43	32.43	32.43	32.43
Deferred tax impact	(1.40)	(5.56)	(5.56)	(5.56)	(5.56)	(5.56)
Net depreciation expense	6.76	26.87	26.87	26.87	26.87	26.87

* Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

Clean Max Theia Private Limited

CIN : U40100MH2022PTC382056

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

Note 24 : Financial Instruments

24.1 Capital management

The Company manages its capital to ensure that it will be able to continue as a Going Concern while maximising the return to stakeholders through the optimisation of debt and equity balance.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows

Particulars	As at 31st March, 2026	As at 31st March, 2025
Total Debt (i)	4,016.41	4,036.92
Less: Cash and cash equivalents	-	-
Net Debt (A)	4,016.41	4,036.92
Total equity (ii)	1,379.73	1,470.83
Equity and Net debt (B)	5,396.14	5,507.75
Net debt to Total Equity ratio [A/B]	0.74	0.73

(i) Debt is defined as Non current borrowings (including current maturities) and current borrowings.

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

As at March 31, 2026, the Company has outstanding term loan classified as non current borrowings. In accordance with the terms of the agreement, the Company is required to make principle and interest payments on specified due dates subsequent to the reporting date and to comply with certain quantitative and qualitative covenants. The Company has complied with all principle and interest payments and covenants as at March 31, 2026, and based on its current cash flow forecasts, expects to continue to comply with these requirements going forward.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March 2026 and year ended 31st March 2025.

24.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

24.3 Financial risk management

The Management of the Company monitors and manages the financial risks relating to the operations of the Company on a continuous basis. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company does not have foreign currency and hence no currency risk.

Compliance with policies and exposure limits is reviewed internally on a continuous basis.

Clean Max Theia Private Limited

CIN : U40100MH2022PTC382056

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

24.3.1 Credit risk

Credit risk refers to the risk that the counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivable, bank balances other than cash and cash equivalents and other receivables. The maximum exposure to the credit risk at the reporting date is from trade receivables amounting to Rs. 26.78 millions as at 31st March, 2026 (31st March, 2025: 11.08 million).

Credit is extended only after due approvals and evaluation in terms of the Credit Policy applicable for such sale. The process of extending credit approval, takes into account various factors such as publicly available financial information, market feedback, and past business patterns etc. Many of the Company's customers have been transacting since inception and the incidence of bad debts has been very low. Such credit limits extended to trade receivables are monitored by the Board of Directors and protective action are initiated to avoid a default. In view of the short nature of its trade receivables, the Company makes provision for credit risk on an individual basis, if any. Individual customer credit limits are imposed based on relevant factors such as market feedback, business potential and past records on selective basis. In addition, the Company uses practical expedient for computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix.

Credit risk arising from other balance with bank is limited and there is no collateral held against these because the counter parties are bank and recognised financial institutions with high credit ratings.

Refer note 20(a) for reconciliation of expected credit loss allowance

24.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

24.3.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

24.3.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

24.3.5 Liquidity risk

The Company manages its funds from internal accruals, borrowings and fund raising through equity. The liquidity risk is managed by utilising banking facilities and by matching the maturity profiles of financial assets and liabilities.

As at 31st March 2026, the company current liabilities have exceeded the current assets by Rs.57.86 Millions. Management is confident of its ability to generate future cash inflows from operations so that it would be able to meet its obligations on due dates. On these considerations, these financial statements are prepared on a going concern basis. In addition to this the company has continuing support from Clean Max Enviro Energy Solutions Limited (formerly known as Clean Max Enviro Energy Solutions Private Limited) to provide financial support as may be required to enable the company to meet its debts and obligations as they fall due.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The amounts are gross, undiscounted and exclude future contractual interest payments based on the earliest date on which the company can be required to pay and realise -

Particulars	Within twelve months	More than twelve months*	Total
As at 31st March, 2026			
Borrowings	291.65	3,746.17	4,037.82
Interest payable (future contractual outflow)**	358.22	3,284.18	3,642.40
Trade payables	24.44	-	24.44
Lease liabilities	0.37	14.40	14.77
Other current financial liabilities	10.60	-	10.60
	685.28	7,044.75	7,730.03
Particulars	Within twelve months	More than twelve months*	Total
As at 31st March, 2025			
Borrowings	273.07	3,789.61	4,062.68
Trade payables	2.82	-	2.82
Lease liabilities	0.43	3.89	4.32
Other current financial liabilities	27.29	-	27.29
	303.61	3,793.50	4,097.11

*The substantial maturity of the financial liabilities are beyond 5 years, hence time bands between 1 to 5 years are not relevant to users and accordingly not presented.

** Loan from the Parent Company is payable as and when the funds will be available with the Company and hence interest on such loans have not been disclosed above.

24.3.6 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant, the company's loss for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Total exposure of the company to variable rate of borrowing	3,756.35	3,892.90
Impact on loss before tax for the year		
Increase in 50 basis points	(18.78)	(19.46)
Decrease in 50 basis points	18.78	19.46
Impact of pre-tax equity for the year		
Increase in 50 basis points	(18.78)	(19.46)
Decrease in 50 basis points	18.78	19.46

Exposure to Interest rate risk

Particular	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Financial Liabilities		
Fixed rate Instrument	265.71	54.94

The year end balances are not necessarily representative of the average debt outstanding during the year.

Note 25 : Income Taxes

25.1 The income tax expense for the year can be reconciled to the accounting profit as follows:

Tax expenses recognised in Statement of Profit and Loss	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Current tax (A)	-	-
Deferred tax credit (B)	(18.59)	(26.52)
Total tax expenses for the year (A + B)	(18.59)	(26.52)

Reconciliation of estimated income tax expense at statutory income tax rate to income tax expense reported:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Loss before tax and exceptional items	(109.69)	(51.87)
Enacted income tax rate in India	17.16%	17.16%
Expected Income-tax expense	(18.82)	(8.90)
Others	0.23	(17.62)
Income-tax expense as per statement of profit and loss	(18.59)	(26.52)

Note 25.2

Unrecognised tax losses

	As at 31st March, 2026	As at 31st March, 2025
Unused tax losses for which no deferred tax asset has been recognised	0.89	0.89
Potential tax benefit @ 17.16%	0.15	0.15

Details of carried forward loss on which deferred tax not recognised as follows

	As at 31st March, 2026	
	Amount	Expiry Date
Business Loss		
FY 22-23	0.89	2030-31
	As at 31st March, 2025	
	Amount	Expiry Date
Business Loss		
FY 22-23	0.89	2030-31

25.3 Deferred taxes

The following table provides the details of movement of deferred tax assets and liabilities:

Items of deferred tax asset/(liability)	As as 1st April, 2025	(Charge)/Credit in P&L	As as 31st March, 2026
Deferred tax liabilities			
Difference between book balance and tax balance of property, plant and equipment and intangible assets	477.86	90.49	568.35
Unamortised borrowing cost	4.42	(0.75)	3.67
Right to use assets	0.39	0.88	1.27
Prepaid expense on security deposit	-	2.81	2.81
Deferred tax assets			
Unabsorbed depreciation of current period and earlier periods	(503.97)	(108.38)	(612.35)
Expected credit loss allowance	(0.04)	0.03	(0.01)
Lease liabilities	-	(0.69)	(0.69)
Prepaid expense on security deposit	-	(2.98)	(2.98)
Deferred tax assets (net)	(21.34)	(18.59)	(39.93)
Items of deferred tax asset/(liability)	As as 1st April, 2024	(Charge)/Credit in P&L	As as 31st March, 2025
Deferred tax liabilities			
Difference between book balance and tax balance of property, plant and equipment and intangible assets	(306.21)	171.65	477.86
Unamortised borrowing cost	(3.74)	0.68	4.42
Lease liabilities	-	0.39	0.39
Deferred tax assets			
Unabsorbed depreciation of current period and earlier periods	304.76	(199.21)	(503.97)
Expected credit loss allowance	-	(0.04)	(0.04)
Deferred tax assets (net)	(5.19)	(26.53)	21.34

Note : The company has long term power purchase contracts with it's customers which provide convincing evidence of the future taxable profits. Therefore, the deferred tax assets has been recognised.

Note 26- Key ratios

a) Current Ratio = Current assets divided by Current liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Current assets	270.15	234.06	
Current liabilities	328.01	304.64	
Ratio (in times)	0.82	0.77	6.49%

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Total debt	4,016.41	4,036.92	
Total equity	1,379.73	1,470.83	
Ratio (in times)	2.91	2.74	6.20%

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
EBITDA (A)	470.65	522.07	
Debt service			
Lease repayment (B)	0.72	2.43	
Total interest and principal repayments	527.72	661.81	
Total debt service (D = B+C)	528.44	664.24	
Ratio (in times)	0.89	0.79	12.66%

d) Return on equity ratio / Return on investment Ratio = Net loss after tax divided by average equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax	(91.10)	(25.35)	
Average Total Equity	1,425.28	1,483.51	
Ratio (in times)	(0.06)	(0.02)	200.00%

The ratio has decreased due to increase in losses during the year.

e) Inventory turnover ratio = Cost of goods sold divided by inventory

The above ratio is not applicable as there is no inventory

f) Trade receivables turnover ratio = Revenue from operations divided by trade receivables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Revenue from operations	576.68	567.45	
Average trade receivables	18.79	46.08	
Ratio (in times)	30.69	12.31	149.31%

The ratio has increased due to decrease in average trade receivables

g) Trade payables turnover ratio = purchases divided by trade payables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Purchases	107.34	38.52	
Average trade payables	13.63	19.67	
Ratio (in times)	7.88	1.96	302.04%

The ratio has increased due increase in purchases during the year.

h) Net Working Capital Turnover Ratio = Revenue from operations divided by working capital

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Revenue from operations	576.68	567.45	
Current assets (A)	270.15	234.06	
Current liabilities (B)	328.01	304.64	
Net working capital (A-B)	(57.86)	(70.58)	
Average Working Capital	(64.22)	(219.28)	
Ratio (in times)	(8.98)	(2.59)	246.72%

The ratio has decreased due to increase in sales during the year and increase in net working capital.

I) Net profit ratio = Net loss after tax divided by Net Sales

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax	(91.10)	(25.35)	
Revenue from operations	576.68	567.45	
Ratio (in times)	(0.16)	(0.04)	300.00%

The ratio has decreased due to increase in losses during the year.

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Loss before tax (A)	(109.69)	(51.87)	
Finance costs (B)	404.53	390.66	
EBIT (C) = (A)+(B)	294.84	338.79	
Total assets	5,436.18	5,543.21	
Less: Other Intangible Assets	(20.07)	(19.13)	
Less: Deferred tax assets	(39.93)	(21.34)	
Less: ROU assets	(7.40)	(6.61)	
Total (D)	5,368.78	5,496.13	
Total Liabilities	4,056.45	4,072.38	
Less: Lease liabilities	(4.03)	(4.32)	
Less: Deferred tax liabilities	-	-	
Total (E)	4,052.42	4,068.06	
Tangible Net Worth (F)=(D)-(E)	1,316.36	1,428.07	
Total Debt (G)	4,016.41	4,036.92	
Capital Employed (H)=(F)+(G)	5,332.77	5,464.99	
Ratio (C)/(H)	0.06	0.06	0.00%

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note: The above ratio is not applicable since the Company does not have any projects/investments other than current operations.

INDEPENDENT AUDITOR'S REPORT

To The Members of Clean Max Thennal Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Clean Max Thennal Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's report including the Annexures thereto, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (i) As required by Section 143(3) of the Act, based on our audit, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) The provisions of Section 197 read with Schedule V of the Act are not applicable to the Company for the period ended March 31, 2026.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief as disclosed in note 34 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented that, to the best of its knowledge and belief as disclosed in note 34 to the Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. No dividend has been declared or paid during the year by the Company.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Thennal Private Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i)

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause (i)(a)(B) of the Order is not applicable to the Company.
- (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii)

- (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause (ii)(a) of the Order is not applicable to the Company.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause (ii)(b) of the Order is not applicable to the Company.

(iii)

- (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(a) of the Order is not applicable to the Company.

- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(b) of the Order is not applicable to the Company.
 - (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(c) of the Order is not applicable to the Company
 - (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(d) of the Order is not applicable to the Company.
 - (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(e) of the Order is not applicable to the Company.
 - (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(f) of the Order is not applicable to the Company.
-
- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause (iv) of the Order is not applicable to the Company.
 - (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause (v) of the Order is not applicable to the Company.
 - (vi) The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the services of the Company. Accordingly, reporting under clause (vi) of the Order is not applicable to the Company.

(vii)

(a) Undisputed statutory dues including goods and services tax, income-tax, and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of disputes.

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix)

(a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) Term loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

(x)

(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause (x)(a) of the Order is not applicable to the Company.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (b) The Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) No fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor or secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause (xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) The provisions of internal audit in view of Section 138 of Companies Act, 2013 are not applicable in case of the company. Therefore, the requirement to report under clause (xiv) of the Order is not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause (xv) of the Order is not applicable to the Company.
- (xvi)
- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The company is not a core investment company as defined by regulations made by Reserve Bank of India and hence reporting under clause (xvi)(c) is not applicable.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (d) The Group does not have any Core Investment Company as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred any cash losses in the current financial year. The Company has not incurred any cash losses in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause (xviii) is not applicable.
- (xix) On the basis of the financial ratios disclosed in note 26, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report which is not mitigated indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provision of section 135 of the Companies Act, 2013 on Corporate Social Responsibility are not applicable to the company. Accordingly, the requirement to report on clause (xx) of the Order is not applicable to the Company.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (xxi) The Company does not have any investment in subsidiary, joint venture and associate and hence the Company is not required to prepare consolidated financial statements. Therefore, reporting under clause (xxi) of the Order is not applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Thennal Private Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of **Clean Max Thennal Private Limited** (the "Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to

A 605, 6th Floor, Avion Aradhya One Earth A Meter Room, Pant Nagar, Ghatkopar East,

CHARTERED ACCOUNTANTS

financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Indian Rupees in Millions)

Note 1.1

GENERAL INFORMATION

Clean Max Thennal Private Limited (herein after referred to as "the Company") incorporated on 9th March, 2022 and is engaged in the business of generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Swatantra Veer Sawarkar Marg , Prabhadevi, Mumbai 400025, Maharashtra, India.

The Financial Statements for the year ended 31st March, 2026 were approved by the Board of Directors and authorised for issue on 06th May, 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(i) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(j) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(k) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification .

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(l) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented. Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(m) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (d) above.

Note 1.4

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a)MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

As at 31st March, 2025	273.80	19.45	-	293.25	6.16	10.42	16.58	276.67

Footnotes:

- (i) For details of pledged assets refer note 13.
(ii) The Company is not holding any benami property under the Prohibition of Benami Property Transactions Act, 1988.
(iii) Figures in italic represents previous year figures.
(iv) The title deeds / lease agreement of immovable properties are held in the name of the Company.
(iv) Change in useful life estimate:
During the year ended 31st March, 2026, the Group conducted an operational efficiency review of its Power Plant. Based on the review, with effect from 1st January, 2026 the expected useful life of Power Plant has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.
The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
(Decrease)/ Increase in depreciation expense*	(0.46)	(1.84)	(1.84)	(1.84)	(1.84)	(1.84)

* Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

Note 3

Other non-current financial assets
(unsecured, considered good)

Footnote:

22(a) The Company has not issued any potential convertible instrument. Since the Company has not issued any instruments which are potential equity shares, there is no dilution effect in Basic EPS of the Company.

Note 23: Financial Instruments**23.1 Capital management**

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The Company also has obtained borrowings which are secured against the assets owned by the Company and short term borrowing from parent company.

The management reviews the capital structure on a quarterly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows

Particulars	As at	As at
	31st March, 2026	31st March, 2025
	(Rs. In Millions)	(Rs. In Millions)
Debt (i)	264.56	286.62
Less: Cash and cash equivalents	0.12	3.04
Net Debt (A)	264.44	283.58
Total capital (ii)	99.68	103.32
Capital and Net debt (B)	364.12	386.90
Net Debt to Total Capital plus net debt ratio% (A/B)	72.62%	73.30%

(i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2026

23.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

23.3 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

23.3.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Bank balances are held with reputed and creditworthy banking institutions.

23.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

23.3.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

23.3.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

23.3.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	13.38	247.04	260.42
Trade payables	7.42	-	7.42
Other financial liabilities	1.06		1.06
	21.86	247.04	268.90

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2025			
Borrowings	38.70	244.53	283.23
Trade payables	3.51	-	3.51
Other financial liabilities	0.21		0.21
	42.42	244.53	286.95

23.3.6 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant ,the Company's loss for the year would increase or decrease as follows:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Total exposure of the company to variable rate of borrowing	211.53	218.90
Impact on loss before tax for the year	1.06	1.09

Note 24 : Income Taxes

24.1 The income tax expense for the year can be reconciled to the accounting profit as follows:

Particulars	For the year 31st March, 2026	For the year 31st March, 2025
Loss before tax	(4.39)	(6.43)
Enacted income tax rate in India	17.16%	17.16%
Income tax expense calculated at 17.16%	(0.75)	(1.10)
Others	-	0.01
Income tax expense recognised in Statement of Profit and Loss	(0.75)	(1.11)

Note 24.2

The tax rate used for the year ended on March 31, 2026 is at 17.16%. The reconciliations above is the corporate tax rate of payable by corporate entities in India on taxable profits under the Indian tax law.

Note 24.3 Deferred taxes

The following table provides the details of movement of deferred tax assets and liabilities:

For the year ended 31st March, 2026

Item of deferred tax asset/(liability)	Opening Balance	(Charge)/Credit in P&L	Closing Balance
Deferred tax liabilities			
Difference between book balance and tax balance of property, plant and equipment	(26.55)	(6.27)	(32.82)
Deferred tax assets:			
Unabsorbed depreciation and Carried forward losses	29.02	5.95	34.97
Unamortized borrowing cost		0.71	0.71
Allowance for doubtful debts		0.01	0.01
Deferred tax assets/(liabilities) (net)	2.47	0.40	2.87

For the year ended 31st March, 2025

Item of deferred tax asset/(liability)	Opening Balance	(Charge)/Credit in P&L	Closing Balance
Deferred tax liabilities			
Unamortised borrowing cost	(17.90)	(8.65)	(26.55)
Deferred tax assets:			
Unabsorbed depreciation and Carried forward losses	19.26	9.76	29.02
Deferred tax assets/(liabilities) (net)	1.36	1.11	2.47

Note 26 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Current Assets	49.07	22.02	-
Current Liabilities	22.07	43.01	-
Ratio	2.22	0.51	335.29%

The ratio is increased due to increase in current assets during the year.

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Total Debt	264.56	286.62	-
Total Equity	99.68	103.32	-
Ratio	2.65	2.77	(4.33%)

The ratio is decreased due to repayment of debt during the year.

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
EBITDA	32.39	31.86	-
Total interest and principal repayments	65.66	225.03	-
Ratio	0.49	0.14	250.00%

The ratio is increased due to increase in interest and principal repayments.

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Average Equity attributable to owners of the Company

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Net loss after tax attributable to owners of the Company	(3.64)	(5.32)	-
Average Equity attributable to owners of the Company	99.68	103.32	-
Ratio	(0.04)	(0.05)	(20.00%)

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory - NA as no Inventory and purchases of goods

The ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average trade receivables

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Sales	37.55	36.45	-
Average Trade Receivables	5.96	2.50	-
Ratio	6.30	14.58	(56.79%)

The variance in ratio is due to increase in sales and average trade receivable during the year.

