For TriNet PEO customers: Contact the 401(k) recordkeeper or TriNet's Retirement Services Team for questions about the plan. For HR Platform and HR Plus customers: Reach out to your HR administrator. Q. How does a new hire enroll in the 401(k)? For TriNet PEO customers: New hires can enroll online, making their contribution and investment elections. Worksite employees will begin contributions once they meet the plan's eligibility requirements. The recordkeeper notifies newly eligible worksite employees with enrollment instructions via mail prior to their eligibility date. Q. What is the deadline to elect benefits? For TriNet PEO customers: Worksites have 30 calendar days from their benefits eligibility date, during which to elect or waive benefits. Revise elections as needed within that period; last-in-time elections are binding. This means the latest submitted elections on the 30th day will apply. Q. When do I need to submit my life status change? For TriNet PEO customers: Submit and update your benefit elections if you experience a life status change event, such as birth, adoption, marriage, or divorce. For more information, visit TriNet (login.TriNet.com). Q. Where can I find my paystubs? TriNet PEO customers: Access earnings statements online by navigating to TriNet (login.TriNet.com) > Money > Paychecks and Statements. Worksites can also access their earnings from the TriNet Mobile app. Q. Who do I contact for payroll deduction questions? Reach out to TriNet with questions related to payroll deduction information.
