2026

June 9-11 | New York | Convene Hudson Yards

Sponsorship Prospectus

Where industry leaders connect and commerce takes shape

Boundless is Verifone's premier global customer and partner conference – an immersive three-day experience that unites the brightest minds in payments, retail, and commerce. This is where payment leaders will gather to explore innovations in unified commerce, share best practices, and shape the future of payments.

Boundless 2026 will take place in the heart of New York City, bringing together a global community of innovators, merchants, financial institutions, and technology leaders who are redefining what's possible in connected commerce.