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Purchases	4.95	4.72	-
Average Trade Payables	5.47	2.29	-
Ratio	0.90	2.06	(56.31%)

The ratio is decreased due to increase in average trade payables.

h) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Sales	37.55	36.45	-
Current Assets (A)	49.07	22.02	-
Current Liabilities (B)	22.07	43.01	-
Net Working Capital (A-B)	27.00	(20.99)	-
Average Working Capital	3.01	(31.13)	-
Ratio	12.48	(1.17)	1166.67%

The ratio is increased due to increase in average working capital during the year.

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Loss after tax	(3.64)	(5.32)	-
Net Sales	37.55	36.45	-
Ratio	(0.10)	(0.15)	33.33%

The ratio is increased due to decreased in loss and increase in net sales during the year.

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Net loss after tax(A)	(3.64)	(5.32)	-
Finance Costs (B)	26.71	27.87	-
Total Tax Expense (C)	(0.75)	(1.11)	-
EBIT (D) = (A)+(B)+(C)	22.32	21.44	-
Total equity (E)	99.68	103.32	-
Total debt (H)	264.56	286.62	-
Capital Employed (I)=(E)-(F)-(G)+(H)	364.24	389.94	-
Ratio (D)/(I)	0.06	0.05	-20.00%

There is no change in the ratio

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note: The above ratio is not applicable as the Company has no other investments other than current operations

Note 27 - Trade Receivables

Trade Receivable Ageing Schedule*							
Particulars	Not due	Less than 6 months	6 months to 1 year	1 - 2 Years	2-3 Years	More than 3 years	Total

INDEPENDENT AUDITOR'S REPORT

To The Members of Clean Max Uno Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Clean Max Uno Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's report including the Annexures thereto, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Mumbai – 400075

Mobile: 9833388059 Email: dipeshruparelia@hsdr.in

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (i) As required by Section 143(3) of the Act, based on our audit, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) The provisions of Section 197 read with Schedule V of the Act are not applicable to the Company for the period ended March 31, 2026.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief as disclosed in note 32 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented that, to the best of its knowledge and belief as disclosed in note 32 to the Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. No dividend has been declared or paid during the year by the Company.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Uno Private Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i)

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause (i)(a)(B) of the Order is not applicable to the Company.
- (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii)

- (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause (ii)(a) of the Order is not applicable to the Company.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause (ii)(b) of the Order is not applicable to the Company.

(iii)

- (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(a) of the Order is not applicable to the Company.

- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(b) of the Order is not applicable to the Company.
 - (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(c) of the Order is not applicable to the Company
 - (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(d) of the Order is not applicable to the Company.
 - (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(e) of the Order is not applicable to the Company.
 - (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause (iii)(f) of the Order is not applicable to the Company.
- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause (iv) of the Order is not applicable to the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause (v) of the Order is not applicable to the Company.
- (vi) The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the services of the Company. Accordingly, reporting under clause (vi) of the Order is not applicable to the Company.

(vii)

(a) Undisputed statutory dues including goods and services tax, income-tax, and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of disputes.

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix)

(a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) Term loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

(x)

(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause (x)(a) of the Order is not applicable to the Company.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (b) The Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) No fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor or secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause (xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) The provisions of internal audit in view of Section 138 of Companies Act, 2013 are not applicable in case of the company. Therefore, the requirement to report under clause (xiv) of the Order is not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause (xv) of the Order is not applicable to the Company.
- (xvi)
- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The company is not a core investment company as defined by regulations made by Reserve Bank of India and hence reporting under clause (xvi)(c) is not applicable.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (d) The Group does not have any Core Investment Company as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has incurred cash losses amounting to Rs. 0.34 millions in the current financial year. The Company has incurred cash losses amounting to Rs. 1.27 millions in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause (xviii) is not applicable.
- (xix) On the basis of the financial ratios disclosed in note 23, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report which is not mitigated indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provision of section 135 of the Companies Act, 2013 on Corporate Social Responsibility are not applicable to the company. Accordingly, the requirement to report on clause (xx) of the Order is not applicable to the Company.

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

- (xxi) The Company does not have any investment in subsidiary, joint venture and associate and hence the Company is not required to prepare consolidated financial statements. Therefore, reporting under clause (xxi) of the Order is not applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Clean Max Uno Private Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of **Clean Max Uno Private Limited** (the "Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and

H S D R & ASSOCIATES

CHARTERED ACCOUNTANTS

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note 1.1

GENERAL INFORMATION

Clean Max UNO Private Limited (herein after referred to as "the Company") incorporated on 6th April, 2023 and is engaged in generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Kismat Cinema, Prabhadevi, Mumbai 400025, Maharashtra, India.

The Financial Statements for the year ended 31st March, 2026 were approved by the Board of Directors an authorised for issue on 4th May 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(i) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(j) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(k) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(l) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented. Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(m) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (d) above.

Note 1.4

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a) MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Note 1.5

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

Footnote:

19 (a) The Company has not issued any potential equity shares. Since the Company has not issued any instruments which are potential equity shares, there is no dilution effect in Basic EPS of the Company.

Note 20: Financial Instruments**20.1 Capital management**

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The capital structure of the Company consist of equity share capital and other equity. The Company also has obtained borrowings which are secured against the assets owned by the Company and unsecured borrowings from parent company.

The management reviews the capital structure on a quarterly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows

Particulars	As at 31st March, 2026 (Rs. In Millions)	As at 31st March, 2025 (Rs. In Millions)
Debt (i)	122.55	100.50
Less: Cash and cash equivalents	0.47	0.47
Net Debt (A)	122.08	100.03
Total capital (ii)	46.84	46.93
Capital and Net debt (B)	168.92	146.96
Net Debt to Total Capital plus net debt ratio% (A/B)	72%	68%

(i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lender to immediately call loans and borrowings. The financial covenant for any interest-bearing loans and borrowings is tested as per the contractual agreements with lenders. There has been a breach in financial covenants where the amount outstanding (excluding EIR) as on 31st March 2026 is Rs.93.23/- and as on 31st March 2025 is 72.30/- however waiver has been obtained from the respective lender for the same

No changes were made in the objectives, policies or processes for managing capital during the year/ period ended March 31st, 2026 and 31st March, 2025.

20.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

20.4 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

20.4.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Bank balances are held with reputed and creditworthy banking institutions.

20.4.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

20.4.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

20.4.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

20.4.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	4.63	118.09	122.72
Trade payables	0.15	-	0.15
Other financial liabilities	0.10	-	0.10
Lease Liabilities	0.81	33.61	34.42
	5.69	151.70	157.39

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2025			
Borrowings	16.26	84.15	100.41
Trade payables	0.37	-	0.37
Other financial liabilities	2.47	-	2.47
Lease Liabilities	0.79	34.42	35.21
	19.89	118.57	138.46

20.4.6 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant ,the Company's loss for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Total exposure of the company to variable rate of borrowing	93.23	72.30
Impact on loss before tax for the year	0.47	0.36

The year end balances are not necessarily representative of the average debt outstanding during the year.

Note 23 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
Current Assets	0.67	1.08	
Current Liabilities	5.85	20.02	
Ratio	0.11	0.05	120%

The increase in ratio is majorly attributable to repayment of Short term loan from related party in the current year.

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
Total Debt	122.55	100.50	
Total Equity	46.84	46.93	
Ratio	2.62	2.14	22%

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
EBITDA	(0.34)	(0.63)	
Total interest and principal repayments	(10.12)	(2.81)	
Ratio	0.03	0.22	-100%

The ratio is changed due to increase in interest and principal repayments.

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Average Equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Net profit/(loss) after tax attributable to owners of the Company	(0.09)	(1.13)	
Average Equity attributable to owners of the Company	46.89	23.43	
Ratio	-	(0.05)	-100%

The ratio has decreased due to increase in average equity.

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory

The above ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average trade receivables

The above ratio is not applicable as there is no turnover

g) Trade payables turnover ratio = purchases divided by average trade payables

The above ratio is not applicable as there are no purchases.

Clean Max UNO Private Limited
CIN: U35105MH2023PTC400242
Notes to the financial statements for the year ended 31st March, 2026
(Currency: Indian Rupees in Millions, unless otherwise stated)

b) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

The above ratio is not applicable as there is no turnover

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales
The above ratio is not applicable as there is no turnover

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Net Loss after tax(A)	(0.09)	(1.13)	
Finance Costs (B)	-	0.64	
Total Tax Expense (C)	(0.25)	(0.38)	
EBIT (D) = (A)+(B)+(C)	(0.34)	(0.87)	
Total equity (E)	46.84	46.93	
Total debt (F)	122.55	100.50	
Capital Employed (G)=(E)+(F)	169.39	147.43	
Ratio (D)/(G)	-	(0.01)	-100.00%

The ratio is changed due to increase in debt and equity during the period.

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note: The above ratio is not applicable as the Company has no other investments other than current operations

Note 24

As Lessee

The Company has entered into long term lease contracts for land. The Company has considered hindsight information in order to determine the lease term for recognition of ROU asset and lease liabilities.

Note 29 Corporate Social Responsibility ("CSR")

Company is not required to spend amounts on account of CSR as per Section 135 of Companies Act, 2013

Note 30 Going concern

As at 31st March 2026, the company current liabilities have exceeded the current assets by Rs.4.68 millions on account of Short-term borrowings amounting to Rs. 4.63 millions. Further deficit in meeting its current obligations will be met through capital infusion by Clean Max Enviro Energy Solutions Limited (Parent Company) (formerly known as Clean Max Enviro Energy Solutions Private Limited). Management is confident of its ability to generate future cash inflows from operations so that it would be able to meet its obligations on due dates. On these considerations, these financial statements are prepared on a going concern basis.

Note 31 Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

- (i) The amount due to Micro and Small Enterprises as defined in the "The Micro, Small and Medium Enterprises Development Act, 2006" has been determined to the extent such parties have been identified on the basis of information collected by the Management.
(ii) The Disclosure relating Micro and Small Enterprises is as under:

	As at 31st March, 2026	As at 31st March, 2025

**Clean Max Uranus
Private Limited**

Independent Auditor's Report

To the Members of Clean Max Uranus Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Clean Max Uranus Private Limited (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Independent Auditor's Report (Continued)**Clean Max Uranus Private Limited****Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a. The financial statements of the Company for the year ended 31 March 2025 were audited by the predecessor auditor who had expressed an unmodified opinion on 22 May 2025.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement

Independent Auditor's Report (Continued)

Clean Max Uranus Private Limited

on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 A. As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014..
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 01 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. the modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 37 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 37 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures that have been considered reasonable and appropriate in the

Page 3 of 10

Independent Auditor's Report (Continued)

Clean Max Uranus Private Limited

circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- e. The Company has neither declared nor paid any dividend during the year.
- f. Based on our examination which included test checks, except for the instance mentioned below, the Company has used accounting software for maintaining the books of account relating to general ledger, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

The feature of recording audit trail (edit log) was not enabled at the database level for the period from 1 April 2025 to 27 March 2026 to log any direct data changes for the accounting software used for maintaining the books of account relating to general ledger.

Further, for the periods where audit trail (edit log) facility was enabled and operated, we did not come across any instance of audit trail feature being tampered.

Additionally, where the audit trail (edit log) functionality was enabled and operated in the previous years the audit trail has been preserved by the Company as per the statutory requirements for record retention.

- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Uranus Private Limited for the year ended 31 March 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company does not have any intangible assets. Accordingly, clause 3(i)(a)(B) of the Order is not applicable.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified every year. In accordance with this programme, all property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties disclosed in the financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company is engaged in the business of generation and sale of electricity. Accordingly, it does not hold any physical inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments in other parties, in respect of which the requisite information is as below. The Company has not made any investments in Companies, firms and limited liability partnership. Accordingly, provisions of clauses 3(iii)(a), 3(iii)(c) to 3(iii)(f) of the order are not applicable to the Company.
- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made during the year are not prejudicial to the interest of the Company.
- (iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 and 186 of the Companies Act, 2013 ("the Act"). In respect of the investments made by the Company, in our opinion the provisions of Section 186 of the Act have been complied with.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Uranus Private Limited for the year ended 31 March 2026 (Continued)

- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the activity performed by the Company. Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Income-Tax or Cess or other statutory dues have generally been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Income- Tax or Cess or other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to Goods and Service Tax, Income-Tax or Cess or other statutory dues, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(e) is not applicable.
- (f) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(f) is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Uranus Private Limited for the year ended 31 March 2026 (Continued)

- Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported for the period covered under audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
 - (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
 - (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
 - (xiv) (a) In our opinion and based on the information and explanations provided to us, the Company does not have an internal audit system and is not required to have an internal audit system as per Section 138 of the Act. Accordingly, clause 3(xiv)(a) and 3(xiv)(b) of the Order is not applicable.
 - (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
 - (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
 - (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
 - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
 - (d) According to the information and explanations provided to us, the Group (as defined in the regulations made by the Reserve Bank of India) does not have CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
 - (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
 - (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
 - (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
 - (xx) The requirements as stipulated by the provisions of Section 135 are not applicable to the

**Annexure A to the Independent Auditor's Report on the Financial Statements
of Clean Max Uranus Private Limited for the year ended 31 March 2026
(Continued)**

Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor's Report on the financial statements of Clean Max Uranus Private Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Clean Max Uranus Private Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

**Annexure B to the Independent Auditor's Report on the financial statements of Clean Max Uranus Private Limited for the year ended 31 March 2026
(Continued)**

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Clean Max Uranus Private Limited**CIN: U35105MH2023PTC399821****Notes to Financial Statements for the year ended 31st March, 2026***(Currency: Amount in ₹ million unless otherwise stated)***Note 1.1 Corporate Information**

Clean Max Uranus Private Limited (herein after referred to as "the Company") incorporated on 29th March, 2023 earns its revenue from generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Kismat Cinema, Prabhadevi, Mumbai 400025, Maharashtra, India. The Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors and authorised for issue on 12th May, 2026.

Note 1.2 Basis of preparation

The Financial Statements of Clean Max Uranus Private Limited comprise the Balance Sheet as at 31st March 2026, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year ended 31st March 2026, and notes to the Financial Statements, including material accounting policies (hereinafter referred to as "the Financial Statements").

These Financial Statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") as specified under Section 133 of the Companies Act, 2013, as amended (the "Act") and other accounting principles generally accepted in India and presentation requirements of Schedule III of the Act.

These Financial Statements have been prepared on a going concern basis. The accounting policies are applied consistently over the period.

These Financial Statements were authorised for issue by the Company's board of directors on 12th May, 2026. These Financial Statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest million, unless otherwise indicated.

Note 1.3 Material Accounting Policies**(a) Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue excludes indirect taxes which are collected on behalf of Government.

(i) Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

(ii) Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue is recognised for work performed under a contract but has not yet been invoiced to the customer.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

Other income

(iv) Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(b) Foreign Currencies

The functional currency of the Company is the Indian rupee (Rs.).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in profit or loss.

Foreign currency denominated non - monetary assets and liabilities that are measured at historical cost are not retranslated.

(c) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

(i) Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that:
is not a business combination; and

at the time of the transaction (i) affects neither accounting nor taxable profit or loss and (ii) does not give rise to equal taxable and deductible temporary differences

- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on the reversal of relevant taxable temporary differences. If the amount of taxable temporary differences is insufficient to recognise a deferred tax asset in full, then future taxable profits, adjusted for reversals of existing temporary differences, are considered. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(d) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(e) Financial Instruments

**Financial assets
Classification**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate and recorded at transaction price. The Company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets (excluding trade receivables that are recorded at transaction price) are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified in three categories:

· **Financial assets at Amortised cost**

A financial asset is measured at amortised cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest (EIR) method. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR and reported as part of interest income in the Statement of Profit and Loss. The losses if any, arising from impairment are recognised in the Statement of Profit and Loss.

- **Financial assets at fair value through profit or loss (FVTPL)**

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognised in the Statement of Profit and Loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

- **Financial assets at fair value through other comprehensive income (FVOCI) – debt investment**

A debt investment is measured at FVOCI if both of the following conditions are met:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at fair value. Interest income is recognised using the effective interest (EIR) method. The loss allowance is recognized in other comprehensive income and does not reduce the carrying value of the financial asset. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of Profit and Loss.

- **Financial assets at fair value through other comprehensive income (FVOCI) – equity investment**

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income. This election is made on an investment-by-investment basis.

After initial measurement, such financial assets are subsequently measured at fair value. Dividends are recognised as income in Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Statement of Profit and Loss.

Derecognition of financial asset

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred substantially all the risks and rewards of the asset, or
- the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the

Financial liabilities

Classification

All financial liabilities are subsequently measured at amortised cost.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognized. Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Share capital
Ordinary equity shares

Incremental costs directly attributable to the issue of ordinary equity shares and share options are recognized as a deduction from equity, net of any tax effects.

Fair value measurement

The Company’s accounting policies and disclosures require the measurement of fair values for financial and non-financial assets and liabilities. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(f) Leases:
The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The Company assesses, whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves:
(a) the use of an identified asset,
(b) the right to obtain substantially all the economic benefits from use of the identified asset, and
(c) the right to direct the use of the identified asset.

The Company as a lessee
Right to Use Asset

The Company at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right of use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

Category	Useful life
Leasehold Land	29 years

The Company applies Ind AS 36 to determine whether a Right-of-Use asset is impaired and accounts for any identified impairment loss in the Statement of Profit and Loss as described in the note (r).

Lease liabilities

For lease liabilities at inception, the Company measures the lease liability at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest considering effective interest rate and reduced for the lease payments made.

The Company recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use assets is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in the Statement of Profit and Loss.

(g) Property, Plant and Equipment and Depreciation

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Interest on borrowed money allocated to and utilized for qualifying assets pertaining to the period up to the date of capitalization is added to the cost of the assets.

Freehold land is not depreciated.

Any gain or loss arising on derecognition / disposal of an asset is included in profit or loss.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant, Wind Farms and Hybrid Farms where the life is considered as 25 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

However, with effect from 1st January, 2026 the expected useful life of new technology solar and wind assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

(h) Impairment of non-financial assets

At each reporting date, non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

(i) Impairment of financial assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. Expected Credit Losses (ECLs) are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Company assesses ECL associated with its assets carried at amortized cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ('C&I') customers. Delayed payment carries interest as per the terms of agreements with C&I customers. The Company uses practical expedient for computing the Impairment losses on trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information, including a single-factor macroeconomic adjustment.

(j) Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in Statement of Profit and Loss in the period in which they are incurred.

The Company suspends capitalization of borrowing costs during extended periods in which it suspends active development of a qualifying asset.

The entity determines the amount of borrowing costs eligible for capitalization as the actual borrowing costs incurred on that borrowing during the period less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. If any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. In case if the entity borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalization are determined by applying a capitalisation rate to the expenditure on that asset.

(k) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

The weighted average number of equity shares is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

(l) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(m) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification .

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(n) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(o) Earnings before interest, tax, depreciation, impairment and amortization (EBITDA)

The Company presents EBITDA in the Statement of Profit and Loss; this is not specifically required by Ind AS 1. The term EBITDA is not defined in Ind AS. Ind AS compliant Schedule III allows companies to present line items, sub-line items and sub-totals as an addition or substitution on the face of the financial statements when such presentation is relevant to an understanding of the Company's financial position or performance to or to cater to industry/sector-specific disclosure requirements or when required for compliance with the amendments to the Companies Act or under the Indian Accounting Standards.

