

AUREILIA

ARMOIRE

DESCRIPTION

The Aureila Armoire is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth’s elemental beauty. The Aureila Armoire is accented by a striking semiprecious stone accent, paired with elegant bronze trim and circular bronze pulls. Its bold lacquered interior, along with the meticulously book-matched doors and mitered corners, beautifully highlight the marble’s unique natural patterns. Named "Aureila"—derived from the Latin word for "golden"—the armoire evokes a sense of luminous luxury, reflecting both the richness of its materials and the radiance of its design.
