1. SAFEGUARDING CHILDREN AND ADULTS AT RISK POLICY STATEMENT

This statement has been agreed by the Trustees of CYE Sailing Centre. It is to be communicated to new staff as part of the Staff Induction held in September each year, and refreshed for all staff every year.

As members of CYE Sailing Centre, we commit ourselves to the nurturing, protection and safekeeping of all our guests, especially children, young people and adults at risk.

A **child** is anyone under the age of 18.

An **adult at risk** is anyone aged 18 and over who:

- has needs for care and support (whether or not the local authority is meeting any of those needs)
- is experiencing, or at risk of, abuse or neglect
- as a result of those care and support needs, is unable to protect themselves from either the risk of, or the actual experience of, abuse or neglect.

We recognise that children, young people and adults at risk can be the victims of physical, sexual, emotional abuse and neglect. We accept the UN Universal Declaration of Human Rights and the International Covenant of Human Rights. We also concur with the UN Convention on the Rights of the Child (UNCRC) and the principles of the Care Act 2014, and the Mental Capacity Act 2005.

Safeguarding is everyone's responsibility. CYE Sailing Centre is committed to creating a safe environment where the well-being of children and adults at risk is paramount.

As part of our commitment to children, young people and adults at risk, CYE Sailing Centre has appointed **Mark Sheldrake (Lead)**, **Debbie Uren (Deputy)** and **Caleb Buckingham and Becky Hard** to be their **Safeguarding Officers** and **Liz Slinn** to be the **Safeguarding Trustee**. Their contact details are publicly displayed in Reception and are in this document.

5. RECRUITMENT AND DBS CHECKS

CYE Sailing Centre is committed to safe recruitment practices to prevent unsuitable individuals from working with children and adults at risk. Our procedures include:

- **DBS Checks:** All staff and volunteers (paid or unpaid) who will have contact with children or adults at risk will undergo an enhanced Disclosure and Barring Service (DBS) check, including a barred list check where eligible.
- **Policy on Ex-Offenders:** Having a criminal record will not automatically bar an individual from working for CYE Sailing Centre. Each case will be assessed on its merits, considering the nature of the offence, its relevance to the role, and the time elapsed. This assessment will be conducted through a robust risk assessment process, in line with current DBS guidance and principles of safer recruitment. Decisions will be cross-checked with the Safeguarding Trustee before being confirmed.
- **Recruitment Process:** This includes:
 - Application forms and comprehensive recruitment packs.
 - Two satisfactory references (one professional, where applicable).
 - Identity checks.
 - Interviews that explore safeguarding commitment and suitability for working with vulnerable groups.
 - Verification of qualifications where appropriate.
 - Satisfactory DBS check.
 - Appropriate induction, including safeguarding training.
- **Self-Disclosure:** All staff and volunteers are required to complete a CYESC Self-Disclosure Statement (Appendix 4) to declare any past or present relevant convictions, cautions, or disciplinary actions.
- **Supervision and Monitoring:** Supervision and ongoing monitoring are in place for all staff and volunteers. This includes 'monitoring of standards' observations, avoidance of 1:1 situations, and culture of reporting concerns.

6. BEST PRACTICE GUIDELINES AND CODE OF CONDUCT

All staff and volunteers are expected to adhere to the following guidelines to ensure a safe environment:

- **Communication:**
 - Be clear, explicit, and use an appropriate tone – friendly but not over-familiar.
 - Be aware of potential misinterpretation, particularly of behaviour that could be construed as grooming.
 - All communication with children and adults at risk should have a clear reason connected to the work of CYE Sailing Centre.
- **Physical Contact:** Avoid unnecessary or inappropriate physical contact. Any necessary contact (e.g., first aid) should be done professionally and transparently.
- **One-to-One Situations:** Avoid one-to-one situations with children or adults at risk where possible. If unavoidable, ensure visibility and transparency. No 1:1 meetings will be held online.
- **Boundaries:** Maintain professional boundaries at all times.
- **Confidentiality:** Respect confidentiality, but understand that safeguarding concerns override personal confidentiality.
- **Role Modelling:** Be a positive role model in language, behaviour, and attitudes.
- **Personal Information:** Do not share personal contact details with children or adults at risk, and do not seek theirs.
- **Reporting Concerns:** All concerns, no matter how small, must be reported immediately to the Safeguarding Lead, Deputy, Trustee or other CYE Safeguarding Officers (see Appendix 1)
- **Dress Code:** Maintain an appropriate dress code.
- **Alcohol and Drugs:** Do not consume alcohol or illegal drugs when responsible for children or adults at risk, or during working hours.
- **Use of Photography/Video:** Obtain parental/guardian consent before taking photographs or videos of children. Be mindful of privacy and appropriate use. No images should be taken in changing rooms or private areas.
- **Transport:** When transporting children, ensure appropriate insurance, always have another adult present, and obtain parental consent.
- **Social Media:** Adhere strictly to the Online Safety Policy (see Section 7).