Measurement of EBITDA

Accordingly, the Company has elected to present EBITDA as a separate line item on the face of the Statement of Profit and Loss. In its measurement, the Company does not include exceptional items, depreciation, impairment and amortisation expenses, finance costs and income tax expense.

(p) Prepaid Common Infrastructure Facility Charges

Prepaid common infrastructure facility charges represent upfront payments made to secure the right to use the common infrastructure facilities, where ownership remains with a third party. These payments are recognised as assets at the amount paid on the date the right is obtained and amortised over the period of use.

Critical accounting judgements and key sources of estimation uncertainty

The preparation of Financial Statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities/contingent assets as at the date of the Financial Statement and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the Financial Statement pertain to:

- Useful lives of property, plant and equipment and other intangible assets [refer note 2]: The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.
- Recognition of deferred tax asset: The deferred tax assets in respect of brought forward business losses is recognised based on reasonable certainty of the projected profitability, determined on the basis of approved business plans, to the extent that sufficient taxable income will be available to absorb the brought forward business losses. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed as above.

Note 1.4

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

Footnotes:

- (a) For details of pledged assets, refer note 14(b) and 14(d).
- (b) The Company makes an assessment for impairment of Property, Plant and Equipment when facts and circumstances indicate that carrying values of such assets may not be recoverable. When evaluating for impairment, the carrying value of the asset is compared to the asset's estimated future discounted cash flows. The trigger for impairment occurs if the estimated discounted future cash flows are less than the carrying value of the asset. The value of impairment is determined by comparing the carrying value of the asset to the asset's recoverable value and recognize an impairment charge when the asset's carrying value exceeds its estimated recoverable value. The recoverable value of the asset is estimated using a discounted cash flow model based on forecasted future revenues and operating costs, using internal projections. For such projections, discount rate of 8.53% (31st March, 2025; 10.5%) has been considered. Discount rate has been determined considering the Weighted Average Cost of Capital (WACC) of market benchmarks. Depreciation for the year includes impairment of Rs. Nil (31st March, 2025; Rs. Nil).
- (c) The Company is not holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988).
- (d) No borrowing cost were capitalised during the year as well as previous year, as same were directly attributable to the acquisition or construction of qualifying asset.
- (e) The Company has not required its Property, Plant and Equipment as on each reporting year and therefore, Schedule III disclosure requirements with respect to fair value details is not applicable.
- (f) Figures in italics pertain to previous year.
- (g) The title deeds of immovable properties are held in the name of the Company.

- (h) During the year ended 31st March, 2026, the Company has conducted an operational efficiency review of its Solar and Wind assets. Based on the review, with effect from 1st January, 2026 the expected useful life of Solar and Wind assets have been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.

The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
Decrease in depreciation expense*	1.84	7.35	7.35	7.35	7.35	7.35
Deferred tax impact	0.32	1.26	1.26	1.26	1.26	1.26
Net depreciation expenses	1.52	6.09	6.09	6.09	6.09	6.09

*Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

Note 24 : Financial Instruments

24.1 Capital management

The Company manages its capital to ensure that it will be able to continue as a Going Concern while maximising the return to stakeholders through the optimisation of debt and equity balance.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.
The gearing ratio at the end of the year is as follows

Particulars	As at 31st March, 2026	As at 31st March, 2025
Total Debt (i)	970.84	1,005.31
Less: Cash and cash equivalents	-	5.26
Net Debt (A)	970.84	1,000.05
Total equity (ii))	355.27	348.34
Total adjusted equity (B)	1,326.11	1,348.39
Net Debt to adjusted equity ratio (A/B)	0.73	0.74

- (i) Debt is defined as non current borrowings and current borrowings.
(ii) Capital is defined as Equity share capital, other equity including non controlling interest and excluding cash flow hedge reserve.

In order to achieve this overall objective, the Company’s capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2026 and March 31st, 2025.

24.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

24.3 Financial risk management

The Management of the Company monitors and manages the financial risks relating to the operations of the Company on a continuous basis. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.
The Company doesn't have foreign currency and hence no currency risk.

24.3.1 Credit risk

Credit risk refers to the risk that the counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivable, bank balances other than cash and cash equivalents and other receivables.

Credit is extended only after due approvals and evaluation in terms of the Credit Policy applicable for such sale. The process of extending credit approval, takes into account various factors such as publicly available financial information, market feedback, and past business patterns etc. Many of the Company’s customers have been transacting since inception and the incidence of bad debts has been very low. Such credit limits extended to trade receivables are monitored by the Board of Directors and protective action are initiated to avoid a default. In view of the short nature of its trade receivables, the Company makes provision for credit risk on an individual basis, if any. Individual customer credit limits are imposed based on relevant factors such as market feedback, business potential and past records on selective basis. In addition, the Company uses practical expedient for computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix.

Credit risk arising from other balance with bank is limited and there is no collateral held against these because the counter parties are bank and recognised financial institutions with high credit ratings.

Further, all the financial assets other than mentioned above i.e. security deposits and other receivables are considered to have low credit risk as the counter parties have strong capacity to meet its cash flow obligations as and when due. Credit risk arising from contract assets i.e. unbilled revenue are considered to have low credit risk as the counter parties have strong capacity to meet its cash flow obligations as and when due.

Clean Max Uranus Private Limited

CIN:U35105MH2023PTC399821

Notes to Financial Statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

24.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

24.3.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

24.3.4 Liquidity risk

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages its funds from internal accruals, borrowings and fund raising through equity. The liquidity risk is managed by utilising banking facilities and by matching the maturity profiles of financial assets and liabilities.

Maturities of financial liabilities:

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Within twelve months	More than twelve months*	Total
As at 31st March, 2026			
Borrowings	42.75	934.26	977.01
Interest Payable (Future contractual cashflow)**	73.12	795.44	868.56
Trade Payables	31.90	-	31.90
Other financial liabilities	1.06	-	1.06
	148.83	1,729.70	1,878.53

**Loan from the Parent Company is payable when the funds will be available with the Company and hence interest on such loans have not been disclosed above.

Particulars	Within twelve months	More than twelve months*	Total
As at 31st March, 2025			
Borrowings	68.41	938.17	1,006.58
Trade payables	9.27	-	9.27
Other financial liabilities	17.23	-	17.23
	94.91	938.17	1,033.08

*The substantial maturity of the financial liabilities are beyond 5 years, hence time bands between 1 to 5 years are not relevant to users and accordingly not presented.

24.3.5 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant, the Company's profit/(loss) for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Total exposure of the company to variable rate of borrowing	840.60	842.49
Impact on profit(loss) before tax for the year		
Increase in 50 basis points	(4.20)	(4.21)
Decrease in 50 basis points	4.20	4.21
Impact of pre-tax equity for the year		
Increase in 50 basis points	(4.20)	(4.21)
Decrease in 50 basis points	4.20	4.21

The year end balances are not necessarily representative of the average debt outstanding during the year.

Exposure to Interest rate risk

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Financial Liabilities		
Fixed rate Instrument	119.50	128.66

Note 25 : Income Taxes

25.1 The income tax expense for the period can be reconciled to the accounting profit as follows:

Tax expenses recognised in Statement of Profit and Loss	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Current tax (A)	-	-
Deferred tax charge/(credit) (B)	1.23	(2.81)
Total tax expenses for the year (A + B)	1.23	(2.81)

Reconciliation of estimated income tax expense at statutory income tax rate to income tax expense reported:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Profit/(loss) before tax	8.16	(16.51)
Enacted income tax rate in India	17.17%	17.17%
Expected Income-tax expense	1.40	(2.83)
Others	(0.17)	0.02
Income-tax expense as per statement of profit and loss	1.23	(2.81)

Note 25.2

The tax rate used for the period FY 2025-26 and FY 2024-25 is at 17.16%. The reconciliations above is the corporate tax rate of payable by corporate entities in India on taxable profits under the Indian tax law.

25.3 Deferred taxes

The following table provides the details of movement of deferred tax assets and liabilities:

Items of deferred tax asset/(liability)	As at 1st April, 2025	(Charge)/Credit in P&L	As at 31st March, 2026
Deferred tax liabilities:			
Difference between book balance and tax balance of property, plant and equipment	(92.71)	(28.63)	(121.34)
Unamortised borrowing cost	(0.22)	(0.84)	(1.06)
Deferred tax assets:			
Unabsorbed depreciation of current period and earlier periods	95.58	28.18	123.76
Expected credit loss allowance	-	0.06	0.06
Deferred tax assets (net)	2.65	(1.23)	1.42

Item of deferred tax asset/(liability)	As at 1st April, 2025	(Charge)/Credit in P&L	As at 31st March, 2026
Deferred tax liabilities:			
Difference between book balance and tax balance of Property, plant and equipment	(36.58)	(56.13)	(92.71)
Unamortised borrowing cost	(0.61)	0.39	(0.22)
Deferred tax assets:			
Unabsorbed depreciation of current period and earlier periods	37.03	58.55	95.58
Deferred tax asset (net)	(0.16)	2.81	2.65

(a) There is a corporate guarantee given by ultimate holding company for the underlying external borrowings taken by the company (Refer note 14(e))

(b) The transactions with related parties are made in the normal course of business and on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the period end are unsecured and settlement occurs in cash.

Note 27 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
Current assets	146.92	96.39	-
Current liabilities	77.42	96.18	-
Ratio (in times)	1.90	1.00	90.00%

Increase in ratio is due to increase in current assets (mainly bank balances) and decrease in current liabilities (mainly current borrowings)

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
Total Debt	970.84	1,005.31	
Total equity	355.27	348.34	
Ratio (in times)	2.73	2.89	-5.54%

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Debt service

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change
EBITDA (A)	143.13	124.00	
Debt Service			
Principal repayments & interest thereon (B) (excluding refinancing)	319.57	102.60	
Ratio (in times) (E=A/B)	0.45	1.21	-62.81%

Decrease in ratio is due to increase in interest and principal repayments of borrowings.

d) Return on Equity Ratio = Net Profit after tax divided by Average Total Equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Net profit/(loss) after tax	6.93	(13.70)	
Average Total Equity	351.81	351.10	
Ratio	1.97%	-3.90%	-150.51%

Increase in ratio is due to net profit in current year

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory

Not Applicable

f) Trade Receivables turnover ratio = Revenue from operations divided by average trade receivables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Revenue from operations	162.18	144.83	-
Average Trade Receivables	15.57	4.80	-
Ratio (in times)	10.42	30.17	-65%

Decrease in ratio is due to increase in trade receivables

g) Trade payables turnover ratio = Purchases divided by average trade payables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Purchases	22.04	23.90	
Average Trade Payables	20.59	5.15	
Ratio (in times)	1.07	4.64	-76.94%

Decrease in ratio is due to increase in trade payables

h) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Revenue from operations	162.18	144.83	-
Current Assets (A)	146.92	96.39	-
Current Liabilities (B)	77.42	96.18	-
Net Working Capital (A-B)	69.50	0.21	-
Average Working Capital	34.86	103.47	-
Ratio	4.65	1.40	232.14%

Increased in ratio is due to increase in current assets and decrease in current liabilities during the year.

i) Net profit ratio = Net loss after tax divided by Net Sales

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Net profit/(loss) after tax	6.93	(13.70)	-
Revenue from operations	162.18	144.83	-
Ratio	4.27%	-9.46%	-145.14%

Ratio has increased due to increase in net profit & increase in revenue during current year

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change
Profit before tax (A)	8.16	(16.51)	-
Finance Costs (B)	94.54	98.80	-
EBIT (C) = (A+B)	102.70	82.29	-
Total assets	1,360.78	1,381.42	-
Less: Deferred tax assets	(1.42)	(2.65)	-
Total (D)	1,359.36	1,378.77	
Total Liabilities	1,005.51	1,033.08	
Total (E)	1,005.51	1,033.08	
Tangible Net Worth (F)=(D)-(E)	353.85	345.69	
Total Debt (G)	970.84	1,005.31	
Capital Employed (H)=(F)+(G)	1,324.69	1,351.00	
Ratio (C)/(H)	7.75%	6.09%	27.26%

Increase in ratio is due to profit during current year

k) Return on Investment = Income from investment divided by the closing balance of the investment

The above ratio is not applicable as the Company has no other investments other than current operations

INDEPENDENT AUDITOR'S REPORT

To The Members of Clean Max Vayu Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Clean Max Vayu Private Limited** (the “Company”), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its financial performance, total comprehensive income, the changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, Director's Report and Management Discussion and Analysis report but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but, is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to standalone financial statements.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, section 197 of the Act related to the managerial remuneration not applicable.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
 - v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

“Annexure A” to the Independent Auditors’ Report

(Refer to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of **Clean Max Vayu Private Limited** of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- 1)
 - (a) (A) The Company has maintained proper records related to full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-to-use asset.

(B) The company is not having any intangible asset. Therefore, the provisions of Clause (i)(a)(B) of paragraph 3 of the order are not applicable to the company.
 - (b) The Company has program of physical verification of Property, Plant and Equipment and right-to-use assets at reasonable intervals, in our opinion, is reasonable having regard to the size of the Company and nature of its assets. According to the information and explanation given to us no material discrepancies were noticed on such verification.
 - (c) The title deeds of immovable properties are held in the name of the company.
 - (d) The company has not revalued its Property, Plant and Equipment (including right-to-use assets) during the year.
 - (e) No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- 2)
 - a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
 - b) The company has not been sanctioned any working capital limits, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- 3) During the year the Company has not made investments, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to the companies, firms, Limited Liability Partnerships or any other parties hence reporting under clause 3(iii)(a) to 3(iii)(f) of the Order is not applicable.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5) The Company has not accepted any deposits or any amount which is deemed to be deposit hence reporting under clause 3(v) of the Order is not applicable.
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company hence reporting under clause 3(vi) of the order is not applicable.

- 7)
- (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Goods & Services Tax, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2026 for a period of more than six months from the date on when they become payable.
 - (b) The company is not covered by the Provident Fund Act and Employee State Insurance Act.
 - (c) According to the information and explanations given to us, there are no statutory dues referred in sub- clause (a) which have not been deposited on account of any dispute. Therefore, the provisions of Clause (vii)(c) of paragraph 3 of the order are not applicable to the Company.
- 8) In our opinion and according to the information and explanations given to us, there is no case of any transaction not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)
- 9)
- (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loan or borrowings or in the payment of interest thereon to any lender during the year.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) In our opinion and according to the information and explanation given to us, the Company has utilised the money obtained by way of term loan during the year for the purpose for which they were obtained.
 - (d) On an overall examination of the financial statements of the Company, the funds raised on short-term basis have, prima facie not been used during the year for long-term purposes by the Company.
 - (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
 - (f) According to the information and explanation given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiary, associates or joint venture (as defined under the Companies Act 2013) and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- 10)
- (a) The Company being the private limited company, it cannot raise money by way of initial public offer or further public offer (including debt instruments) hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) The Company has not made preferential allotment of shares during the year and therefore the requirement of Section 42 and Section 62 of the Companies Act, 2013 are not applicable to the company.
- 11)
- (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - (c) The establishment of whistle-blower mechanism is not applicable to the Company hence reporting under clause 3(xi)(c) is not applicable.

- 12) The company is not a Nidhi Company. Therefore, the provisions of Clause (xii) of paragraph 3 of the order are not applicable to the Company.
- 13) In our opinion, the Company is in compliance with Section 177 and Section 188 of the Companies Act, 2013 with respect to applicable transactions with related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by applicable accounting standard.
- 14)
 - (a) The company is not covered by section 138 of the Companies Act, 2013, related to appointment of internal auditor of the company. Therefore, the company is not required to appoint any internal auditor. Therefore, the provisions of Clause (xiv) of paragraph 3 of the order are not applicable to the Company.
 - (b) Since the Company is not required to have the internal audit system hence reporting under clause 3(xiv)(b) of the Order is not applicable.
- 15) In our opinion and based on the information and explanations given to us, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable.
- 16)
 - a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly reporting under clause 3(xvi)(a) is not applicable.
 - b. The company is not engaged in any Non-Banking Financial or Housing Finance activities during the year. Accordingly reporting under clause 3(xvi)(b) is not applicable.
 - c. In our opinion there is no Core Investment Company or Group within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(c) is not applicable.
- 17) The company has incurred cash loss in the current financial year as well as in the immediately preceding financial year.
- 18) There has been no resignation of the previous statutory auditors during the year.
- 19) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance of the future viability of the Company. We further state that our reporting is based on the facts up to the date of audit report and we neither give any guarantee nor assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- 20) The provisions of section 135 of the Companies Act, 2013 with regards to Corporate Social Responsibility are not applicable to the Company. Therefore, reporting under clause 3 (xx) of the Order is not applicable.

“Annexure B” to the Independent Auditor’s Report

(Refer to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of **Clean Max Vayu Private Limited** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

1. We have audited the internal financial controls over financial reporting of **Clean Max Vayu Private Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.
2. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

Management’s Responsibility for Internal Financial Controls

3. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

4. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

7. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

8. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note 1.1

GENERAL INFORMATION

Clean Max Vayu Private Limited (herein after referred to as "the Company") incorporated on 20th July, 2021 and is engaged in the business of providing common infra services.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13 A, Floor -13, Plot-400, The Peregrine Apartment, Kismat Cinema, Prabhadevi, Mumbai 400025, Maharashtra, India.

The Financial Statements for the year ended 31st March, 2026 were approved by the Board of Directors an authorised for issue on 12th May, 2026.

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(b) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(c) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(d) Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

(g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

(h) Leases:

The company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The company as a lessee

The company assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves:

- (a) the use of an identified asset,
- (b) the right to obtain substantially all the economic benefits from use of the identified asset, and
- (c) the right to direct the use of the identified asset.

Right of Use Asset

The company at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right of-use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets as follows:

Category of Lease	Useful life
Leasehold land	30

The company applies Ind AS 36 to determine whether a Right-of-Use asset is impaired and accounts for any identified impairment loss in the Statement of Profit and Loss as described in the note (h) above.

Lease Liabilities

For lease liabilities at inception, the company measures the lease liability at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the company and payments of penalties for terminating the lease, if the lease term reflects the company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

The company recognizes the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use assets is reduced to zero and there is a further reduction in the measurement of the lease liability, the company recognizes any remaining amount of the re-measurement in the Statement of Profit and Loss.

(i) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(j) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

(k) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(l) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification .

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(m) Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented.

Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

(n) Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (b) above.

Note 1.3

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a) MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 “Presentation of Financial Statements”, which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management’s expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

Note 1.4

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

Earnings per share (Rs.)	(9,624.23)	(13,816.80)

Note 23: Financial Instruments

23.1 Capital management

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The Company has obtained unsecured borrowings from Parent Company.

The management reviews the capital structure on a quarterly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows

Particulars	As at 31st March, 2026 (Rs. In Millions)	As at 31st March, 2025 (Rs. In Millions)
Debt (i)	1,809.11	1,524.81
Less: Cash and cash equivalents	129.74	51.68
Net Debt (A)	1,679.37	1,473.13
Total capital (ii)	(32.54)	(22.89)
Capital and Net debt (B)	1,646.83	1,450.24
Net Debt to Total Capital plus net debt ratio% (A/B)	102%	102%

(i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings (including accrued interest).

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowings in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2026.

