Elevate

Elevating one's aesthetic is more than just dressing well. A true leader knows that real class, sophistication and power reflects in the basics. Your workspace is where your determination, hardwork and drive come together to catapult you into success. It's a small space that becomes the breeding ground for big dreams!

The holistic approach to choosing furniture for an office cabin is to remember that they are just as essential to the structure, as clients are to an organization. Our styles for medium/standard cabins will elevate your office's visual appeal to make it match up to the perfectionist in you.

ZEST

White spells class. This piece has a unique look and promotes a feeling of luxury, peace and serenity. It's apt for those leaders who know how to keep their calm during the most strenuous hours. This one is high on charm and quality.

ACTIVE

This highly functional yet aesthetic desk is for those who know how to ace their game. This single piece of furniture is enough to elevate the style of your office, and it's chic look spells class and poise. It aspires to motivate every person in the room as it exudes authority.

SPARK

Not many desks can do justice to an office space like this one. It's a class apart from the rest, and is made secure praise. Big dreams start from small spaces and this one is for the dreamer and achiever in you. The craftsmanship radiates excellence and commands respect.

VITAL

Our desks come in various styles, designs, sizes and shapes. Each piece has been created to suit a specific personality and style. This one's for those who like their office minimalistic and chic. It's meant for the ones who show clarity of mind and are focused, goal-oriented leaders.

ASTUTE

If you dig classic, then this simple, classic table is apt for your office. Though old school in approach, it has been given a modern twist with multiple highly functional drawers and a monochrome front facing look to complement the otherwise glossy wooden table top and sides. We bet you'll love the blend of both worlds!

WHIZ

When business expansion is of prime focus, your furniture should convey the message to anyone in your workspace. This expansive, perfect-finish desk comes in a matte and glossy look, and the dual colours add just the right amount of style. With rectangular metal framed paneled legs on one side, and a multi-purpose cabinet on the other, this pick ensures great functionality.

CLARITY

More often than not, our work desks shout out our personality. It's 'out of the box' design is ideal for a motivated achiever who dares to dream. The desk comes with slanted legs on one side and a small cabinet on the other. The aesthetic balance of this desk stands out and is for the go-getter who doesn't care about walking within the lines.

FOCUS

This sleek piece of brilliance is made to be eyed. Its classy aesthetics consists of a half vertical glossy frontal slab that shields the bottom portion of your seat from exterior view. What stands out is its sides. The white paneled frames used on both sides in place of the usual legs, are worth being showered with praises. It also comes with a small cabinet attached that comprises drawers for your important files and most used office supplies.

MENTOR

This table gives one an old school feel with its style, but it's detailing lends a contemporary look that you'll love. The dual colored style paired with glossy and matte finish will stand out in your workspace.

FLAIR

This desk comes with a high-end stylish look and feel. Owing to its size and appeal, it's apt for a medium sized office where it will be the centre of attraction. The woody look in combination with white tones taking form in this artistic piece of furniture, is sophistication personified.

WARRIOR

This is an ideal choice for those who want an unconventional office desk. The shades of brown and black combined make this piece uber interesting, and it's design ensures utmost utility and function.

CHAMPION

This desk is designed to impress. It comes with a white frontal shield and white framed paneled legs that match. Its storage unit is less of a cabinet and more of a bookshelf that has a front facing view for all the employees to see inspiring books and awards, perhaps. Modern, fresh and high on the style quotient.

STRIDE

These executive desks are best suited for those who believe in 'simplicity is style'. This sleek looking gable end modesty panel comes in contrasting colour laminates and has side storage units that amp up the look of the cabinet. Keep it simple, keep it classy!

FORWARD

Investing in a compact, versatile piece of furniture like this is futuristic and mindful, as these rectangular desks are designed for long term service. Its soft colour combination, sliding based storage units and acrylic modesty provisions gives it an ergonomic brilliance that sets it apart and boosts the appearance of the office it is placed in.

SWIFT

This one is for the go-getters, the ones who know how to get exactly what they want. Their determined mind stands in sync with their joyous exterior. This angular, cubic cabinet has a combination of contrast laminates and easily accessible drawers. It's a match made in heaven, some might say!

Combination of contrast laminates

Gable end modesty

RAPID

This one is best fit for those who are glued to their chairs and prefer minimal movement, so they are not distracted from climbing the ladder of success. The classic combination of modern shapes, openable flappers, high quality hardware and easily accessible drawers clubbed with side metal support legs, is ideal for the upgrade that their office truly deserves.

Openable flapper

BALANCE

Minimalistic, space-saving office furniture never goes out of style, and both the elegance and utility stands out in this piece. Enhance the aura of your workspace with this loop legged cabinet that comes with a side storage unit to harmonize spatial appeal. Its natural wood finish and glossy effect tabletop is nothing less than a showstopper.

SHARP

Struggling for space? This detached unit will do the trick! This trendy and affordable design desk comes with a back storage unit to ease your burden of limited space. It assists in making your office a more modern work space.

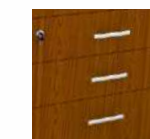

SPRINT

Adding several pieces of furniture to a standard sized office only adds to a cramped look that doesn't work well for your company's aim of world class infrastructure. Try this maximal functional use and comfortable desk instead. This elegantly designed desk with both side storage units teamed with metal handle drawers is apt to raise the bar of your office space.