7. ONLINE SAFETY POLICY

- **Parental Consent:** Parental permissions for online interaction will be obtained prior to any online engagement (Appendix 3). Good practice guidelines will be sent to parents.
- **Age-Appropriate Apps:** Only age-appropriate apps should be used for any interaction. For example, do not presume use of or access to Instagram for children under 13, and be aware that parents will have their own rules around their children's access to social media.
- **Online Video Communication:**
 - Ideally take place within normal working hours and definitely not before 9am or after 9pm.
 - Leaders should ensure they know how to mute participants and disable the 'chat' feature for practical reasons as well as to block inappropriate content.
 - A record should be kept of all online meetings, including date, time, and names of those who took part. This is stored on event notes.
 - Ratios of leaders to children should be complied with in an online environment. If breakout groups are used on a video call there should be a minimum of two staff/volunteers over the age of 18 with each small group.
 - No 1:1 meetings will be held online between staff and children or adults at risk.
- **Monitoring and Recording:** Any issues or concerns related to online interaction should be recorded and stored separately. Safeguarding concerns will be reported to and stored confidentially by the Designated Safeguarding Lead.
- **Social Media Use:**
 - Staff and volunteers should not engage in online communication with children or adults at risk via personal social media accounts.
 - Official CYE Sailing Centre social media accounts will be managed by designated staff and adhere to strict guidelines.
 - Personal social media profiles should not identify an individual as a CYE Sailing Centre staff member or volunteer in a way that could lead to inappropriate contact from participants.

8. REPORTING SUSPECTED ABUSE OR CONCERNS

- **Immediate Action:** Any staff member or volunteer who has a concern about the welfare of a child or adult at risk, or who receives an allegation of abuse, must report it immediately to the Safeguarding Lead or Deputy Safeguarding Lead.
- **Do Not Investigate:** Staff and volunteers are not to investigate the concern themselves. Their role is to report, record, and await instruction.
- **Record Keeping:** All concerns must be accurately recorded on a "Cause for Concern" form (Appendix 8) as soon as possible after the event. These are found with incident forms and 1st aid kits around site, and within this policy. Recording should include:
 - Date and time of disclosure/concern.
 - Details of the concern/allegation.
 - Who was involved.
 - Any actions taken and by whom.
 - Your signature and date.
- **Reporting to External Agencies:**
 - The Safeguarding Lead will have lead responsibility for reporting concerns to the Local Authority Children's Social Care (or equivalent in Scotland/Wales/Northern Ireland) or Adult Social Care, as appropriate.
 - If there is a belief that a criminal offence has been committed, the police should be contacted as a matter of urgency.
 - Relevant regulatory bodies may also need to be informed.
- **Referral Thresholds:** The Safeguarding Lead will be familiar with local referral thresholds for children's and adult's social care.
- **Emergency Situations:** In an emergency where a child or adult at risk is in immediate danger, call 999 first, then inform the Safeguarding Lead.

9. RESPONDING TO DISCLOSED ABUSE

If a child or adult at risk discloses abuse:

- **Listen Carefully:** Listen calmly and attentively to what is being said.
- **Do Not Promise Confidentiality:** Explain that you cannot promise confidentiality, as you will need to share the information to ensure their safety.
- **Do Not Ask Leading Questions:** Do not ask questions that could influence their answers.
- **Reassure:** Reassure them that they have done the right thing by telling you.
- **Record Accurately:** Make a factual record of what was said, using their own words where possible, as soon as possible after the disclosure. Make efforts to ascertain the who, what, where and when of the disclosure (see guidance below)
- **Report Immediately:** Report the disclosure immediately to the Safeguarding Lead or Deputy Safeguarding Lead.