23.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

23.3 Fair value hierarchy

a) The fair value measurement hierarchy of the Company's assets and liabilities are as follows:

Particulars	Level	As at 31st March, 2026	As at 31st March, 2025	Valuation technique(s) and key input(s)	Significant unobservable inputs	Sensitivity of inputs to fair value measurement
Financial assets		-	-			
		-	-			

For description of level 1, level 2 and level 3, refer material accounting policies.

b) Movement of items measured using unobservable inputs (Level 3):

Particulars	Liability towards investment in subsidiaries by Alternate Investment Fund (Financial liability)
Balance as at 31st March, 2024	-
Movement during the period	-
Balance as at 31st March, 2025	-
Movement during the year	-
Balance as at 31st March, 2026	-

c) Sensitivity analysis of items measured using unobservable inputs (Level 3):

A one percentage point change in the unobservable inputs used in fair valuation of Level 3 assets and liabilities does not have a significant impact in its value.

d) Transfer between Level 1, Level 2 and Level 3

There are no transfers between level 1, level 2 and level 3.

23.4 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

23.4.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

The maximum exposure to the credit risk at the reporting date is from trade receivables amounting to a total of Rs. 2019.70 millions for the year ended 31st March, 2026 (for the year ended 31st March, 2025 Rs. 82.70 millions).

Credit risk has been managed by the Company through continuous monitoring of its outstanding trade receivable balances and regular followups with customer wherein balances are outstanding for more than 60 days. No significant credit risk has been perceived on recoverability of trade receivables since trends during the year reflect ageing of trade receivables as 90 days or less.

Bank balances are held with reputed and creditworthy banking institutions.

23.4.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

23.4.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

23.4.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	13.37	1,795.74	1,809.11
Trade payables	58.15	-	58.15
Lease liability	41.16	1,900.78	1,941.94
Other financial liability	645.76	-	
	<u>758.44</u>	<u>3,696.52</u>	<u>3,809.20</u>
As at 31st March, 2025			
Borrowings	650.31	874.50	1,524.81
Trade payables	10.61	-	10.61
Lease liability	8.17	265.41	273.58
Other financial liability	393.62	-	393.62
	<u>1,062.71</u>	<u>1,139.91</u>	<u>2,202.62</u>

23.4.6 Interest rate risk
There is no interest rate risk applicable to the Company as its borrowings are at fixed rate.

Note 24 : Income Taxes

24.1 The income tax expense for the year can be reconciled to the accounting profit as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Loss before tax	(12.34)	(18.49)
Enacted income tax rate in India	25.17%	25.17%
Income tax expense calculated at 25.17%	(3.11)	(4.65)
Effect of items on which no deferred tax is created	0.42	(0.03)
Income tax expense recognised in Statement of Profit and Loss	(2.69)	(4.68)

Note 24.2

The tax rate used for the year ended 31st March, 2026 and 31st March, 2025 is at 25.17%. The reconciliations above is the corporate tax rate of payable by corporate entities in India on taxable profits under the Indian tax law.

Note 24.3 Deferred taxes

The following table provides the details of movement of deferred tax assets and liabilities:

For the year ended 31st March, 2026

Item of deferred tax asset/(liability)	Opening Balance	(Charge)/Credit in P&L	Closing Balance

Note 26 - Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Current Assets	2,582.13	360.80	-
Current Liabilities	1,065.26	1,118.59	-
Ratio	2.42	0.32	656.25%

The ratio has increased due to increase in current assets

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Total Debt	1,809.11	1,524.81	-
Total Equity	(32.54)	(22.89)	-
Ratio	(55.60)	(66.61)	-16.53%

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
EBITDA	181.23	3.62	-
Total interest and principal repayments	3,053.57	0.08	-
Ratio	0.06	45.25	-99.87%

The ratio has decreased due to increase in EBITDA

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Equity attributable to owners of the Company

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax attributable to owners of the Company	(9.65)	(13.81)	-
Average equity attributable to owners of the Company	(27.72)	(15.99)	-
Ratio	0.35	0.86	-59.30%

The ratio has decreased due to decrease in networth.

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory - NA as no Inventory and purchases of goods

f) Trade Receivables turnover ratio = Sales divided by trade receivables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Sales	249.00	22.06	-
Average trade receivables	1,051.20	80.28	-
Ratio	0.24	0.27	-11.11%

g) Trade payables turnover ratio = purchases divided by trade payables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Purchases	25.13	17.26	-
Average trade payables	42.92	5.30	-
Ratio	0.59	3.26	-81.90%

The ratio has decreased due to increase in trade payables.

h) Net Working Capital Turnover Ratio = Sales divided by Working capital whereas net working capital= current assets - current liabilities

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Sales	249.00	22.06	-
Current Assets (A)	2,582.13	360.80	-
Current Liabilities (B)	1,065.26	1,118.59	-
Net Working Capital (A-B)	1,516.87	(757.79)	-
Ratio	0.16	(0.03)	633.33%

The ratio has increased due to increase in working capital.

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net Loss after tax	(9.65)	(13.81)	-
Net Sales	249.00	22.06	-
Ratio	(0.04)	(0.63)	93.65%

The ratio has increased due to increase in net sales.

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net loss after tax(A)	(9.65)	(13.81)	-
Finance Costs (B)	154.82	6.63	-
Total Tax Expense (C)	(2.69)	(4.68)	-
EBIT (D) = (A)+(B)+(C)	142.48	(11.86)	-
			-
Total equity (E)	(32.54)	(22.89)	-
Total debt (H)	1,809.11	1,524.81	-
Capital Employed (I)=(E)-(F)-(G)+(H)	1,776.57	1,501.92	-
Ratio (D)/(I)	0.08	(0.01)	900.00%

The ratio has increased due to increase in capital employed.

k) Return on Investment = Income from investment divided by the closing balance of the investment

The above ratio is not applicable since the Company does not have any projects/investments other than current operations

Footnote:

The above Non-GAAP measures presented may not be comparable to similarly titled measures reported by other companies. Further, it should be noted that these are not a measure of operating performance or liquidity defined by generally accepted accounting principles and may not be comparable to similarly titled measures presented by other companies.

Note 36 : Other Regulatory Disclosures relating to borrowings and loans

a) The Company has not given Loans or advances in the nature of loans to promoters, directors, KMPs and the related parties, that are repayable on demand or without specifying any terms or period of repayment.

b) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) No funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Note 37

Supplier Financing

The Company has entered into supplier finance arrangements with certain banks and financial institutions ("the finance providers") to facilitate the early payment of dues on its behalf to the Company's vendors who may elect to factor their invoice from the Company. The finance providers shall pay the amounts to a participating vendor in respect of invoices owed by the Company and receive settlement from the Company at a later date.

By virtue of commercial agreement with the finance providers, the Company gets additional credit period of 60-180 days to settle the payment with the finance providers which does not significantly extend payment terms beyond the normal terms agreed with other suppliers that are not participating; however, the arrangement does provide participating suppliers with the benefit of early payment.

Note 37

Disclosures required under schedule III

- The Company has no relationship and transactions with struck off companies.
- The Company has not any entered in scheme of arrangement under section 230 to 237 of Companies Act 2013.
- The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- The Company has complied with the number of layers prescribed under clause (87) of Section 2 of the Companies Act, 2013 read with the companies (Restriction on number of layer) Rules, 2017.

Note 38

- (a) Previous years figures have been regrouped / reclassified wherever necessary to correspond with the current year classification / disclosure.
- (b) There are no events occurring after reporting due as at 31st March, 2026.

Independent Auditor's Report

To the Members of Clean Max Vent Power Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Clean Max Vent Power Private Limited (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Independent Auditor's Report (Continued)

Clean Max Vent Power Private Limited

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a. The financial statements of the Company for the year ended 31 March 2025 were audited by the predecessor auditor who had expressed an unmodified opinion on 23 May 2025.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement

Independent Auditor's Report (Continued)

Clean Max Vent Power Private Limited

on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 A. As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors 01 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. the modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 37 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 37 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above,

Independent Auditor's Report (Continued)

Clean Max Vent Power Private Limited

contain any material misstatement.

- e. The Company has neither declared nor paid any dividend during the year.
- f. Based on our examination which included test checks, except for the instance mentioned below, the Company has used accounting software for maintaining the books of account relating to general ledger, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. The feature of recording audit trail (edit log) was not enabled at the database level for the period from 1 April 2025 to 27 March 2026 to log any direct data changes for the accounting software used for maintaining the books of account relating to general ledger. Further, for the periods where audit trail (edit log) facility was enabled and operated, we did not come across any instance of audit trail feature being tampered. Additionally, where the audit trail (edit log) functionality was enabled and operated in the previous years the audit trail has been preserved by the Company as per the statutory requirements for record retention.

- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Vent Power Private Limited for the year ended 31 March 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified every year. In accordance with this programme, entire property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company is a service company, primarily rendering generation and sale of electricity. Accordingly, it does not hold any physical inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security and therefore the relevant provisions of Sections 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company. Accordingly, clause 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the services provided by it. Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and

Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Vent Power Private Limited for the year ended 31 March 2026 (Continued)

Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, , Income-Tax or other statutory dues have been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Income-Tax or other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to Goods and Service Tax, Income-Tax or other statutory dues, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, the Company has not obtained any term loans during the year and the term loans obtained in the previous periods were fully utilised in the respective periods. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(e) is not applicable.
- (f) the Company does not have any investment in subsidiary or joint venture or associate companies and therefore the Company has not raised any loans during the year on the pledge of securities or joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been

**Annexure A to the Independent Auditor's Report on the Financial Statements of Clean Max Vent Power Private Limited for the year ended 31 March 2026
(Continued)**

- noticed or reported for the period covered under audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - (c) Establishment of vigil mechanism is not mandated for the Company. As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
 - (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
 - (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
 - (xiv) (a) In our opinion and based on the information and explanations provided to us, the Company does not have an Internal Audit system and is not required to have an internal audit system as per Section 138 of the Act.
 - (b) In our opinion and based on the information and explanations provided to us, the Company does not have an internal audit system and is not required to have an internal audit system as per Section 138 of the Act. Accordingly, clause 3(xiv)(b) of the Order is not applicable.
 - (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
 - (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
 - (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
 - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
 - (d) The Company is not part of any group (as defined in the regulations made by the Reserve Bank of India). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
 - (xvi) The Company has incurred cash losses of Rs 28.59 million in the current financial year however, no cash loss was incurred in the previous year.
 - (xviii) There has been resignation of the statutory auditors during the year and based on the information and explanations given to us by the management and the response received by us pursuant to our communication with the outgoing auditors, there have been no issues, objections or concerns raised by the outgoing auditors.
 - (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

Annexure B to the Independent Auditor’s Report on the financial statements of Clean Max Vent Power Private Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Clean Max Vent Power Private Limited (“the Company”) as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

Annexure B to the Independent Auditor's Report on the financial statements of Clean Max Vent Power Private Limited for the year ended 31 March 2026 (Continued)

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors and authorised for issue on 12th May, 2026.

Note 1.2**BASIS OF PREPARATION AND ACCOUNTING**

The Financial Statements of Clean Max Vent Power Private Limited comprise the Balance Sheet as at 31st March 2026, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year ended 31st March 2026, and notes to the Financial Statements, including material accounting policies (hereinafter referred to as "the Financial Statements").

These Financial Statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") as specified under Section 133 of the Companies Act, 2013, as amended (the "Act") and other accounting principles generally accepted in India and presentation requirements of Schedule III of the Act.

These Financial Statements have been prepared on a going concern basis. The accounting policies are applied consistently over the period.

These Financial Statements were authorised for issue by the Company's board of directors on 12th May, 2026. These Financial Statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest million, unless otherwise indicated.

Note 1.3**MATERIAL ACCOUNTING POLICIES****Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue excludes indirect taxes which are collected on behalf of Government.

(i) Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

(ii) Revenue from sale of services:

Revenue from services rendered over a period of time, such as operation and maintenance contracts, are recognised over the period of the performance obligation.

(iii) Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue is recognised for work performed under a contract but has not yet been invoiced to the customer.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

Other income

Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Insurance claim:

Insurance claim on loss of asset and profit is recognised on receipt basis in the Statement of Profit and Loss.

Goods and Service tax input credit

Goods and Service tax input credit is accounted for in the books in the period in which the underlying goods and service received is accounted and when there is reasonable certainty in availing / utilizing the credits.

Foreign Currencies

The functional currency of the Company is the Indian rupee (Rs.).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in profit or loss.

Foreign currency denominated non - monetary assets and liabilities that are measured at historical cost are not retranslated.

Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

a Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognised in the Statement of Profit and Loss except to the extent that the tax relates to items recognised outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statement and the corresponding tax bases used in the computation of taxable profit.

Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that:
 - is not a business combination; and
 - at the time of the transaction (i) affects neither accounting nor taxable profit or loss and (ii) does not give rise to equal taxable and deductible temporary differences
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on the reversal of relevant taxable temporary differences. If the amount of taxable temporary differences is insufficient to recognise a deferred tax asset in full, then future taxable profits, adjusted for reversals of existing temporary differences, are considered, based on the business plans for individual subsidiaries in the Company. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Property, Plant and Equipment, Capital work in progress and Depreciation

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Borrowing cost allocated to and utilised for qualifying assets pertaining to the period up to the date of capitalisation is added to the cost of the assets. Salary cost and cost of travelling directly attributable has been capitalised to the cost of capital work in progress.

Freehold land is not depreciated.

Any gain or loss arising on derecognition / disposal of an asset is included in profit or loss.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant, Wind Farms and Hybrid Farms where the life is change from 25-30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

Impairment of non-financial assets

At each reporting date, non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

Impairment of financial assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. Expected Credit Losses (ECLs) are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

Clean Max Vent Power Private Limited**CIN: U40108MH2020PTC340578****Notes to the financial statements for the year ended 31st March, 2026***(Currency: Amount in ₹ million unless otherwise stated)*

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Company assesses ECL associated with its assets carried at amortized cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ('C&I') customers. Delayed payment carries interest as per the terms of agreements with C&I customers. The Company uses practical expedient for computing the Impairment losses on trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information, including a single-factor macroeconomic adjustment.

Financial Instruments**Financial assets****Classification**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate and recorded at transaction price. The Company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets (excluding trade receivables that are recorded at transaction price) are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified in three categories:

•Financial assets at Amortised cost

A financial asset is measured at amortised cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest (EIR) method. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR and reported as part of interest income in the Statement of Profit and Loss. The losses if any, arising from impairment are recognised in the Statement of Profit and Loss.

•Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognised in the Statement of Profit and Loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

•Financial assets at fair value through other comprehensive income (FVOCI) – debt investment

A debt investment is measured at FVOCI if both of the following conditions are met:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at fair value. Interest income is recognised using the effective interest (EIR) method. The loss allowance is recognized in other comprehensive income and does not reduce the carrying value of the financial asset. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of Profit and Loss.

•Financial assets at fair value through other comprehensive income (FVOCI) – equity investment

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income. This election is made on an investment-by-investment basis.

After initial measurement, such financial assets are subsequently measured at fair value. Dividends are recognised as income in Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Statement of Profit and Loss.

Derecognition of financial asset**Subsequent measurement****Borrowings**

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised. Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Clean Max Vent Power Private Limited

CIN: U40108MH2020PTC340578

Notes to the financial statements for the year ended 31st March, 2026*(Currency: Amount in ₹ million unless otherwise stated)***Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Share capital**Ordinary equity shares**

Incremental costs directly attributable to the issue of ordinary equity shares and share options are recognised as a deduction from equity, net of any tax effects.

Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for financial and non-financial assets and liabilities. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

Provisions, contingent liabilities and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

The weighted average number of equity shares outstanding is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Clean Max Vent Power Private Limited**CIN: U40108MH2020PTC340578****Notes to the financial statements for the year ended 31st March, 2026***(Currency: Amount in ₹ million unless otherwise stated)***Earnings before interest, tax, depreciation, impairment and amortization (EBITDA)**

The Company presents EBITDA in the Statement of Profit and Loss; this is not specifically required by Ind AS 1. The term EBITDA is not defined in Ind AS. Ind AS compliant Schedule III allows companies to present line items, sub-line items and sub-totals as an addition or substitution on the face of the financial statements when such presentation is relevant to an understanding of the Company's financial position or performance to or to cater to industry/sector-specific disclosure requirements or when required for compliance with the amendments to the Companies Act or under the Indian Accounting Standards.

Measurement of EBITDA

Accordingly, the Company has elected to present EBITDA as a separate line item on the face of the Statement of Profit and Loss. In its measurement, the Company does not include exceptional items, depreciation, impairment and amortisation expenses, finance costs, share of profit from joint ventures and associate and income tax expense.

Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

Borrowing cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

The Company suspends capitalization of borrowing costs during extended periods in which it suspends active development of a qualifying asset.

The entity determines the amount of borrowing costs eligible for capitalization as the actual borrowing costs incurred on that borrowing during the period less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. If any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. In case if the entity borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalization are determined by applying a capitalization rate to the expenditure on that asset.

Critical accounting judgements and key sources of estimation uncertainty

The preparation of Financial Statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities/contingent assets as at the date of the Financial Statement and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the Financial Statement pertain to:

- Useful lives of property, plant and equipment and other intangible assets. The Company reviews the useful life of property, plant and equipment and other intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortization expense in future periods.

- Impairment of non-financial assets including ROU asset . The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results, growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

- Impairment of investments : The Company reviews its carrying value of investments annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

- Defined benefit plans : The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

- Impairment of financial assets : The impairment provision for financial assets (other than trade receivables) are based on assumptions of risk of default and expected loss rates. The Company makes judgements about these assumptions for selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Trade receivables are stated at their transaction values as reduced by appropriate allowances for estimated irrecoverable amounts which are based on the aging of the receivable balances and historical experiences. Individual trade receivables are written off when management deems them not be collectible.

Notes to the financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

Note 1.4: Recent Pronouncements

The Ministry Of Corporate Affairs ("MCA") notifies new standards or amendments to the existing Standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial Statements.

In August 2025, MCA notified the following amendments to:

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
- Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk.
- Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

Footnotes:

- (a) For details of pledged assets refer note 13
(b) Figures in italics pertain to previous year.
(c) The Company is not holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988).
(d) The title deeds / lease agreement of Immovable properties are held in the name of the Company as at 31st March, 2026.
(e) Borrowing cost of the Rs. NIL (31st March 2025 : Rs. NIL) directly attributable to the acquisition and construction of the asset has been capitalised.
(f) The Company makes an assessment for impairment of Property, Plant and Equipment when facts and circumstances indicate that carrying values of such assets may not be recoverable. When evaluating for impairment, the carrying value of the asset is compared to the asset's estimated future discounted cash flows. The trigger for impairment occurs if the estimated discounted future cash flows are less than the carrying value of the asset. The value of impairment is determined by comparing the carrying value of the asset to the asset's recoverable value and recognize an impairment charge when the asset's carrying value exceeds its estimated recoverable value. The recoverable value of the asset is estimated using a discounted cash flow model based on forecasted future revenues and operating costs, using internal projections. For such projections, discount rate of 8.53% (31st March, 2025: 10.5%) has been considered. Discount rate has been determined considering the Weighted Average Cost of Capital (WACC) of market benchmarks. Depreciation for the year includes impairment of Rs. Nil (31st March, 2025: Rs. Nil)
(g) The Company has not revalued its Property, Plant and Equipment as on each reporting year and therefore, Schedule III disclosure requirements with respect to fair value details is not applicable.
(h) On transition to Ind AS, the carrying values of all the Property, plant and equipment under the previous GAAP have been considered to be the deemed cost under Ind AS.
(i) During the year ended 31st March, 2026, the Company conducted an operational efficiency review of its Solar Farm, Wind and Common Infra. Based on the review, with effect from 1st January, 2026 the expected useful life of Solar Farm and Common Infra has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid financial statements.

