

CELIO

BATHTUB

DESCRIPTION

The Cielo Bathtub is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth’s elemental beauty. The Cielo Bathtub evokes a sense of serene elevation and celestial beauty. Its round marble form is a sculptural celebration of contrast: the interior features graceful, enveloping curves that invite relaxation, while the exterior presents a bold, artful profile inspired by refined vessel forms. A custom drain cap in matching marble completes the piece, ensuring every detail is as harmonious and luminous as the sky itself.
