Accessories

Cover panels

Cover panels provide a clean, finished look while protecting stored items from dust and damage.

Pull-out reference shelf

The pull-out reference shelf offers a convenient, temporary work surface for reviewing files or documents.

Pull-out drawer

Pull-out drawers allow secure, enclosed storage for smaller items or confidential materials.

Pull-out file frame

The pull-out file frame supports hanging file folders, enabling organised and easily accessible document storage.

Wire file rack

Wire file racks keep folders upright and neatly arranged, ideal for quick visual identification.

Shelf dividers

Shelf dividers maintain separation between stored items, promoting better organisation and preventing shifting.

Extra shelves

Additional shelves increase storage capacity and can be adjusted to suit varying item sizes.

Parts Trays

Parts trays are perfect for organizing small components, tools, or inventory within the shelving unit.

Bin Front

The bin front prevents items from sliding off open shelves, adding a layer of containment.

Hanger Rails

Hanger rails allow hanging files to be stored neatly and efficiently.

Aisle Signage

Aisle signage clearly identifies shelving sections, improving navigation and inventory retrieval.

Label holders

Label holders ensure accurate identification of shelf contents for streamlined organisation.

Glass Door Sets (for Uni-Shelf®)

Glass door sets provide visibility into contents while offering protection from dust and tampering.

Steel Door Sets (for Uni-Shelf®)

Steel door sets offer a secure, opaque barrier for private or high-value storage.

Wire Shelf (for Uni-Shelf®)

Wire shelves offer excellent ventilation, and lightweight strength, making them ideal for keeping contents dry.
