*Final unit within the course is worth 20 credit points/equivalent study time of 2 units, therefore fees are charged accordingly

**Exit qualifications only.

All prices are indicative. 2026 Total course pricing will be subject to units enrolled.

Changes to total course pricing will be subject to students receiving Advanced Standing or Credit Transfer, reducing the number of units overall required to complete.

Students who fail a unit and require repeating, will require payment to be made again and will potentially increase the overall course price.

All fees outlined on this document are in Australian Dollars (AUD) and include GST.
