

VOLUTA VANITY - DOUBLE

DESCRIPTION

The Voluta Vanity is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth’s elemental beauty. Curved contours and a distinctive fluted apron define the Voluta Vanity, where sculpted marble forms a harmonious, fluid silhouette. An integrated stone sink is seamlessly carved into the surface, while walnut-lined, soft-close drawers offer refined functionality and preserve the purity of the design. The name “Voluta”—Italian for “scroll” or “spiral”—reflects the vanity’s elegant movement and sculptural presence within the collection.
