MEZZO OTTOMAN

DESCRIPTION

The Mezzo Ottoman is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth's elemental beauty. Inspired by the iconic Faraglioni rock formations off the coast of Capri, the Mezzo Ottoman and Scopolo Ottoman pay tribute to these legendary sea stacks through both form and name. Mezzo references the central Faraglione di Mezzo, famous for its natural arch, while Scopolo draws its name from the outermost stack, also known as Faraglione di Fuori, celebrated for its rugged beauty and rare blue lizard. Each ottoman is sculpted from marble and finished with complementing mohair upholstery capturing the harmonious balance of strength and softness found in Capri's dramatic landscape.
