### Day 2: Tropical Island Hopping with Picnic Lunch

After breakfast at the hotel, meet your guide and depart at 08:30 AM for a full-day island hopping by private boat. Accompanied by your own captain and guide, cruise across the turquoise waters of the Andaman Sea, where towering limestone cliffs and scattered tropical islets create one of southern Thailand's most spectacular coastal landscapes. The private nature of the excursion allows for a relaxed pace, with ample time for swimming, snorkeling, and quiet moments on idyllic beaches.

Your first stop is Koh Tub, a small island known for its soft white sand and shallow, crystal-clear waters. Nearby lies the remarkable Talay Waek, or "Separated Sea," a natural sandbar that emerges during low tide and links Koh Tub with the neighboring islands. Walking across this narrow strip of sand, surrounded by luminous turquoise waters, is one of Krabi's most iconic and memorable experiences. Continue to Chicken Island, named for its distinctive limestone formation that resembles the head and neck of a chicken. The surrounding reefs teem with colorful marine life, making this an excellent location for snorkeling in clear tropical waters. The journey then proceeds to the beautiful Ko Poda, a postcard-perfect island featuring powdery white sand and emerald waters. Here you may relax on the beach, swim in the calm sea, or simply take in the striking limestone rock rising just offshore.

During the day, a private beach picnic will be arranged in a peaceful island setting, allowing you to enjoy a leisurely lunch surrounded by stunning natural scenery. The excursion concludes with a visit to the renowned Phra Nang Beach on the scenic Railay Peninsula, famous for its dramatic cliffs and pristine shoreline, before cruising comfortably back to the pier. *(Approximate tour duration: 6 hours)*

**Note:**

- You may choose to travel by private longtail boat at no additional cost, or **upgrade** to a speedboat for an additional surcharge.
- The program and sequence of island or beach visits may be subject to change without prior notice depending on weather conditions, sea conditions, or tide levels on the day of the tour.

Travelling by speedboat—the quickest and most comfortable way to reach the islands—you will glide across the Andaman Sea from the coast of Krabi, arriving in approximately 45 minutes amidst some of Thailand’s most breathtaking tropical scenery.

Your first highlight is the world-famous Maya Bay, the stunning lagoon featured in the film *The Beach* starring Leonardo DiCaprio. Accessed via a floating pontoon and a short walk through lush surroundings, the bay reveals its iconic white sand beach and dramatic limestone cliffs.

Continue to the emerald waters of Loh Samah Bay, where you can snorkel among vibrant coral reefs teeming with tropical marine life. Along the way, pass the picturesque Maya Nui Bay and the lively Monkey Beach, where playful macaques are often spotted along the shore. A buffet lunch will be served on Ko Phi Phi Don, the largest island in the archipelago. Later, enjoy a final stop at the pristine Bamboo Island, where powdery white sands and crystal-clear waters offer the perfect setting for swimming, snorkelling, or simply relaxing before returning to the mainland.