The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
Decrease in depreciation expense*	1.81	7.18	7.18	7.18	7.18	7.18
Deferred tax impact	(0.46)	(1.81)	(1.81)	(1.81)	(1.81)	(1.81)
Net depreciation expense	1.35	5.37	5.37	5.37	5.37	5.37

* Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, while factoring in expected asset retirement.

(b) Other Intangible assets

Particulars	Gross Block		Accumulated Amortization		Net Block	
	As at 1st April, 2025	Addition	Deduction	As at 31st March, 2026	As at 31st March, 2026	As at 31st March, 2026
Commercial Right of Use	9.56 9.56	- -	- -	9.56 9.56	1.49 1.21	1.79 1.49
Total	9.56	-	-	9.56	1.49	7.77
<i>Total</i>	<i>9.56</i>	<i>-</i>	<i>-</i>	<i>9.56</i>	<i>1.49</i>	<i>8.07</i>

Footnotes:

- Figures in italics pertain to previous year.
- For details of pledged assets, refer note 13.
- The Company makes an assessment for impairment of Intangible Assets when facts and circumstances indicate that carrying values of such assets may not be recoverable. When evaluating for impairment, the carrying value of the asset is compared to the asset's estimated future discounted cash flows. The trigger for impairment occurs if the estimated discounted future cash flows are less than the carrying value of the asset. The value of impairment is determined by comparing the carrying value of the asset to the asset's recoverable value and recognize an impairment charge when the asset's carrying value exceeds its estimated recoverable value. The recoverable value of the asset is estimated using a discounted cash flow model based on forecasted future revenues and operating costs, using internal projections. For such projections, discount rate of 8.53% (31st March, 2025; 10.5%) has been considered. Discount rate has been determined considering the Weighted Average Cost of Capital (WACC) of market benchmarks. Depreciation for the year includes impairment of Rs. Nil (31st March, 2025; Rs. Nil)
- On transition to Ind AS, the carrying values of all the other intangible assets under the previous GAAP have been considered to be the deemed cost under Ind AS.
- No borrowing cost were capitalised during the year as well as previous year, as none were directly attributable to the acquisition or construction of qualifying asset.

Footnotes:
(a) The transactions with related parties are made in the normal course of business and on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the period end are unsecured and settlement occurs in cash.

*The figures are less than the denomination disclosed, the figures do not appear.

Note 25 : Financial Instruments

25.1 Capital management

The Company manages its capital to ensure that it will be able to continue as a Going Concern while maximising the return to stakeholders through the optimisation of debt and equity balance.

Gearing ratio

The capital structure of the Company consists of net debt and total equity.
The gearing ratio at the end of the year is as follows:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Total Debt (i)	1,432.07	1,564.88
Less:Cash and cash equivalents	1.28	20.77
Net debt (A)	1,430.79	1,544.11
Total Equity	46.19	117.05
Total adjusted equity (B)	1,476.98	1,661.16
Net debt to adjusted equity ratio [A/B]	0.97	0.94

- (i) Debt is defined as non-current borrowings (including current maturities) and current borrowings.
(ii) Capital is defined as equity share capital and other equity
In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lender to immediately call loans and

Details of the breach in financial covenants are as below and waiver has been obtained before the reporting date from the respective lender for the same:

Particulars	Amount outstanding (excluding EIR)	
	As at March 31, 2026	As at March 31, 2025
Loan 1	1253.48	1,296.00

No changes were made in the objective, policies or processes for managing capital during the year ended March 31, 2026 and March 31, 2025.

25.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

25.3 Fair value Heirachy

The fair value of the cash and cash equivalents, bank balances other than cash and cash equivalents, trade receivables, trade payables, borrowings, other financial liabilities and other financial assets carried at amortised cost reasonably approximate their carrying amounts, accordingly level 1, level 2 and level 3 disclosure are not presented.

25.4 Financial Risk Management objectives

The Management of the Company monitors and manages the financial risks relating to the operations of the Company on a continuous basis. These risks include market risk (including currency risk, interest rate risk and other price risk), credit
The Company does not have foreign currency and hence no currency risk.
Compliance with policies and exposure limits is reviewed internally on a continuous basis.

CIN: U40108MH2020PTC340578

Notes to the Financial Statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

25.4.1 Credit risk management

Credit risk refers to the risk that the counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivable, bank balances other than cash and cash equivalents, unbilled receivables and other receivables.

The maximum exposure to the credit risk at the reporting date is from trade receivables amounting to Rs. 23.60 millions as at 31st March, 2026 (31st March, 2025: 21.06 million).

Credit is extended only after due approvals and evaluation in terms of the Credit Policy applicable for such sale. The process of extending credit approval, takes into account various factors such as publicly available financial information, market feedback, and past business patterns etc. Many of the Company's customers have been transacting since inception and the incidence of bad debts has been very low. Such credit limits extended to trade receivables are monitored by the Board of Directors and protective action are initiated to avoid a default. In view of the short nature of its trade receivables, the Company makes provision for credit risk on an individual basis, if any. Individual customer credit limits are imposed based on relevant factors such as market feedback, business potential and past records on selective basis. In addition, the Company uses practical expedient for computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due from the date of invoice and the rates as given in the provision matrix.

Further, all the financial assets other than mentioned above i.e. security deposits and other receivables are considered to have low credit risk as the counter parties have strong capacity to meet its cash flow obligations as and when due. Credit risk arising from unbilled revenue are considered to have low credit risk as the counter parties have strong capacity to meet its cash flow obligations as and when due.

Credit risk arising from other balance with bank is limited and there is no collateral held against these because the counter parties are bank and recognised financial institutions with high credit ratings.

Refer note 21(a) for reconciliation of expected credit loss allowance.

25.4.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk

Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

25.4.3 Liquidity risk management

The Company manages its funds from internal accruals, borrowings and fund raising through equity. The liquidity risk is managed by utilising banking facilities and by matching the maturity profiles of financial assets and liabilities.

As at the year ended March 31, 2026, the Company's current liabilities have exceeded the current assets by Rs. 12.93 million. Having regard to, non-current lien marked fixed deposits of Rs. 1.09 million which may be used to repay current maturities of borrowings, predicated cash flows from operations in the financial year 2025-26 and the Board of Directors have concluded on the ability of the Company to generate sufficient future cash flows to be able to meet its obligations, as and when due, in the foreseeable future.

CIN: U40108MH2020PTC340578

Notes to the Financial Statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

Maturities of financial liabilities:

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Financial liabilities

Particulars	Within twelve months	More than twelve months*	Total
As at 31st March, 2026			
Borrowings	45.23	1,383.11	1,428.34
Interest payables (future contractual outflow)**	111.29	1,009.65	1,120.94
Trade payables	18.64	-	18.64
Other financial liabilities	1.97	-	1.97
	177.13	2,392.76	2,569.89

** Loan from Parent Company is payable as and when the funds will be available with the Company and hence interest on such loans have not been disclosed above.

Particulars	Within twelve months	More than twelve months*	Total
As at 31st March, 2025			
Borrowings	53.15	1,516.98	1,570.13
Trade payables	19.69	-	19.69
Other financial liabilities	5.43	-	5.43
	78.27	1,516.98	1,595.25

*The substantial maturity of the financial liabilities are beyond 5 years, hence time bands between 1 to 5 years are not relevant to users and accordingly not presented.

25.4.4 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company’s exposure to the risk of changes in market interest rates relates primarily to the Company’s non current debt obligations with floating interest rates. The Company’s external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management’s assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant ,the Company's loss for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Total exposure of the company to variable rate of borrowing	1,253.48	1,296.00
Impact on loss before tax for the year		
Increase in 50 basis points	(6.27)	(6.48)
Decrease in 50 basis points	6.27	6.48
Impact of pre-tax equity for the year		
Increase in 50 basis points	(6.27)	(6.48)
Decrease in 50 basis points	6.27	6.48

Exposure to Interest rate risk

Particular	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Finanicial Liabilities		
Fixed rate Instrument	1,253.48	1,296.00

The year end balances are not necessarily representative of the average debt outstanding during the year.

Note 26

Income taxes

26.1 Tax expenses recognised in Statement of Profit and Loss

	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Current tax		
Deferred tax credit	-	-
Total tax expenses for the year (A + B)	(37.15)	(8.68)
	(37.15)	(8.68)

26.2 Reconciliation of estimated income tax expense at statutory income tax rate to income tax expense reported in Statement of Profit and Loss is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Loss before tax and exceptional items	(108.01)	(30.54)
Enacted income tax rate in India	25.17%	17.16%
Expected Income-tax expense	(27.19)	(5.24)
Others	(9.96)	(3.44)
Income-tax expense as per statement of profit and loss	(37.15)	(8.68)

26.3

The tax rate used for FY 2025-26 is 25.17% and FY 2024-25 is at 17.16%. The reconciliations above is at corporate tax rate payable by corporate entities in India on taxable profits under the Indian tax law.

Note 26.4

Details of carried forward losses on which deferred tax is not recognised are as follows:

Deductible temporary differences

Business loss

FY 20-21

FY 22-23

As at 31st March, 2026	
Amount	Expiry Date
3.37	2028-29
18.21	2030-31

Business loss

FY 20-21

FY 22-23

FY 23-24

As at 31st March, 2025	
Amount	Expiry Date
3.37	2028-29
18.21	2030-31
507.35	2031-32

26.5 Movement of Deferred Tax**Deferred tax assets (net)****Deferred tax liabilities:**

Difference between book balance and tax balance of property, plant and equipment

Unamortised borrowing cost

Deferred tax assets:

Unabsorbed depreciation

Deferred Revenue

Expected Credit Loss Allowance

Net Deferred tax assets

	As at 1st April, 2025	(Charged) / credited to Profit and Loss	As at 31st March, 2026
	(191.27)	(125.89)	(317.16)
	(0.90)	(0.40)	(1.30)
		-	
	211.75	146.23	357.98
		17.35	17.35
	0.74	(0.13)	0.61
	20.32	37.16	57.48

Deferred tax assets (net)**Deferred tax liabilities:**

Difference between book balance and tax balance of property, plant and equipment and intangible assets

Unamortised borrowing cost capitalised

Deferred tax assets:

Unabsorbed depreciation

Expected Credit Loss Allowance

Net Deferred tax assets

	As at 1st April, 2024	(Charged) / credited to Profit and Loss	As at 31st March, 2025
	(170.87)	(20.40)	(191.27)
	(0.93)	0.03	(0.90)
	183.07	28.68	211.75
	0.35	0.39	0.74
	11.62	8.68	20.32

The Company has long term power purchase contracts with its customers which provide reasonable certainty of the future taxable profits. Therefore, the deferred tax assets have been recognised.

Note 27

Segment Reporting

Operating Segments are reported in a manner consistent with the internal reporting provided to the Chief operating decision maker ("CODM") of the Company. The CODM who is responsible for allocating resources and assessing performance of the operating segments has been identified as the Board of Directors of the Company.

The Company operates only in one business segment i.e. "Sale of Power" which is reviewed by CODM and all the activities incidental thereto are within India, hence Company does not have any reportable segments as per Ind AS 108 "Operating Segments".

Information about major customers:-

The details of the customers from where the company has earned more than 10% of its total revenue are as under:-

	<u>% of total revenue</u> <u>For the year ended</u> <u>31st March, 2026</u>	<u>% of total revenue</u> <u>For the year ended</u> <u>31st March, 2025</u>
Customer A	13.00%	21.58%
Customer B	0.00%	15.70%
Customer C	0.00%	15.39%
Customer D	0.00%	10.74%

Note 28- Key ratios

a) Current Ratio = Current assets divided by Current liabilities

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Current assets	72.18	150.88	
Current liabilities	85.10	100.45	
Ratio (in times)	0.85	1.50	-43%

The ratio has decreased due to a decrease in current assets.

b) Debt Equity ratio = Total debt divided by total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change (%)
Total Debt	1,432.07	1,564.88	
Total equity	46.19	117.05	
Ratio (in times)	31.00	13.37	132%

The ratio has increased due to a decrease in total equity

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Debt service

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
EBITDA (A)	337.34	200.64	
Debt service			
Principal repayments & interest thereon (C) (excluding refinancing)	279.98	185.66	
Total debt service (D = B+C)	279.98	185.66	
Ratio (in times) (E = A/D)	1.20	1.08	11%

The ratio has decreased due to increase in principal repayments.

d) Return on Equity Ratio = Net (loss) after tax divided by Average Total Equity

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net Loss after tax	(70.86)	(21.86)	
Average Total Equity	81.62	127.71	
Ratio	-86.82%	-17.12%	407.13%

The ratio has increased due to increase in net loss during the year.

e) Inventory turnover ratio = Cost of goods sold divided by average inventory

The above ratio is not applicable as the Company has no inventory

f) Trade Receivables turnover ratio = Revenue from operations divided by average trade receivables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Revenue from operations	410.45	258.87	
Average Trade Receivables	18.96	14.60	
Ratio (in times)	21.65	17.73	22%

The ratio has increased due to increase in average trade receivables.

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Purchases	61.81	56.88	
Average Trade Payables	19.17	17.26	
Ratio (in times)	3.22	3.30	-2%

Clean Max Vent Power Private Limited

Notes to the Financial Statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

h) Net Working Capital Turnover Ratio = Revenue from operations divided by working capital

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Revenue from operations	410.45	258.87	
Current Assets (A)	72.18	150.88	
Current Liabilities (B)	85.10	100.45	
Net Working Capital (A-B)	(12.92)	50.43	
Average Working Capital	18.76	86.23	
Ratio	21.88	3.00	629.33%

The ratio has increased due to decrease in working capital.

i) Net Profit ratio = Net profit/(loss) after tax divided by revenue from operations

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net (Loss) after tax	(70.86)	(21.86)	
Revenue from operations	410.45	258.87	
Ratio	-17.00%	-8.00%	112.50%

The ratio has increased due to increase in net loss during the year.

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	Change (%)
Net (Loss) after tax(A)	(70.86)	(21.86)	
Finance Costs (B)	365.93	149.97	
EBIT (C) = (A+B)	295.07	128.11	
Total assets	2,011.68	2,171.77	
Less: Other Intangible Assets	(7.77)	(8.07)	
Less: Deferred tax assets	(57.47)	(20.32)	
Total (D)	1,946.44	2,143.38	
Total Liabilities	1,965.49	2,054.72	
Total (E)	1,965.49	2,054.72	
Tangible Net Worth (F)=(D)-(E)	(19.05)	88.66	
Total Debt (G)	1,432.07	1,564.88	
Capital Employed (H)=(F)+(G)	1,413.02	1,653.54	
Ratio (C)/(H)	21%	8%	162.50%

The ratio has increased due to decrease in working capital.

k) Return on Investment = Income from investment divided by the closing balance of the investment

The above ratio is not applicable as the Company has no project/investments other than current operations

**Clean Max Victoria
Private Limited**

INDEPENDENT AUDITOR'S REPORT

To the members of CLEAN MAX VICTORIA PRIVATE LIMITED,

Report on the Ind AS financial statements

Opinion

We have audited the accompanying Ind AS financial statements of **Clean Max Victoria Private Limited** ("the Company"), which comprise the Balance Sheet as at 31 March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in equity and the Statement of cash flows for the year ended 31st March, 2026. and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Ind AS financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including annexures to Board's Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Management's responsibility for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we have given in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph (b) above on reporting under Section 143(3)(b) of the Act and paragraph (i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the Internal Financial Controls over financial reporting of the company and the operating effectiveness of such control, refer to my separate report in "**Annexure B**"; and

(h) In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year and hence reporting on compliance under provisions of section 197(16) of the Act, does not apply.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company does not have any pending litigations which would impact its financial position;
- (ii) The Company did not have any foreseeable losses on long term contracts and had no derivative contracts outstanding as at 31 March 2026; and
- (iii) The Company did not have any dues on account of Investor Education and Protection Fund.
- (iv)
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contain any material misstatement.

- (v) Reporting under clause (f) of Rule 11 of Companies (Audit and Auditors) Rules, 2014 is not applicable since the Company has not declared or paid dividend during the year.
- (vi) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software for the period for which the audit trail feature was operating.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure 'A' to Independent Auditor's Report

Referred under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Clean Max Victoria Private Limited on Ind AS financial statements for the year ended March 31, 2026.

(i)

- a) A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of Capital work-in-progress.

B) The Company does not have Intangible assets and hence reporting under clause 3(i)(a)(B) is not applicable.
- b) The Company has a regular programme of physical verification of its Property, Plant and Equipment and Capital work-in-progress by which all fixed assets are verified once during the year. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us by the management, and on the basis of our examination of the records of the company, the company does not have any immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) and hence reporting under clause 3(i)(c) is not applicable.
- d) The Company has not revalued any of its Property, Plant and Equipment (including Right-of-use asset) during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii)

- a) According to the information and explanations given to us and on the basis of our examination of the books of account, the company does not hold any inventory, and hence, reporting under clause 3(a) (ii) of the Order is not applicable to the Company.
- b) The Company has no been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

- (iii) The Company has not made investments in firms, Limited Liability Partnerships and has not granted secured or unsecured loans to any companies, firms, Limited liability partnership or any other party during the year covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act') and hence reporting under clause 3(iii) (a), (b), (c), (d), (e), (f) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given any loans, or made investments or provided guarantees and securities as applicable. Accordingly, reporting under clause 3(iv) of the Order is not applicable to the Company.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public. Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) In our opinion and according to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of activities carried on by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.
- (vii) In respect of statutory dues:
 - a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is regular in depositing undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, cess and any other statutory dues with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
 - b. There were no statutory dues referred in sub-clause (a) above which have not been deposited as at balance sheet date on account of any dispute.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix)

- a) According to information and explanation given to us and based on our review, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) According to information and explanation given to us and based on our review, the term loans were applied for the purpose for which the loans were obtained.
- d) On an overall examination of the Ind AS financial statements of the Company, funds raised on short-term basis have, prima-facie, not been used during the year for long-term purposes by the Company.
- e) On an overall examination of the Ind AS financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associates and hence reporting on clause 3(ix)(f) of the Order is not applicable.

(x)

- a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi)

- a) According to the information and explanations given to us, no material frauds on or by the Company have been noticed or reported during the course of our audit.

- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) According to the information and explanations given to us, the Company has not received any whistle blower complaints during the year (and upto the date of this report), and accordingly reporting under clause 3(xi)(c) is not applicable.
- (xii) The company is not Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion, the Company is in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the Ind AS financial statements as required by the applicable Ind AS.
- (xiv) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.
- (xv) The company has not entered into any non-cash transactions with directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)
 - a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
 - b) In our opinion, the group does not have any CIC as part of the group and accordingly, reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has incurred cash losses of Rs 0.19 million during the financial year covered by our audit.
- (xviii) There has been no resignation of the statutory auditors during the year.

- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Ind AS financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us and on the basis of our examination of the records of the Company, provisions of section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) is not applicable to the Company.

Annexure 'B' to Independent Auditor's Report

Referred under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Clean Max Victoria Private Limited on Ind AS financial statements for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to Ind AS financial statements under clause (i) of sub-section 3 of section 143 of the Act

We have audited the internal financial controls over financial reporting of **Clean Max Victoria Private Limited ("the Company")** as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to the financial statements for the period 30th May, 2025 to 31st March, 2026

(Currency: Indian Rupees in Millions)

Note 1.1

GENERAL INFORMATION

Clean Max Victoria Private Limited (herein after referred to as " the Company") incorporated on 30th May, 2025 and is engaged in the business of generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is Office No. 1301, Manisha, Corporate Park, MG Road, Mumbai, Maharashtra, India, 400080

The Financial Statements for the period 31st March, 2026 were approved by the Board of Directors an authorised for issue on 11th May, 2026

Note 1.2

BASIS OF PREPARATION AND ACCOUNTING

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The principal accounting policies are set out below.

