Professional Summary

Investment banker and strategy advisor with experience in M&A, corporate governance, asset management, and transformation. Skilled in due diligence, valuation, post-merger integration, end-to-end deal structuring, and risk management. With a rooted experience across healthcare, finance, insurance, real estate, and energy sectors. Demonstrated success in increasing revenue to over \$500M, enhancing resilience, and overseeing multi-sector investments exceeding \$40M in assets under management (AUM).

Experience

Investment Strategy Advisor | Independent/freelance

February 2026 – Present

Canada / Saudi Arabia

- Advised on M&A, fundraising, transformation initiatives, operations, and risk management frameworks
- Provided fair opinion on financial and operational due diligence, identifying synergy, cost structures, and risk strategies
- Guided project scopes and requirements communicating, delivering clear, consistent messaging to vendors and stakeholders
- Led the post-close governance roadmap & business strategies to stabilize leadership transitions and mitigate operational risks during the critical 100-day post-merger window

Investment Strategy Advisor | Confidential Family Office

January 2025 – December 2025

Khobar, Saudi Arabia

- Advise on M&A, business consolidation, and sector strategies in oil and gas, clean energy, real estate, and consumer goods
- Develop portfolio strategy, governance, and capital distribution for a diversified international portfolio exceeding \$40M, spanning real estate, equities, and alternative investments
- Design investment strategies that focus on wealth preservation, optimize growth, and balance investment risk
- Handle engagement with financial and tax auditors, banks, and legal advisors to restructure asset management strategies
- Establish frameworks for sustainability, governance, and investment to strengthen leadership decision-making

Mergers & Acquisition (M&A) Strategy Director (Acting VP.) | Medcan Health Management

September 2021 – July 2024

Toronto, Canada

- Created a proprietary vetting framework to source and qualify 30+ targets, ensuring pipeline alignment with acquisition criteria
- Led strategic acquisitions and integration initiatives that helped boost group revenue to over \$500 million CAD
- Guided due diligence, impact analysis, and crisis planning to enhance business continuity in digital transformation
- Co-developed post-merger and acquisition planning focused on transformation strategy, organization, and service integration
- Handled market research and market risk analysis, evaluating market dynamics, pricing, and growth forecasts
- Structured specialized board committees and governance mandates to drive synergy capture and strategic oversight throughout the PMI lifecycle, reducing post-deal liabilities

Business Investment Consultant | DMZ Ventures

July 2019 – August 2021

Toronto, Canada

- Assisted the investment committee in investment strategy through sector prioritization and portfolio capital deployment.
- Led investment rounds, helping startups secure over \$500,000+ CAD by expanding partnerships and engaging angel investors
- Managed investor relations with personalized outreach, strengthening long-term partnerships and retention
- Carried out equity research, grant writing, and corporate sponsorship outreach, securing new funding sources for new initiatives
- Collaborated with legal and financial teams to structure investment, negotiate terms, and facilitate portfolio growth

Senior Investment Strategy Manager | City of Toronto

Investment Banking – Senior M&A Associate | JPMorgan Chase & Co.

Financial Services & Investment Advisor | Canadian Imperial Bank of Commerce (CIBC)

Selected Transaction & Advisory Experience

Medcan Health Management (Buy-Side) — \$250 Million

- Developed acquisition criteria and valuation benchmarks for a pan-Canadian health clinic portfolio to ensure alignment with capital efficiency goals
- Orchestrated the M&A lifecycle by coordinating stakeholders and delivering high-frequency performance updates to the CEO and Board of Directors

Bombardier Aerostructures Divestiture (Sell-Side) — \$1.1 Billion

- Supported \$1.1B divestiture of the Aerostructures division to Spirit AeroSystems, overseeing complex carve-out operations
- Coordinated Post-Acquisition Integration (PAI) strategies to prepare for carve-out and management restructuring

Manulife & Medcan (Insurance PMI Strategies)

- Supported Post-Merger Integration (PMI) roadmap for the strategic partnership, aligning Medcan's preventative health services with Manulife's corporate insurance underwriting to optimize risk pooling
- Restructured claims integration protocols during post-merger integration to identify, quantify, and mitigate post-deal liabilities through a digital transformation initiative

DMZ Ventures (Startup Investment Strategies)

- Collaborated with executive leadership to advise on portfolio diversification strategies aimed at optimizing capital allocation and improving risk-adjusted returns
- Conducted due diligence and market analysis for 40M portfolio companies, evaluating financial health and market trends
