

SFERA

WALL

SCONCE

DESCRIPTION

The Sfera Wall Sconce is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth’s elemental beauty. The Sfera Wall Sconce is crafted from onyx, featuring a distinctive spherical element at the top and graceful curves at the base. Its name, “Sfera”—Italian for “sphere”—reflects both the sculptural inspiration and the poetic, elemental language that defines the collection. This piece brings a harmonious blend of geometry and organic form, making it a luminous accent within any refined interior.