Note 1.3

MATERIAL ACCOUNTING POLICIES

Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is net off trade discounts, rebates and other similar allowances. Revenue excludes indirect taxes which are collected on behalf of Government.

Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Financial Instruments

Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognized in the statement of profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Impairment of financial asset

The Company assesses expected credit losses associated with its assets carried at amortised cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Derecognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Fair value measurement

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (three months or less from the date of acquisition) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent expenditure are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All repairs and maintenance are charged to the statement of profit and loss during the financial year in which they are incurred.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant where the life is considered as 30 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc.

Any gain or loss arising on derecognition / disposal of an asset is included in statement of profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are Companyed at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

For trade receivables, the Company applied a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ("C&I") customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit or loss for the period attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the reporting period as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification .

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the application of accounting policies and the reported balances of assets and liabilities including disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the period presented. Contingent liability is recorded when it is probable that a liability may be incurred, and the amount can be reasonably estimated.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Critical accounting judgement, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

(a) Useful lives of property plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

(b) Impairment of non-financial assets:

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

(c) Taxation

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed in Note (b) above.

Note 1.3

New and amended standards

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(a)MCA has notified below amendments which were effective from 1 April, 2025.

Amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability)

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21 "The Effects of Changes in Foreign Exchange Rates", to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 1- Presentation of Financial Statements (Classification of Liabilities as Current or Non-Current Liabilities with Covenants)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1 "Presentation of Financial Statements", which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period must have substance and must exist at the end of the reporting period;
- stating that management's expectations around whether they will defer settlement or not do not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current

In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7 – "Statement of Cash Flows" and Ind AS 107 "Financial Instruments: Disclosures" which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

Amendments to Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules)

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12 "Income Taxes" which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

Note 1.4

New and amended standards issued but not effective

Amendments to Ind AS 1 Presentation of Financial Statements – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

This amendment is not expected to have a significant impact on the Financial Statements.

Notes to the financial statements for the period 30th May, 2025 to 31st March, 2026

(Currency: Indian Rupees in Millions)

Note 16: Financial Instruments**16.1 Capital management**

The Company's objectives for managing capital comprise safeguarding the business as a going concern, creating value for stakeholders and supporting the development of the Company.

The capital structure of the Company consist of equity share capital and other equity. The Company also has obtained unsecured borrowings.

The management reviews the capital structure on a quarterly basis. As part of this review, the management considers risks associated with the Company that could result in erosion of its total equity.

Gearing Ratio

The capital structure of the company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows

Particulars	As at 31st March, 2026 (Rs. In Millions)
Debt (i)	4.01
Less: Cash and cash equivalents	97.05
Net Debt (A)	(93.04)
Total capital (ii)	93.15
Capital and Net debt (B)	0.11
Net Debt to Total Capital plus net debt ratio% (A/B)	-85750.06%

(i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings (including accrued interest).

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the period ended March 31st, 2026

16.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

16.3 Fair value hierarchy**a) The fair value measurement hierarchy of the Company's assets and liabilities are as follows:**

Particulars	Level	As at 31st March, 2026	Valuation technique(s) and key input(s)	Significant unobservable inputs	Sensitivity of inputs to fair value
Financial assets		-			
		-			

For description of level 1, level 2 and level 3, refer material accounting policies.

b) Movement of items measured using unobservable inputs (Level 3):

Particulars	Liability towards investment in subsidiaries by Alternate Investment Fund (Financial liability)
Balance as at 30th may, 2025	-
Movement during the period	-
Balance as at 31st March, 2026	-

c) Sensitivity analysis of items measured using unobservable inputs (Level 3):

A one percentage point change in the unobservable inputs used in fair valuation of Level 3 assets and liabilities does not have a significant impact in its value.

d) Transfer between Level 1, Level 2 and Level 3

There are no transfers between level 1, level 2 and level 3.

16.4 Financial risk management

The Company's activities expose it to a variety of financial risk notably credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The policies for managing each of these risks are summarised below:

16.4.1 Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Bank balances are held with reputed and creditworthy banking institutions.

16.4.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

16.4.3 Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in exchange rates. The Company does not have any foreign exchange transactions during the year and also there is no unhedged foreign currency exposures outstanding as at the reporting date.

16.4.4 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

16.4.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company believes that the working capital is sufficient to meet its current requirements.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment and realisation periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay and realise.

Particulars	Less than 1 year	More than 1 year	Total
As at 31st March, 2026			
Borrowings	0.05	3.96	4.01
Lease liabilities	0.81	10.08	10.89
Trade payables	0.36	-	0.36
Other financial liabilities	19.93	-	19.93
	21.14	14.04	35.18

16.4.6 Interest rate risk

There is no interest rate risk applicable to the Company as its borrowings are at fixed rate.

Note 19- Key Ratios

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	As at 31st March, 2026
Current Assets	98.50
Current Liabilities	23.14
Ratio	4.26

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026
Total Debt	4.01
Total Equity	93.15
Ratio	0.04

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	As at 31st March, 2026
EBITDA	(0.13)
Total interest and principal repayments	0.01
Ratio	(13.02)

d) Return on Equity Ratio / Return on investment Ratio = Net profit/(loss) after tax attributable to owners of the Company divided by Average Equity attributable to owners of the Company

Particulars	For the period 30th May, 2025 to 31st March, 2026
Net Loss after tax attributable to owners of the Company	(0.19)
Equity attributable to owners of the Company	93.15
Ratio	(0.00)

e) Inventory Turnover Ratio = Cost of goods sold divided by inventory -

The above ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average receivables

The above ratio is not applicable as there is no turnover

g) Trade payables turnover ratio = purchases divided by average payables

The above ratio is not applicable as there are no purchases.

h) Net Working Capital Turnover Ratio = Sales divided by Working capital whereas net working capital= current assets - current liabilities

The above ratio is not applicable as there are no sales.

i) **Net profit ratio = Net profit/(loss) after tax divided by Net Sales**
The above ratio is not applicable as there are no sales.

j) **Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed**

Particulars	For the period 30th May, 2025 to 31st March, 2026
Net loss after tax(A)	(0.19)
Finance Costs (B)	0.06
Total Tax Expense (C)	-
EBIT (D) = (A)+(B)+(C)	(0.13)
Total equity (E)	93.15
Total debt (H)	4.01
Capital Employed (I)=(E)-(F)-(G)+(H)	97.15
Ratio (D)/(I)	(0.00)

k) **Return on Investment = Income from investment divided by the closing balance of the investment**
The above ratio is not applicable as the Company has no other investments other than current operations

Footnote : The above Non-GAAP measures presented may not be comparable to similarly titled measures reported by other companies. Further, it should be noted that these are not a measure of operating performance or liquidity defined by generally accepted accounting principles and may not be comparable to similarly titled measures presented by other companies.

As the company was not in existence in previous year, actual figures as at the balance sheet date are considered for the purpose of calculation of ratios.

**Clean Max Yamuna
Private Limited**

Independent Auditor's Report

To the Members of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) (the "Company") which comprise the standalone balance sheet as at 31 March 2026, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its loss and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Management's and Board of Directors Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Registered Office:

B S R & Co. (a partnership firm with Registration No. BA61223) converted into B S R & Co. LLP (a Limited Liability Partnership with LLP Registration No. AAB-8181) with effect from October 14, 2013

14th Floor, Central B Wing and North C Wing, Nesco IT Park 4, Nesco Center, Western Express Highway, Goregaon (East), Mumbai - 400063

Independent Auditor's Report (Continued)

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a. The standalone financial statements of the Company for the year ended 31 March 2025 were audited by the predecessor auditor who had expressed an unmodified opinion on 23 May 2025.

Independent Auditor's Report (Continued)

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 A. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014
 - c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 01 April 2026, 11 May 2026 and 15 May 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. The modification relating to the maintenance of accounts and other matters connected therewith as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 41(b) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 41(c) to the standalone financial statements, no funds have been received

Independent Auditor's Report (Continued)

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- e. The Company has neither declared nor paid any dividend during the year.
- f. Based on our examination which included test checks, except for the instance mentioned below, the Company has used accounting software maintaining the books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software:

The feature of recording audit trail (edit log) was not enabled at the database level for the period from 1 April 2025 to 27 March 2026 to log any direct data changes for the accounting software used for maintaining the books of account relating to general ledger.

Further, for the periods where audit trail (edit log) facility was enabled and operated for the respective accounting software, we did not come across any instance of audit trail feature being tampered with. Additionally, where the audit trail (edit log) functionality was enabled and operated in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) for the year ended 31 March 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company does not have any intangible assets. Accordingly, clause 3(i)(a)(B) of the order is not applicable.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified every year. In accordance with this programme, all property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee). Accordingly, clause 3(i)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company is engaged in the business of generation and sale of electricity. Accordingly, it does not hold any physical inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations provided to us and based on our examination of the Company's records, the Company has made investments in companies and granted interest-bearing unsecured loans to companies, details of which are stated below. The Company has not made investments in and granted loans, secured or unsecured, to limited liability partnerships, firms and other parties during the year. The Company has not provided any guarantee to companies and limited liability partnerships, firms and other parties, nor granted any security or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships and other parties during the year.
- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us the Company has provided loans to subsidiaries, as below:

Particulars	Loans (#) (Rs in million)
Aggregate amount during the year	
Subsidiaries*	556.51

Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) for the year ended 31 March 2026 (Continued)

Balance outstanding as at balance sheet date	
Subsidiaries*	556.51

* As per Companies Act, 2013

excluding interest accrued

- (b) According to the information and explanations provided to us, and based on the audit procedures conducted by us, in our opinion, the investments made during the year and the terms and conditions of the grant of unsecured loans provided during the year are not prejudicial to the interest of the Company. The Company has not provided any guarantees, security and advances in nature of loans during the year.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of interest bearing unsecured loans given, in our opinion the repayment of principal and payment of interest has been stipulated which is based on the availability of funds during a specific term. Further, the Company has not given any advance in the nature of loan to any party during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given except in case of interest bearing unsecured loan, where the repayment of principle is not stipulated, we are unable to comment on the amount overdue for more than ninety days. Further, the Company has not given any advances in the nature of loans to any party during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has complied with the provisions of Section 185 of the Companies Act, 2013 ("the Act") with respect of loans provided by the Company. The Company has not given any guarantees, securities and advances in nature of loans during the year to parties covered under Section 185 of the Act. The provisions of Section 186 of the Act in respect of the loans given, guarantees given or securities provided are not applicable to the Company, since it is covered as a Company engaged in business of providing infrastructural facilities. The Company has complied with the provisions of Section 186 of the Act with respect to the investments made.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the activity performed by the Company. Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and

Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) for the year ended 31 March 2026 (Continued)

Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Income-Tax or other statutory dues have been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Income-Tax, or other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Act.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies (as defined under the Act).
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made a private placement of equity shares and optionally convertible debentures during the year. In our opinion the Company has complied with the requirement of Section 42 and Section 62 of the Act. Further, the amounts so raised were applied for the purposes for which these shares were issued, though idle funds which were not required for immediate utilisation have been invested in liquid investments, payable on

Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) for the year ended 31 March 2026 (Continued)

- demand.
- (xi) (a) During the course of our examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) Establishment of vigil mechanism is not mandated for the Company. As represented to us by the management, there are no whistle blower complaints received during the year under the vigil mechanism established voluntarily by the Holding Company
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) The Company is a deemed public limited company. The requirements as stipulated by the provisions of Section 177 of the Act are not applicable to the Company. In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, transactions with the related parties are in compliance with Section 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion and based on the information and explanations provided to us, the Company does not have an Internal Audit system and is not required to have an internal audit system as per Section 138 of the Act.
- (b) In our opinion and based on the information and explanations provided to us, the Company does not have an internal audit system and is not required to have an internal audit system as per Section 138 of the Act. Accordingly, clause 3(xiv)(b) of the Order is not applicable.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) The Company is not part of any group (as defined in the regulations made by the Reserve Bank of India). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The Company has incurred cash losses of Rs 127.50 million in the current financial year and Rs 0.03 million in the immediately preceding financial year.
- (xviii) There has been resignation of the statutory auditors during the year and based on the information and explanations given to us by the management and the response received by us pursuant to our communication with the outgoing auditors, there have been no issues, objections or concerns raised by the outgoing auditors.
- (xix) We draw attention to Note 40 to the standalone financial statements which explains that the Company's current liabilities have exceeded the current assets by Rs. 41.79 million and the nature of business which includes projected cash flows from operations, and capital infusion from the parent company in case of a deficit are available to optimise working capital limits.

Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) for the year ended 31 March 2026 (Continued)

On the basis of the above and according to the information and explanations given to us, on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) The requirements as stipulated by the provisions of Section 135 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor’s Report on the standalone financial statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) (“the Company”) as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Annexure B to the Independent Auditor's Report on the standalone financial statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) for the year ended 31 March 2026 (Continued)

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to Standalone financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

Note 1.1 Corporate Information

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) (herein after referred to as "the Company") incorporated on 3rd December, 2023 earns its revenue from generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 48/13, 40th cross road, 3rd main road, 8th block, jayanagar, Jayanagar West, Bangalore South, Karnataka, India, 560070. The Standalone Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors and authorised for issue on 24th June, 2026.

Note 1.2 Basis of preparation

The Standalone Financial Statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) comprise the Balance Sheet as at 31st March 2026, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year ended 31st March 2026, and notes to the Standalone Financial Statements, including material accounting policies (hereinafter referred to as "the Standalone Financial Statements").

These Standalone Financial Statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") as specified under Section 133 of the Companies Act, 2013, as amended (the "Act") and other accounting principles generally accepted in India and presentation requirements of Schedule III of the Act.

These Standalone Financial Statements have been prepared on a going concern basis. The accounting policies are applied consistently over the period.

These Standalone Financial Statements were authorised for issue by the Company's board of directors on 24th June, 2026. These Standalone Financial Statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest million, unless otherwise indicated.

Note 1.3 Material Accounting Policies

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue excludes indirect taxes which are collected on behalf of Government.

(i) Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Company has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

(ii) Contract balances:

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue is recognised for work performed under a contract but has not yet been invoiced to the customer.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer.

(iii) Revenue from sale of services:

Revenue from services rendered over a period of time, such as operation and maintenance contracts, are recognised over the period of the performance obligation

Other income

(iv) Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(b) Foreign Currencies

The functional currency of the Company is the Indian rupee (Rs.).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in profit or loss.

Foreign currency denominated non - monetary assets and liabilities that are measured at historical cost are not retranslated.

(c) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

(i) Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Standalone Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that:
 - is not a business combination; and
 - at the time of the transaction (i) affects neither accounting nor taxable profit or loss and (ii) does not give rise to equal taxable and deductible temporary differences
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on the reversal of relevant taxable temporary differences. If the amount of taxable temporary differences is insufficient to recognise a deferred tax asset in full, then future taxable profits, adjusted for reversals of existing temporary differences, are considered. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

CIN: U35105MH2024PTC436005

Notes to Standalone financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

(d) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Standalone Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Standalone Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(e) Financial Instruments

Financial assets

Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate and recorded at transaction price. The Company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets (excluding trade receivables that are recorded at transaction price) are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified in three categories:

- **Financial assets at Amortised cost**

A financial asset is measured at amortised cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest (EIR) method. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR and reported as part of interest income in the Statement of Profit and Loss. The losses if any, arising from impairment are recognised in the Statement of Profit and Loss.

- **Financial assets at fair value through profit or loss (FVTPL)**

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognised in the Statement of Profit and Loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

- **Financial assets at fair value through other comprehensive income (FVOCI) – debt investment**

A debt investment is measured at FVOCI if both of the following conditions are met:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at fair value. Interest income is recognised using the effective interest (EIR) method. The loss allowance is recognized in other comprehensive income and does not reduce the carrying value of the financial asset. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of Profit and Loss.

- **Financial assets at fair value through other comprehensive income (FVOCI) – equity investment**

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income. This election is made on an investment-by-investment basis.

After initial measurement, such financial assets are subsequently measured at fair value. Dividends are recognised as income in Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Statement of Profit and Loss.

Derecognition of financial asset

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred substantially all the risks and rewards of the asset, or
- the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Investment in Subsidiaries

The Company accounts for its investments in subsidiaries at cost.

Financial liabilities

Classification

All financial liabilities are subsequently measured at amortised cost.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognized. Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to Standalone financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Share capital

Ordinary equity shares

Incremental costs directly attributable to the issue of ordinary equity shares and share options are recognized as a deduction from equity, net of any tax effects.

Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for financial and non-financial assets and liabilities. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(f) Leases:

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The Company assesses, whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves:

- (a) the use of an identified asset,
- (b) the right to obtain substantially all the economic benefits from use of the identified asset, and
- (c) the right to direct the use of the identified asset.

The Company as a lessee

Right to Use Asset

The Company at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right of use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

Category	Useful life
Leasehold Land	29 years

The Company applies Ind AS 36 to determine whether a Right-of-Use asset is impaired and accounts for any identified impairment loss in the Statement of Profit and Loss as described in the note (r).

Lease liabilities

For lease liabilities at inception, the Company measures the lease liability at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest considering effective interest rate and reduced for the lease payments made.

The Company recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use assets is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in the Statement of Profit and Loss.

(g) Property, Plant and Equipment and Depreciation

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Interest on borrowed money allocated to and utilized for qualifying assets pertaining to the period up to the date of capitalization is added to the cost of the assets.

Freehold land is not depreciated.

Any gain or loss arising on derecognition / disposal of an asset is included in profit or loss.

Depreciation on property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect Solar Power Plant, Wind Farms and Hybrid Farms where the life is considered as 25 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc. However, with effect from 1st January, 2026 the expected useful life of new technology solar and wind assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

(h) Impairment of non-financial assets

At each reporting date, non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to Standalone financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

(i) Impairment of financial assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. Expected Credit Losses (ECLs) are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Company assesses ECL associated with its assets carried at amortized cost based on Company's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables of the Company are mainly from high credit worthy Commercial and Industrial ('C&I') customers. Delayed payment carries interest as per the terms of agreements with C&I customers. The Company uses practical expedient for computing the Impairment losses on trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information, including a single-factor macroeconomic adjustment.

(j) Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in Statement of Profit and Loss in the period in which they are incurred.

The Company suspends capitalization of borrowing costs during extended periods in which it suspends active development of a qualifying asset.

The entity determines the amount of borrowing costs eligible for capitalization as the actual borrowing costs incurred on that borrowing during the period less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. If any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. In case if the entity borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalization are determined by applying a capitalisation rate to the expenditure on that asset.

(k) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

The weighted average number of equity shares is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to Standalone financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

(l) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The Standalone Financial Statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(m) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(n) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(o) Earnings before interest, tax, depreciation, impairment and amortization (EBITDA)

The Company presents EBITDA in the Statement of Profit and Loss; this is not specifically required by Ind AS 1. The term EBITDA is not defined in Ind AS. Ind AS compliant Schedule III allows companies to present line items, sub-line items and sub-totals as an addition or substitution on the face of the Standalone Financial Statements when such presentation is relevant to an understanding of the Company's financial position or performance to or to cater to industry/sector-specific disclosure requirements or when required for compliance with the amendments to the Companies Act or under the Indian Accounting Standards.

