Nuvora

Collaborative Pod

The Shape of **Focus**

This modern semi-private work pod combines soft seating and high, sound-absorbing panels to create a quiet, dedicated space for small teams or individual focused work.

Material & Build

Frame: Aluminium extrusions with anodised/powder coating finish.

Panels: High-density foam with premium fabric upholstery in multi tones.

Feet/Base: Height-adjustable gliders for leveling on any surface.

Nuvora

Nuvora Meet

Sofa-based seating with screen wall integration — a smart pod for meetings and ideation.

Designed for collaborative spaces like co-working zones and breakout areas.

Power integration available for multiple devices.

High upholstered acoustic panels ensure reduced sound transfer.

Media display integration for presentations and hybrid meetings.

Nuvora Focus Pod

Ideal for heads-down work with side panels for reduced noise and visual distraction.

Fixed or height-adjustable desk options.

Option for acrylic extension screens for added hygiene and privacy.

Compatible with ergonomic task chairs.

Compact footprint ideal for dense layouts.

Nuvora Booth

Straight or L-shaped configuration for solo work, study, or quick meetings.

Comes with modular, upholstered walls and desk options.

Panels in two-tone finishes for color-coded zones.

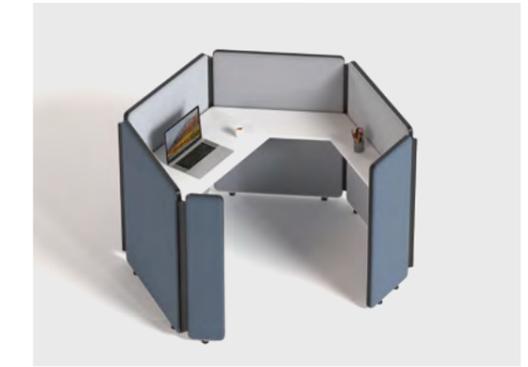

Nuvora Multiply Pod

Based on triangular geometry to maximize use of corner and central spaces.

Three exposed yet shielded sides promote a 360° work surface.

Encourages spatial efficiency in smaller offices or dense work zones.

Nuvora Media Scape

Semi-enclosed media scape design with panels that create focus zones without feeling closed-in.

Ideal for deep-focus tasks, virtual meetings, content reviews, or quick individual work bursts in open offices.

Nuvora is built for today's focused, flexible workstyles.
Thoughtfully designed, it combines simplicity with strength.
Every surface and angle serves a clear purpose, creating calm, efficient spaces where people can think clearly, collaborate easily, and achieve more with less effort.
