ANELLO CHANDELIER

DESCRIPTION

The Anello Chandelier is part of the Terra Frammenti Collection. The collection is a testament to the poetic fusion of artistry and Earth's elemental beauty. The Anello Chandelier features five circular Onyx pendants of varying sizes, each revealing a rich inlay of Levanto Marrone marble that evokes the layered beauty of natural stone. Hints of deep burgundy and crisp veining ripple through the marble, creating a sense of organic movement within each ring. Sleek platinum arms and a matching ceiling plate provide a refined, contemporary contrast to the earthy materials.
