Bureau Veritas Certification

Lumeon Ltd

Battersea Power Station (The Engine Room), 18 The Power Station, London, SW11 8BZ,
United Kingdom

Bureau Veritas Certification Holding SAS - UK Branch certifies that the Management System of the above organisation has been audited and found to be in accordance with the requirements of the management system standards detailed below

ISO 9001:2015

Scope of certification

The provision and management of SaaS for the Healthcare market. This includes the design, development, planning, delivery, and continual improvement of onsite and remote services by Lumeon for clients based in the UK, European & United States regions. It covers all employees, contractors, systems, and resources that contribute to the delivery of software, professional services, technical support, and customer facing activities. All US services are delivered remotely, and some UK services are also delivered remotely. All with 7.1.5.2 measurement traceability and 8.5.1f) validation of the processes for production and service provision determined and justified as not applicable.
