

Streamline Your Logistics

At **Aztec Freight Services**, we provide dependable, full-service logistics across San Diego County—from large **freight shipments** to **small parcel fulfillment**. Our team **handles packing, crating, on-site coordination**, and **scheduled deliveries** with precision and care. Whether you're a business managing regular shipments or need a one-time solution, we make your logistics faster, easier, and worry-free.

Locally Owned & Operated

Our Services

Freight Shipping

Get your bulk product shipped nationwide with our 75+ trusted carriers.

On-Site Handling

Our team comes to you—palletizing, coordinating, and handling your shipping.

Packing & Crating

For fragile, heavy, or art shipments, our packing experts pack and crate it all.

Small Parcel Fulfillment

For high-volume parcels, we can fulfill, hand-deliver, or drop off your packages.

Residential & Commercial

Our wide range of services offer both business and personal solutions.

Recurring Shipments

If you ship regularly, schedule us to carry out your logistics, leaving you hands-free.