9.1 Gathering Initial Information: 4Ws and TED Questions (for All Trained Leaders)

When a child, young person, or vulnerable adult shares a concern, all trained leaders — not only the Safeguarding Officer — have a vital role in responding with care and clarity. Leaders are not responsible for investigating, but may need to **listen well** and, where appropriate, **gently establish the 4Ws**:

Who was involved? What happened? Where did it happen? When did it happen?

To do this appropriately, leaders can use the **TED** questions:

- Tell me more about that...
- Explain what you mean...
- Describe what happened...

These open prompts help the individual share in their own words, without being led, judged, or pressed for detail.

Good practice for all leaders includes:

- Staying calm and attentive; never expressing shock or disbelief.
- Avoiding 'why' questions or anything that could feel accusatory.
- Not investigating or interviewing others.
- Refraining from promises of confidentiality — instead, explaining that you may need to share the information with the Safeguarding Lead to help keep them safe.
- Recording what was said, using the individual's own words where possible.
- Reporting the concern promptly to the Designated Safeguarding Lead or Officer.

Using TED questions within these boundaries helps ensure that disclosures are received with sensitivity and passed on responsibly — supporting the safeguarding process without stepping beyond your role.

10. ALLEGATIONS AGAINST A MEMBER OF STAFF/VOLUNTEER

Any allegation or concern that a member of staff or volunteer has:

- Behaved in a way that has harmed a child or adult at risk, or may have harmed a child or adult at risk;
- Possibly committed a criminal offence against or related to a child or adult at risk; or
- Behaved towards a child or adult at risk in a way that indicates they are unsuitable to work with children or adults at risk;

Must be reported immediately to the Safeguarding Lead. If the allegation is about the Safeguarding Lead, it must be reported to the Safeguarding Trustee. Use guidance on gathering information in 9.1 above.

- **Suspension:** In certain circumstances, temporary suspension from duties may be necessary while an investigation takes place. This is a neutral act and not a disciplinary measure.
- **Local Authority Designated Officer (LADO):** The Safeguarding Lead will contact the LADO (Local Authority Designated Officer), in accordance with "Working Together to Safeguard Children 2023" guidance, using their online referral tool. The LADO provides advice and guidance to employers and other organisations who have concerns about a person working with children.
- **Disciplinary Procedures:** Any disciplinary action will follow CYE Sailing Centre's internal disciplinary procedures, in conjunction with advice from the LADO and/or police if a criminal offence is suspected.
- **Support:** Support will be offered to the individual making the allegation, the child/adult at risk concerned, and the person against whom the allegation has been made.

11. INITIAL ACTION BY THE SAFEGUARDING LEAD

Upon receiving a concern or allegation, the Safeguarding Lead will:

- **Listen and Record:** Listen carefully and record the information accurately.
- **Assess Risk:** Immediately assess the level of risk to the child or adult at risk.
- **Seek Advice:** Make use of Thirty-One Eight as independent advisory body. CYE will seek advice regarding referral whenever there is uncertainty about the level of risk, whether statutory thresholds are met, or whether a child, young person, or vulnerable person may require protection or support beyond what CYE can safely provide internally.
- **Consult:** Consult with the Deputy Safeguarding Lead and, if necessary, other Safeguarding Officers or Trustee.
- **Contact Agencies:** Determine whether to contact Children's Social Care, Adult Social Care, or the Police.
- **LADO Contact:** If the concern involves a staff member or volunteer, contact the Local Authority Designated Officer (LADO).
- **Information Sharing:** Share information only on a "need to know" basis, ensuring confidentiality is maintained as far as possible.
- **Support:** Ensure appropriate support is available to the child, adult at risk, and/or their family, as well as to the reporter of the concern.
- **Documentation:** Maintain clear, concise, and confidential records of all actions taken.
- **Review:** The SL and DSL will regularly update the safeguarding team as appropriate, only sharing information that is vital to share for best practice. Reviews will consider actions taken and if any revision of policy, training or practice, is needed.

Refer to Appendix 2: Flowchart for Safeguarding Officers for a detailed procedural guide.

