

Hello!

We're excited to announce the launch of Hallie225, a foundation born out of love and inspired by the remarkable life of our beloved Hallie Grossman. The Hallie225 Foundation is a tribute to her enduring spirit and the values she embodied, aiming to carry forward her legacy of kindness, compassion, and making a meaningful impact on the world.

In memory of Hallie, we've united to create this organization, committed to living life 'The Hallie Way' - a guiding principle rooted in spreading love, positivity, and support to those in need. Through fundraising and community engagement, we're dedicated to honoring her memory and making a difference in the lives of others. ?
