

TAKE AWAY

WELCOME TO TROPPO!

Our menu takes you on a trip through the vibrant food culture of South East Asia — bold flavors, colorful plates, and dishes made to share. Everything is served family-style to create a lively, social dining experience. Traditionally, the food is enjoyed with a spoon and fork — just the way it's meant to be!

For the ultimate flavor journey, try one of our Chef's Choice menus. You'll be served a selection of our favorite dishes — a perfect harmony of hot, sour, salty, and sweet.

Prefer to choose your own adventure? Mix & match a variety of dishes for the table to share. When it comes to portions, a good rule of thumb is one dish per person — plus one extra “for the table.”
