

LTC COMMUNITY ENGAGEMENT DAY

Opening Our Doors

Friday, September 18, 2026 | 11 AM - 3 PM

Discover What's Happening at Unionville Home Society

On Friday, September 18, 2026, Union Villa Long-Term Care will join long-term care homes across Ontario in celebrating LTC Engagement Day and we invite our community to join us! Come through our doors and learn more about Unionville Home Society and the programs, services, and supports we offer to older adults and their families.

This is an opportunity to discover what life at Union Villa is all about, connect with members of our community, and learn more about how we support older adults to age well and live better. Throughout the day, we'll share more about our long-term care home, seniors' programs, community services, partnerships, and the many opportunities available to help older adults stay connected, engaged, and active in their community.

Whether you're a family member, neighbour, community partner, local leader, or simply interested in learning more about services for older adults, we'd love to welcome you. Come explore, ask questions, meet our team, and discover the many ways Unionville Home Society supports seniors and their families at every stage of aging.

For more information, please contact:
Alison Lynde at Alynde@uhs.on.ca or (905) 477-2822 ext. 4293.
