

CYGNET

DESK

DESCRIPTION

The Cygnet Desk is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth's elemental beauty. The Cygnet Desk is a defining statement in any space. It seamlessly blends two distinct yet complementary designs - One side evokes the graceful, expansive wings of a swan in flight, while the opposite side features intricately interlocking marble blocks, fitting together like a masterfully crafted puzzle. This striking combination of fluidity and structure creates a piece that is both sculptural and functional.
