

SERENITÀ

BATHTUB

DESCRIPTION

The Serenità Bathtub is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth’s elemental beauty. Carved from a single block of marble, the Serenità Bathtub exemplifies the collection’s dedication to exceptional craftsmanship. Named for the Italian word “Serenità,” meaning “serenity,” this bathtub is designed to evoke a sense of calm and tranquility. The natural veining and subtle color variations of the marble are thoughtfully showcased, transforming the bathtub into a sculptural centerpiece. With its generous proportions and smooth, inviting contours, the Serenità Bathtub offers a luxurious bathing experience that celebrates both artistry and the timeless beauty of natural stone. The tub features a custom matching drain cap.