12. CONFIDENTIALITY AND INFORMATION SHARING

- **Principle:** All safeguarding concerns and related information will be treated with the utmost confidentiality.
- **Exception:** Confidentiality cannot be guaranteed when there is a risk of harm to a child or adult at risk. In such cases, information will be shared with relevant statutory agencies (e.g., Social Care, Police) on a "need to know" basis, in line with legal frameworks such as the General Data Protection Regulation (GDPR) and Data Protection Act 2018, and "Working Together to Safeguard Children 2023."
- **Record Keeping and Data Protection:** All safeguarding records, including Cause for Concern forms and related documentation, will be stored securely and confidentially, either in locked physical files or password-protected digital systems. Access to these records is strictly limited to authorised personnel on a 'need to know' basis. Records will be retained in accordance with legal and statutory guidance on data retention for safeguarding purposes.

13. WHISTLEBLOWING POLICY

CYE Sailing Centre is committed to creating an open and accountable environment where staff and volunteers feel confident to raise genuine concerns about malpractice or wrongdoing without fear of victimisation.

- **Process:** Any staff member or volunteer who has concerns about potential safeguarding failures, or who believes this policy is not being adhered to, should report these concerns to the Safeguarding Lead or their Deputy. If the concern relates to these individuals, the concern should be raised directly with a Trustee.
- **Protection:** CYE Sailing Centre will protect staff and volunteers who raise genuine concerns in good faith, even if they turn out to be unfounded.

14. REVIEW AND ADOPTION OF THE POLICY

This Safeguarding Policy will be reviewed annually, or sooner if there are changes in legislation, guidance, or organisational practice. The next review date is **February 2026**.

The review process involves the Safeguarding Lead, Deputy, and Trustee. This policy will be updated as necessary in response to changes in legislation, statutory guidance, best practice, or learning from any incidents or internal reviews which are carried out every 6 months.

This policy has been adopted by the Trustees of CYE Sailing Centre on **1st September 2025**

Appendix 5: Key Principles from *Working Together to Safeguard Children 2023*

1. Role in Safeguarding

Voluntary, community, faith-based and private sector organisations play a significant role in safeguarding children through the services and activities they provide. These may include educational, recreational, religious, social or health-related services that support children, young people and their families. (WTSC 2023, Chapter 4, paragraphs 104–107)

2. Safeguarding Policies and Leadership Responsibilities

These organisations must have clear, proportionate safeguarding policies and procedures in place. Leaders, trustees and senior staff are responsible for ensuring these policies are implemented and followed in practice. This includes having effective systems for managing safeguarding concerns and ensuring compliance with legal and regulatory requirements. (WTSC 2023, Chapter 3, paragraph 70; Chapter 4, paragraphs 104–105)

3. Responsibilities of Individuals Working or Volunteering with Children

All individuals—whether paid or voluntary—who work with children and families are responsible for safeguarding and protecting children from harm. They must understand how to identify and respond to safeguarding concerns and know how to report these to local authority children’s social care or the police when necessary. (WTSC 2023, Chapter 3, paragraphs 69–71)

4. Participation in Multi-Agency Safeguarding Arrangements

Where designated by local safeguarding partners, organisations may be named as relevant agencies and are required to cooperate with multi-agency safeguarding arrangements. Even where not formally designated, organisations are encouraged to engage with local safeguarding partnerships to support coordinated responses to safeguarding needs. (WTSC 2023, Chapter 4, paragraphs 110–111; Chapter 5, paragraphs 136–137)

5. Specific Expectations for Sport and Leisure Organisations

Sport and leisure organisations, particularly those in receipt of public funding, are expected to meet nationally recognised safeguarding standards such as the *Standards for Safeguarding and Protecting Children in Sport* and to uphold their responsibilities under *Working Together to Safeguard Children*. (WTSC 2023, Chapter 4, paragraph 106)

6. Alignment with Multi-Agency Child Protection Standards

The 2023 guidance introduces multi-agency child protection standards, emphasising a child-centred, whole-family approach. All organisations working with children are expected to operate in line with these standards and contribute to consistent, high-quality safeguarding practice across services. (WTSC 2023, Chapter 5, paragraphs 138–139; Appendix A)
