

BELA

VANITY

DESCRIPTION

The Bela Vanity is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth’s elemental beauty. Sculpted entirely from marble, the Bela Vanity captivates with an elegant profile that lives up to its name—“Bela”, derived from the Italian word for “beautiful.” Each aspect of the vanity’s form reflects a harmonious balance between sculptural artistry and functional design. The contours of the piece display a poised silhouette, offering a sense of softness and refinement within the solidity of marble. Featuring soft-close walnut drawers, it effortlessly combines form and function, making it a versatile and elegant addition to any bathroom.