Measurement of EBITDA

Accordingly, the Company has elected to present EBITDA as a separate line item on the face of the Statement of Profit and Loss. In its measurement, the Company does not include exceptional items, depreciation, impairment and amortisation expenses, finance costs and income tax expense.

(p) Prepaid Common Infrastructure Facility Charges

Prepaid common infrastructure facility charges represent upfront payments made to secure the right to use the common infrastructure facilities, where ownership remains with a third party. These payments are recognised as assets at the amount paid on the date the right is obtained and amortised over the period of use.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to Standalone financial statements for the year ended 31st March, 2026

(Currency: Amount in ₹ million unless otherwise stated)

Critical accounting judgements and key sources of estimation uncertainty

The preparation of Standalone Financial Statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities/contingent assets as at the date of the Standalone Financial Statement and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the Financial Statements pertain to:

- **Useful lives of property, plant and equipment and other intangible assets [refer note 2]:** The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.
- **Recognition of deferred tax asset:** The deferred tax assets in respect of brought forward business losses is recognised based on reasonable certainty of the projected profitability, determined on the basis of approved business plans, to the extent that sufficient taxable income will be available to absorb the brought forward business losses. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been detailed as above.

Note 1.4

Recent pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing Standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial Statements.

In August 2025, MCA notified the following amendments to:

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Group has no impact of these amendments in its classification criteria of current and non-current liabilities.
- Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Group has provided disclosures about its supplier finance arrangement [Refer note 26(B)].
- Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately – The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

Footnotes:

- (a) For details of pledged assets, refer note 15.
- (b) The Company makes an assessment for impairment of Property, Plant and Equipment when facts and circumstances indicate that carrying values of such assets may not be recoverable. When evaluating for impairment, the carrying value of the asset is compared to the asset's estimated future discounted cash flows. The trigger for impairment occurs if the estimated discounted future cash flows are less than the carrying value of the asset. The value of impairment is determined by comparing the carrying value of the asset to the asset's recoverable value and recognize an impairment charge when the asset's carrying value exceeds its estimated recoverable value. The recoverable value of the asset is estimated using a discounted cash flow model based on forecasted future revenues and operating costs, using internal projections. For such projections, discount rate of 8.53% (31st March, 2025; 10.5%) has been considered. Discount rate has been determined considering the Weighted Average Cost of Capital (WACC) of market benchmarks. Depreciation for the year includes impairment of Rs. Nil (31st March, 2025; Rs. Nil)
- (c) The Company is not holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988).
- (d) No borrowing cost were capitalised during the year as well as previous year, as none were directly attributable to the acquisition or construction of qualifying asset.
- (e) The Company has not revalued its Property, Plant and Equipment as on each reporting year and therefore, Schedule III disclosure requirements with respect to fair value details is not applicable.
- (f) During the year ended 31st March, 2026, the Company conducted an operational efficiency review of its Solar Assets. Based on the review, with effect from 1st January, 2026 the expected useful life of Solar Assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and have been accounted for prospectively in the aforesaid Standalone Financial Statements.

The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031

Footnote:

8(a) The Company has used a practical expedient for computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix.

8(b) Trade receivables from related parties are disclosed in note 28.

8(c) For ageing of trade receivables, refer note 31.

8(d) There are no trade receivables outstanding from directors and KMPs of the company.

(11.99)	(3.80)

Basic and Diluted earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic and diluted earnings per share is as follows:

Particulars	For the year ended 31st ended, 2026	For the period ended 03rd December, 2024 to 31st March, 2025
Loss attributable to equity shareholders (Rs. in million) (A)	(100.56)	(0.03)
No. of equity shares outstanding at the end of the year	1,85,98,441	10,000
Weighted average number of equity shares (Nos.) (B)	83,83,750	10,000
Basic and diluted earnings per share (Rs.) (A/B)	(11.99)	(3.80)

Footnote:

The Company has issued 2,51,86,000 Optionally convertible debentures to Clean Max Enviro Energy Solutions Limited (formerly known as Clean Max Enviro Energy Solutions Private Limited) and DJ Renewables Private Limited. These are anti-dilutive in nature and thus have not been considered in calculation of dilutive shares for EPS in current financial year.

(Currency: Amount in ₹ million unless otherwise stated)

Note 26: Financial Instruments

26.1 Capital management

The Company manages its capital to ensure that it will be able to continue as a Going Concern while maximising the return to stakeholders through the optimisation of debt and equity balance.

Gearing Ratio

The Capital structure of the Company consists of net debt and total equity.

The gearing ratio at the end of the year is as follows:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Debt (i)	322.70	-
Less: Cash and cash equivalents	(47.71)	-
Net debt (A)	274.99	-
Total Equity (B)	978.87	-
Net debt to total equity ratio [A/B]	0.28	-

(i) Debt is defined as non current borrowings and current borrowings.

(ii) Capital is defined as Equity share capital, other equity including non controlling interest and excluding cash flow hedge reserve.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lender to immediately call loans and borrowings. The financial covenant for any interest-bearing loans and borrowings is tested on annual basis as per the contract agreements with lenders.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31st March, 2026 and 31st March, 2025.

26.2 Categories of financial instruments

All the financial assets and financial liabilities of the Company are recognised at amortised costs. The Company considers that the carrying amounts of financial assets and financial liabilities recognised in the Standalone Financial Statements approximate their fair value.

26.3 Financial risk management

The Management of the Company monitors and manages the financial risks relating to the operations of the Company on a continuous basis. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

Compliance with policies and exposure limits is reviewed internally on a continuous basis.

The Company does not have foreign currency and hence no currency risk.

26.3.1 Credit risk

Credit risk refers to the risk that the counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivable, bank balances other than cash and cash equivalents and other receivables.

The maximum exposure to the credit risk at the reporting date is from trade receivables amounting to Rs. 312.44 millions as at 31st March, 2026 (31st March, 2025: Nil).

Credit is extended only after due approvals and evaluation in terms of the Credit Policy applicable for such sale. The process of extending credit approval, takes into account various factors such as publicly available financial information, market feedback, and past business patterns etc. Many of the Company's customers have been transacting since inception and the incidence of bad debts has been very low. Such credit limits extended to trade receivables are monitored by the Board of Directors and protective action are initiated to avoid a default. In view of the short nature of its trade receivables, the Company makes provision for credit risk on an individual basis, if any. Individual customer credit limits are imposed based on relevant factors such as market feedback, business potential and past records on selective basis.

Credit risk arising from other balance with bank is limited and there is no collateral held against these because the counter parties are bank and recognised financial institutions with high credit ratings.

26.3.2 Market risk

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. Market risks are primarily composed of foreign exchange risk and price risk. There is no significant risk to the Company on this account.

26.3.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in net assets value (NAV) of the financial instruments held.

There is no price risk applicable to the Company as it does not hold any investments in other companies.

(Currency: Amount in ₹ million unless otherwise stated)

26.3.4 Liquidity risk

Ultimate responsibility for liquidity risk management rests with the Board of directors of the parent company, which has established an appropriate liquidity risk management framework for the management of the Company short-term, medium-term and long-term funding and liquidity management requirements. The Company manages its funds from internal accruals, borrowings and fund raising through equity. The liquidity risk is managed by utilising banking facilities and by matching the maturity profiles of financial assets and liabilities.

As at March 31, 2026, the current liabilities have exceeded the current assets by Rs. 41.79 million. Given the nature of its business and based on current overall business plan of the Company which includes realisation of predicated cash flows from operations (including cashflows to be generated on sale of power from operational as well as contracted, under construction capacity both of which are backed by long term offtake PPAs and sale of projects under construction), the sanctioned undrawn loan facilities from various lenders and the roll forward and refinancing options available to optimise working capital limits, and inflow on account of sale of non-controlling interest to third party investor, the Board of Directors have concluded on the ability of the Company to generate sufficient future cashflows to be able to meet its obligations, as and when due, in the foreseeable future. Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Maturities of financial liabilities:

The following tables detail the Group's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay.

	Within twelve months	More than twelve months	Total
As at 31st March, 2026			
Borrowings	-	322.70	322.70
Trade payables	58.41	-	58.41
Lease liabilities	0.14	7.49	7.63
Other financial liabilities	271.14	2,518.60	2,789.74
	329.69	2,848.79	3,178.48
	Within twelve months	More than twelve months	Total
As at 31st March, 2025			
Trade payables	0.01	-	0.01
	0.01	-	0.01

26.3.5 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's non current debt obligations with floating interest rates. The Company's external borrowings are at variable floating interest rate of interest and for which the sensitivity analysis have been carried out based on the exposure to interest rates for such borrowings at the end of the reporting periods. The said analysis has been carried on the amount of floating rate non - current borrowings outstanding at the end of the reporting period. A 50 basis point increase or decrease represents the management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points and all other variable held constant, the Company's profit for the year would increase or decrease as follows:

Particulars	For the year ended 31st March, 2026	For the period ended 03rd December, 2024 to 31st March, 2025
Total exposure of the Company to variable rate of borrowing	-	-
Impact on profit before tax for the year		
Increase in 50 basis points	0%	0%
Decrease in 50 basis points	0%	0%
Impact of pre-tax equity for the year		
Increase in 50 basis points	-	-
Decrease in 50 basis points	-	-

Exposure to Interest rate risk

Particular	For the year ended 31st March, 2026	For the period ended 03rd December, 2024 to 31st March, 2025
Financial Liabilities		
Fixed rate Instrument	322.70	-

The year end balances are not necessarily representative of the average debt outstanding during the year.

Note 27 : Income Taxes

Tax expenses recognised in Statement of Profit and Loss

	For the year ended 31st March, 2026	For the period ended 03rd December, 2024 to 31st March, 2025
Current tax	-	-
Deferred tax credit	(33.82)	-
Total tax expenses for the year / period	(33.82)	-

The income tax expense for the year can be reconciled to the accounting profit as follows:

Particulars	For the year ended 31st ended, 2026	For the period ended 03rd December, 2024 to 31st March, 2025
Loss before tax	(134.38)	(0.03)
Enacted income tax rate in India	25.17%	25.17%
Expected Income tax expense	(33.82)	(0.01)
Others	33.82	0.01
Income-tax expense as per statement of profit and loss	(33.82)	-

The tax rate used for FY 2025-26 and 2024-25 is at 25.17%. The reconciliations above is at corporate tax rate payable by corporate entities in India on taxable profits under the Indian tax law.

Unrecognised Tax Losses

	As at 31st March, 2026	As at 31st March, 2025
Unrecognised tax losses for which no deferred tax asset has been recognised	0.04	-

Footnote:

The transactions with related parties are made in the normal course of business and on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the period end are unsecured and settlement occurs in cash.

(Currency: Amount in ₹ million unless otherwise stated)

Note 29: Key Ratios**a) Current Ratio = Current Assets divided by Current Liabilities**

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change %
Current Assets	495.41	0.07	
Current Liabilities	537.20	0.01	
Ratio (in times)	0.92	7.00	-86.86%

The ratio has decreased on account of increased trade payables, payables for property, plant & equipment and deferred revenue

b) Debt Equity ratio = Total debt divided by Total equity where total debt refers to sum of current & non current borrowings

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change %
Total Debt	322.70	-	
Total Equity	978.87	0.07	
Ratio (in times)	0.33	-	100.00%

The variance is due to increased debt and equity.

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	As at 31st March, 2026	As at 31st March, 2025	Change %
EBITDA	32.84	(0.03)	
Debt Service			
Lease repayment (B)	-	-	
Principal repayments and interest thereon (C) excluding refinancing	(25.64)	-	
Total debt service (D= B+C)	(25.64)	-	
Ratio (in times)	(1.28)	-	100.00%

The variance is due to debt and interest payments in the current year

d) Return on Equity Ratio = Net Profit after tax divided by Average Total Equity

Particulars	For the year ended 31st ended, 2026	For the period ended 03rd December, 2024 to 31st March, 2025	Change %
Net profit for the year / period	(100.56)	(0.03)	
Average Total Equity	489.47	0.07	
Ratio	(0.21)	(0.43)	-51.16%

This ratio has decreased due to increase in expenses.

e) Inventory Turnover Ratio = Cost of goods sold divided by average inventory

The above ratio is not applicable as there is no inventory.

f) Trade Receivables turnover ratio = Sales divided by average trade receivables

Particulars	For the year ended 31st ended, 2026	For the period ended 03rd December, 2024 to 31st March, 2025	Change %
Revenue from operations	58.60	-	
Average Trade Receivables	154.14	-	
Ratio (in times)	0.38	-	100.00%

The variance is due to revenue in the current year

g) Trade payables turnover ratio = purchases divided by average trade payables

Particulars	For the year ended 31st ended, 2026	For the period ended 03rd December, 2024 to 31st March, 2025	Change %
Purchases	41.43	-	
Average Trade Payables	29.21	0.01	
Ratio (in times)	1.42	-	100.00%

The variance is due to cost of materials consumed in the current year

h) Net Working Capital Turnover Ratio = Sales divided by average Working capital whereas net working capital= current assets - current liabilities

Particulars	For the year ended 31st ended, 2026	For the period ended 03rd December, 2024 to 31st March, 2025	Change %
Revenue from operations	58.60	-	
Current Assets (A)	495.41	0.07	
Current Liabilities (B)	537.20	0.01	
Net Working Capital (A-B)	(41.79)	0.06	
Average Working Capital	(20.87)	0.03	
Ratio	(2.81)	-	100.00%

The variance is due to revenue in the current year

(Currency: Amount in ₹ million unless otherwise stated)

i) Net profit ratio = Net profit/(loss) after tax divided by Net Sales

Particulars	For the year ended 31st ended, 2026	For the period ended 03rd December, 2024 to 31st March, 2025	Change %
Net Profit after tax	(100.56)	(0.03)	
Revenue from Operations	58.60	-	
Ratio	(1.72)	-	100.00%

The variance is due to revenue in the current year

j) Return on Capital employed =Earnings before interest and taxes(EBIT) divided by Capital Employed

Particulars	For the year ended 31st ended, 2026	For the period ended 03rd December, 2024 to 31st March, 2025	Change %
Profit before tax (A)	(134.38)	(0.03)	
Finance Costs (B)	164.51	-	
EBIT (C) = (A+B)	30.13	(0.03)	
Total assets	4,431.95	0.08	
Less: Deferred tax assets	(33.82)	-	
Less: ROU assets	-	-	
Total (D)	4,398.13	0.08	
Total Liabilities	3,453.08	0.01	
Less: Lease liabilities	-	-	
Less: Deferred tax liabilities	-	-	
Total (E)	3,453.08	0.01	
Tangible Net Worth (F)=(D)-(E)	945.05	0.07	
Total Debt (G)	322.70	-	
Capital Employed (H)=(F)+(G)	1,267.75	0.07	
Ratio (C)/(H)	0.02	(0.43)	-104.65%

This ratio has increased due to increase in total assets in the current year.

k) Return on Investment = Income from investment divided by the closing balance of the investment

Note : The above ratio is not applicable as the Company has no other investments other than current operations

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

There are no disputed trade receivables

Note 32: Leases as per Ind AS 116**Amounts recognised in balance sheet**

The balance sheet shows the following amounts relating to leases:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Right-of-use assets (Refer note 2)	2.11	-
Total	2.11	-

Particulars	As at 31st March, 2026	As at 31st March, 2025
Lease Liabilities		
Current	0.14	-
Non-current	1.97	-
Total	2.11	-

Movement in Right of Use Assets and Lease Liabilities

Right of Use Assets	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Balance at the beginning of the year	-	-
Addition during the year	2.11	-
Depreciation	-	-
Balance at the end of the year	2.11	-

The Company has land on lease. The Company's leases have remaining lease terms of 30 years.

Lease Liabilities	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Balance at the beginning of the year	-	-
Addition during the year	2.11	-
Lease Liability Payments	-	-
Balance at the end of the year	2.11	-

Lease liabilities were measured at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate as of 10% p.a. as at 31st March, 2026.

Amounts recognised in the statement of profit and loss

The statement of profit or loss shows the following amounts relating to leases:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Depreciation expense on right-of-use assets	-	-
Interest expense on lease liabilities	-	-
Total	-	-

The undiscounted cash flow payable by the Company is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Not later than 1 year	0.14	-
Later than 1 year and not later than 5 years	0.63	-
Later than 5 years	6.86	-
Total Lease Payments	7.63	-

Note 33: Revenue from contracts with customers

Unbilled Revenue (Financial asset)

Balance at the beginning of the year
Revenue recognised during the year (A)
Progress bills raised
 - Out of opening asset
 - Other than above

Balance at the end of the year (Refer note 11)

Advances from customers

Balance at the beginning of the year
Addition during the year
Revenue recognised during the year (B)
Closing balance [Refer note 20]

Deferred Revenue

Balance at the beginning of the year
Addition during the year
Revenue recognised during the year (C)
Balance at the end of the year [Refer note 25 and 29]

Reconciliation of revenue reported

Revenue from Contracts with Customers (A-B)
Other operating income
Revenue reported under IndAS 108

Note 34: Contingent liabilities and Capital commitments

There are no contingent liabilities and capital commitments as at year ended 31st March, 2026 and 31st March, 2025

Note 35: Segment information

Operating Segments are reported in a manner consistent with the internal reporting provided to the Chief operating decision maker ("CODM") of the Company. The CODM who is responsible for allocating resources and assessing performance of the operating segments has been identified as the Board of Directors of the Company.

The Company operates only in one business segment i.e. "Sale of Solar Power" which is reviewed by CODM and all the activities incidental thereto are within India, hence Company does not have any reportable segments as per Ind AS 108 "Operating Segments".

Information about major customers:-

The details of the customers from where the Company has earned more than 10% of its total revenue are as under:-

Customer A
Customer B
Customer C
Customer D

Note 36

A. Reconciliation of movements of liabilities to cash flows arising from financing activities

Particulars

Borrowings at the beginning of the year (current and non-current borrowings)
Proceeds from non-current borrowings from related parties
Repayments of non-current borrowings
Borrowings at the end of the year (current and non-current borrowings)

B. Movement of Finance cost

Particulars

Balance of interest accrued at the beginning of the year
Interest on borrowings recognized during the year
Finance cost paid
Balance of interest accrued at the end of the year

Footnote:

Refer Note 32 for movement in lease liabilities.

Note 37: Corporate Social Responsibility ("CSR")

Company is not required to spend amounts on account of CSR as per Section 135 of Companies Act, 2013

Note 38: Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

Note 40: Going concern

As at year ended 31st March 2026, the company current liabilities have exceeded the current assets by Rs. 41.79 millions on account of payable for capital purchase to parent company amounting to Rs 126.67 millions. Further deficit in meeting its current obligations will be met through capital infusion by Cleanmax Enviro Energy Solutions Limited (formerly known as Cleanmax Enviro Energy Solutions Private Limited). Management is confident of its ability to generate future cash inflows from operations so that it would be able to meet its obligations on due dates. On these considerations, these Standalone Financial Statements are prepared on a going concern basis.

