Product Category	Desking General Workstation Contains Legs, Connecting Brackets, Cable Managements, Beams.
LEED Contribution	Recycled Content Regional Materials Low-Emitting Materials Sustainable Purchasing
Environmental Facts	Up To 66% Recyclable

DESKPRO System contains up to 19% recycled materials by weight. Cardboard and LDPE plastic film are used for packaging.

DESKPRO System is made with minimum number of components and different materials.

Material used for packaging is 100% recyclable.

Disclaimer: Numbers may vary based on model and options selected. Recycled Content values shown are for rectangular models. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. AFC System Pvt Ltd makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.
