

CORDA COUNTER STOOL

DESCRIPTION

The Corda Counter Stool is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth’s elemental beauty. The Corda Counter Stool combines texture, form, and balance in a clean, modern design. Its upholstered sides feature a rope-like corded detail, reflecting the inspiration behind its name. The stool pairs durable woven fabric with marble accents on the seat and legs, creating a strong visual contrast. This mix of materials emphasizes both the strength and craftsmanship of the piece.