Note 41: Other Regulatory Disclosures relating to borrowings and loans

- a) The Company has not given Loans or advances in the nature of loans to promoters, directors, KMPs and the related parties, that are repayable on demand or without specifying any terms or period of repayment.
- b) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) **Ultimate Beneficiaries:**

During the year ended 31st March, 2026, CORE has received funds amounting to Rs. 3,923.43 million from Parent Company and DJ Renewables Pte. Ltd in the form of equity share capital, OCD and borrowings. Further, CORE has utilised the funds to purchase the stake in certain subsidiaries. Details are as under:

Particulars	Month	Equity share capital	OCD	Loan	Total amount	CIN
From Parent Company to CORE	Oct-25	509.47	1,188.85	264.90	1,963.22	U35105MH2024PTC436005

- Clean Max Beta Private Limited	Dec-25	214.81	-	-	214.81	U35105MH2023PTC402484

Note 42: Disclosures required under schedule III

- i. The Company has no relationship and transactions with struck off companies during the year ended 31st March, 2026 and 31st March, 2025.
- ii. The Company has not entered in scheme of arrangement under section 230 to 237 of Companies Act 2013.
- iii. The Company does not have any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961 (such as search or survey or any other relevant provisions of Income Tax Act, 1961).
- iv. The Company has complied with the number of layers prescribed under clause (87) of Section 2 of the Companies Act, 2013 read with the companies (Restriction on number of layer) Rules, 2017.

Note 43: Events after reporting period

There are no significant subsequent events that would require adjustments or disclosures in the Standalone Financial Statements as on the balance sheet date.

Note 44

The Standalone Financial Statements of the Company have been approved for issuance in accordance with the resolution of the board of directors on 24th June, 2026.

Note 45

During the year, the Company has made investments in, and obtained control over entities which qualify as its subsidiaries. Accordingly, the Company would ordinarily be required to prepare Consolidated Financial Statements.

However, the Company is an unlisted entity and a subsidiary of Clean Max Enviro Energy Solutions Limited (formerly known as Clean Max Enviro Energy Solutions Private Limited) ("Parent Company"). In accordance with the second proviso to Rule 6 of the Companies (Accounts) Rules, 2014 and in compliance with paragraph 4(a) of Ind AS 110 on Consolidated Financial Statements, the Company has obtained an exemption from its shareholders from the requirement to prepare Consolidated Financial Statements.

This exemption has been availed on the basis that the Parent Company, being an equity listed entity, prepares Consolidated Financial Statements, which are available for public use.

Note 46

The previous period standalone financial statements were for the period 3rd December, 2024 to 31st March, 2025. As such, the previous period financial statements are not strictly comparable with those to the current year standalone financial statements.

Note 47

Previous period Standalone Financial Statements were audited by a firm of chartered accountants other than BSR & Co. LLP.

Independent Auditors' Report

To the Board of Directors of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

Report on the Audit of the Special Purpose Consolidated Financial Statements

Opinion

We have audited the special purpose consolidated financial statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) (the "Company"), and its subsidiaries (the company and its subsidiaries together referred to as the "Group"), which comprise the special purpose consolidated statement of financial position as at 31 March 2026, the special purpose consolidated statement of profit or loss and other comprehensive income for the year then ended, and notes to the special purpose consolidated financial statements, including material accounting policies (hereinafter referred to as "Special Purpose Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the accompanying Special Purpose Consolidated Financial Statements of the group for the year ended 31 March 2026, are prepared, in all material respects, in accordance with the basis of preparation described in Note 1.2 to these Special Purpose Consolidated Financial Statements.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the *Auditors' Responsibilities for the Audit of the Special Purpose Consolidated Financial Statements* section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Special Purpose Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Distribution and Use

We draw attention to Note 1.2 to these Special Purpose Consolidated Financial Statements, which describes the basis of accounting. As explained therein, these Special Purpose Financial Statements have been prepared for onward submission to one of the investors/ shareholder group of the Company i.e. DJ Renewables Pte Ltd. Group for their internal use and consolidation purpose. As a result, these Special Purpose Consolidated Financial Statements may not be suitable for another purpose. Our report is intended solely for the Group and DJ Renewables Pte Ltd. Group and should not be distributed to or used by parties other than the Group or DJ Renewables Pte Ltd. Group.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Board of Directors' for the Special Purpose Consolidated Financial Statements

The Management and Board of Directors of the Group are responsible for the preparation and

B S R & Co. (a partnership firm with Registration No. BA61223) converted into B S R & Co. LLP (a Limited Liability Partnership with LLP Registration No. AAB-8181) with effect from October 14, 2013

Registered Office:

14th Floor, Central B Wing and North C Wing, Nesco IT Park 4, Nesco Center, Western Express Highway, Goregaon (East), Mumbai - 400063

presentation of these Special Purpose Financial Statements in accordance with the basis of preparation as stated in Note 1.2 to these Special Purpose Consolidated Financial Statements, this includes the design, implementation and maintenance of internal control relevant to the preparation of Special Purpose Consolidated Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Consolidated Financial Statements, the Management and Board of Directors of the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Special Purpose Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Consolidated Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Special Purpose Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Special Purpose Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and

B S R & Co. LLP

other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)
CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

Note 1.1 Corporate Information

The Group comprises of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) (herein after referred to as "the Company") and its subsidiaries (the Company and its subsidiaries together referred to as the 'Group') incorporated on 03rd December, 2024 and is engaged in the business of generation and sale of power.

The Company is a private limited company incorporated and domiciled in India. The address of its registered office is 13A, Plot 400, Peregrine Apt, SVS Marg, Prabhadevi, Mumbai 400025, Maharashtra, India. The Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors and authorised for issue on 24th June, 2026.

Note 1.2 Basis of preparation

The Special Purpose Consolidated Financial Statements of Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited) comprise the Special Purpose Consolidated Statement of Financial Position as at 31st March 2026, and the Special Purpose Consolidated Statement of Profit or Loss and other comprehensive income and notes to the Special Purpose Consolidated Financial Statements, including material accounting policies (hereinafter referred to as "Special Purpose Consolidated Financial Statements").

These Special Purpose Consolidated Financial Statements have been prepared in accordance with International Financial Reporting Standards (referred to as "IFRS"), as issued by the International Accounting Standards Board ("IASB") for onwards submission to one of the investors/ shareholder group - DJ Renewables Pte Ltd. Group for their internal use and consolidation purpose. As a result, these Special Purpose Consolidated Financial Statements may not be suitable for another purpose. While these financial statements have been prepared in accordance with IFRS recognition and measurement principles, they do not necessarily include all the disclosures required for general purpose financial statements prepared in accordance with IFRS.

These Special Purpose Consolidated Financial Statements have been prepared on a going concern basis. The accounting policies are applied consistently over the period.

These Special Purpose Consolidated Financial Statements are presented in Indian Rupees (INR), which is also the Group's functional currency. All amounts have been rounded-off to the nearest million, unless otherwise indicated.

Note 1.3 Material Accounting Policies

(a) Principles of consolidation

(i) Subsidiaries

Subsidiaries are entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of that entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group.

The Group combines the Special Purpose Consolidated Financial Statements of the parent and its subsidiaries line by line adding together items of assets, liabilities, equity, income and expenses. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the Special Purpose Consolidated Financial Statements at the acquisition date. Intra-Group transactions, balances and unrealised gains on transactions between entities within the Group are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)
CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group. Non-controlling interests in the results and equity of subsidiaries are shown separately in the Special Purpose Consolidated Statement of Profit or Loss and the Special Purpose Consolidated Statement of Financial Position respectively.

(ii) Non-controlling interest

Non-controlling interests in the net assets (excluding goodwill) of consolidated subsidiaries are identified separately from the Company's equity. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interest's proportionate share of the fair value of the acquiree's identifiable net assets.

For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date. The choice of measurement basis is made on an acquisition-to-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interest is the amount of those interests at initial recognition plus the non-controlling interest's share of subsequent changes in equity. Total comprehensive income is attributed to non-controlling interests even if it results in the non-controlling interest having a deficit balance. A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

(iii) The list of subsidiary companies and the Group's holdings therein are as under:

Sr.	Subsidiary companies	Principal place of business/ country of incorporation	As at 31st March, 2026 (%)
1	Clean Max Scorpius Private Limited*	India	74
2	Clean Max Elicora Private Limited*	India	74
3	Clean Max Mirage Private Limited*	India	51
4	Clean Max Uranus Private Limited*	India	74
5	Clean Max BIAL Renewable Energy Private Limited*	India	74
6	Clean Max Aurora Private Limited#	India	74
7	Clean Max Beta Private Limited #	India	74

*Acquired on 1st October, 2025

#Acquired on 31st December, 2025

(b) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue excludes indirect taxes which are collected on behalf of Government.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

(i) Revenue from sale of power:

Revenue from sale of power is recognised when the units of electricity is delivered at the price agreed with the customer in the power purchase agreement which coincides with the transfer of control and the Group has a present right to receive the payment.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Group estimates the amount of consideration to which it will be entitled in exchange for transferring the goods /services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

(ii) Revenue from sale of services:

Revenue from services rendered over a period of time, such as operation and maintenance contracts, are recognised over the period of the performance obligation.

(iii) Contract balances:

A trade receivable represents the Group's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue is recognised for work performed under a contract but has not yet been invoiced to the customer.

Advance from customer represents a contract liability which is the obligation to transfer goods or services to a customer for which the Group has received consideration from the customer.

Other income

(iv) Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(c) Foreign Currencies

The functional currency of the Group is the Indian rupee (Rs.).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in profit or loss.

Foreign currency denominated non - monetary assets and liabilities that are measured at historical cost are not retranslated.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

(i) Current tax

The tax currently payable is based on taxable profit for the reporting period. Taxable profit differs from 'profit before tax' as reported in the Special Purpose Consolidated Statement for Profit or Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates (applicable tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the Special Purpose Consolidated Statement for Profit or Loss except to the extent that the tax relates to items recognized outside Special Purpose Consolidated Statement for Profit or Loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that:
 - is not a business combination; and
 - at the time of the transaction (i) affects neither accounting nor taxable profit or loss and (ii) does not give rise to equal taxable and deductible temporary differences
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on the reversal of relevant taxable temporary differences. If the amount of taxable temporary differences is insufficient to recognise a deferred tax asset in full, then future taxable profits, adjusted for reversals of existing temporary differences, are considered. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(e) Provisions, contingent liability and contingent asset

A provision is recognized if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contingent liability is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

(f) Financial Instruments

Financial assets

Classification

The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate and recorded at transaction price. The Group recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets (excluding trade receivables that are recorded at transaction price) are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified in three categories:

- **Financial assets at Amortised cost**

A financial asset is measured at amortised cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest (EIR) method. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR and reported as part of interest income in the Special Purpose Consolidated Statement for Profit or Loss. The losses if any, arising from impairment are recognised in the Special Purpose Consolidated Statement for Profit or Loss.

- **Financial assets at fair value through profit or loss (FVTPL)**

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements may apply. Assets in this category are measured at fair value with gains or losses recognised in the Special Purpose Consolidated Statement for Profit or Loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

- **Financial assets at fair value through other comprehensive income (FVOCI) – debt investment**

A debt investment is measured at FVOCI if both of the following conditions are met:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at fair value. Interest income is recognised using the effective interest (EIR) method. The loss allowance is recognized in other comprehensive income and does not reduce the carrying value of the financial asset. On derecognition, gains and losses accumulated in OCI are reclassified to Special Purpose Consolidated Statement for Profit or Loss.

- **Financial assets at fair value through other comprehensive income (FVOCI) – equity investment**

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income. This election is made on an investment-by-investment basis.

After initial measurement, such financial assets are subsequently measured at fair value. Dividends are recognised as income in Special Purpose Consolidated Statement for Profit or Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Special Purpose Consolidated Statement for Profit or Loss.

Derecognition of financial asset

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- the rights to receive cash flows from the asset have expired, or

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

- the Group has transferred substantially all the risks and rewards of the asset, or
- the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

Classification

All financial liabilities as subsequently measured at amortised cost.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Special Purpose Consolidated Statement for Profit or Loss when the liabilities are derecognized. Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Special Purpose Consolidated Statement for Profit or Loss.

Derecognition of financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Special Purpose Consolidated Statement for Profit or Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Statement of Financial Position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Share capital

Ordinary equity shares

Incremental costs directly attributable to the issue of ordinary equity shares and share options are recognized as a deduction from equity, net of any tax effects.

Fair value measurement

The Group's accounting policies and disclosures require the measurement of fair values for financial and non-financial assets and liabilities. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)
CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

- Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Group recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(g) Leases:

The Group evaluates each contract or arrangement, whether it qualifies as lease as defined under IFRS 116.

The Group assesses, whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves:

- (a) the use of an identified asset,
- (b) the right to obtain substantially all the economic benefits from use of the identified asset, and
- (c) the right to direct the use of the identified asset.

The Group as a lessee

Right to Use Asset

The Group at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right of use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

Category	Useful life
Leasehold Land	25-30 years

The Group applies IAS 36 to determine whether a Right-of-Use asset is impaired and accounts for any identified impairment loss in the Special Purpose Consolidated Statement for Profit or Loss.

Lease liabilities

For lease liabilities at inception, the Group measures the lease liability at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest considering effective interest rate and reduced for the lease payments made.

The Group recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use assets is reduced to zero and there is a further reduction in the measurement of the lease liability, the Group recognises any remaining amount of the re-measurement in the Special Purpose Consolidated Statement for Profit or Loss.

(h) Property, Plant and Equipment, Capital work in progress and Depreciation

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Interest on borrowed money allocated to and utilized for qualifying assets pertaining to the period up to the date of capitalization is added to the cost of the assets.

Freehold land is not depreciated.

Any gain or loss arising on derecognition / disposal of an asset is included in profit or loss.

Depreciation on property, plant and equipment has been provided as per the useful life except in respect Solar Power Plant, Wind Farms and Hybrid Farms where the life is considered as 25 years taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, manufacturers warranties and maintenance support, etc. However, with effect from 1st January, 2026 the expected useful life of new technology solar and wind assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per IAS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and has been accounted for prospectively.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, as appropriate.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably.

(i) Other Intangible Assets and Amortisation

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses (if any). Amortisation is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

The estimated useful lives of other intangible assets are as follows:

Category of Asset	Useful Life
Commercial Right to use lease hold land	25-30 years

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably.

(j) Impairment of non-financial assets

At each reporting date, non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are largely independent cash inflows (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

(k) Impairment of financial assets

The Group assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. Expected Credit Losses (ECLs) are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

The Group considers a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Group assesses ECL associated with its assets carried at amortized cost based on Group's past history of recovery, creditworthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables of the Group are mainly from high credit worthy Commercial and Industrial ('C&I') customers. Delayed payment carries interest as per the terms of agreements with C&I customers. The Group uses practical expedient for computing the Impairment losses on trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information, including a single-factor macroeconomic adjustment.

(l) Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in Special Purpose Consolidated Statement for Profit or Loss in the period in which they are incurred.

The Group suspends capitalization of borrowing costs during extended periods in which it suspends active development of a qualifying asset.

The entity determines the amount of borrowing costs eligible for capitalization as the actual borrowing costs incurred on that borrowing during the period less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. If any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. In case if the entity borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalization are determined by applying a capitalisation rate to the expenditure on that asset.

(m) Earnings per share

Basic earnings per equity share has been computed by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

The weighted average number of equity shares is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

(n) Business Combination

The Group accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in Special Purpose Consolidated Statement of Profit or Loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date.

Purchase consideration paid in excess of the fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, the excess is recognised in determination of profit or loss after reassessing the fair values of the net assets and contingent liabilities.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfers of interests in entities that are under common control are accounted at historical cost and the difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity is treated accordingly.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

(o) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(p) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification .

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents the Group has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(q) Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

(r) Prepaid Common Infrastructure Facility Charges

Prepaid common infrastructure facility charges represent upfront payments made to secure the right to use the common infrastructure facilities, where ownership remains with a third party. These payments are recognised as assets at the amount paid on the date the right is obtained and amortised over the period of use.

(s) Critical accounting judgements and key sources of estimation uncertainty

The preparation of Financial Statements in conformity with the recognition and measurement principles of IFRS requires management to make judgments, estimates and assumptions, that effect the reported balances of assets and liabilities, disclosures relating to contingent liabilities/contingent assets as at the date of the Financial Statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognized in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the Financial Statements pertain to:

- **Useful lives of property, plant and equipment and other intangible assets:** The Group reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)

CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026

- **Impairment of non-financial assets including ROU asset:** The Group estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results, growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.
- **Impairment of financial assets:** The impairment provision for financial assets (other than trade receivables) are based on assumptions of risk of default and expected loss rates. The Group makes judgements about these assumptions for selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Trade receivables are stated at their transaction values as reduced by appropriate allowances for estimated irrecoverable amounts which are based on the aging of the receivable balances and historical experiences. Individual trade receivables are written off when management deems them not be collectible.

- **Recognition of deferred tax asset:** The deferred tax assets in respect of brought forward business losses is recognised based on reasonable certainty of the projected profitability, determined on the basis of approved business plans, to the extent that sufficient taxable income will be available to absorb the brought forward business losses. The Group reviews the carrying amount of deferred tax assets at the end of each reporting period.

Clean Max Osaka Gas Renewable Energy Private Limited (formerly known as Clean Max Yamuna Private Limited)
CIN: U35105MH2024PTC436005

Notes to the Special Purpose Consolidated Financial Statements for the year ended 31st March, 2026
(Currency: Amount in ₹ million, unless otherwise stated)

Depreciation for the year	-	1.69	221.95	223.64
Balance as at 31st March, 2026	-	1.69	221.95	223.64
Net carrying value as at 31st March, 2026	339.25	106.94	12,205.52	12,651.71

Footnotes:

(i) The Group assessed Property, Plant and Equipment for impairment when facts and circumstances indicate that carrying values may not be recoverable. The assessment is performed at the Cash Generating Unit (CGU) level. Recoverable amount is determined as value-in-use, estimated using a discounted cash flow model based on internal projections of future revenues and operating costs, applying discount rates of 10.5% (based on WACC of market benchmarks). Impairment is recognised where carrying amount exceeds recoverable amount. The Group has also performed sensitivity analysis around the base assumptions and concluded that there are no reasonably possible changes to key assumptions that would cause the carrying amount of the aforesaid assets to exceed their recoverable values. Depreciation for the year includes impairment of Rs. Nil.

(ii) During the year ended 31st March, 2026, the Group conducted an operational efficiency review of its solar and wind assets. Based on the review, with effect from 1st January, 2026 the expected useful life of new technology solar and wind assets has been revised from 25 years to 30 years. This change has been considered as change in estimate as per IAS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) and has been accounted for prospectively in the Special Purpose Consolidated Financial Statements.

The effect of these changes on actual and expected depreciation expense is as follows:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2027	For the year ended 31st March, 2028	For the year ended 31st March, 2029	For the year ended 31st March, 2030	For the year ended 31st March, 2031
Decrease in depreciation expense*	17.98	73.54	73.54	73.54	73.54	73.54
Deferred tax impact	(3.50)	(14.41)	(14.41)	(14.41)	(14.41)	(14.41)
Net depreciation expense	13.84	56.61	56.61	56.61	56.61	56.61

*Expected amount of the effect in future periods on depreciation is computed without considering any changes for expected capitalisation, future rapid technological advancements and tax rates while factoring in expected asset retirement.

Income Tax	-
Deferred tax expense (B)	
Original and reversal of temporary differences	(30.80)
Total tax expense for the year (A + B)	(30.80)

Note 25

During the year, the Company acquired seven subsidiaries (refer Note 1.3(a)(iii)) under a single negotiated arrangement. The purchase consideration amounted to INR 3,211.16 Million, and the identifiable assets acquired and liabilities assumed have been recognised at their fair values at the acquisition dates. The excess of the Group's interest in the net fair value of identifiable assets and liabilities over the consideration transferred has been recognised as a bargain purchase gain in the Statement of Profit or Loss, presented on a combined basis. The bargain purchase gain is not taxable under applicable tax laws.
