ACTIVE INGREDIENTS:

By Wt

Clothianidin

50.0%

Other Ingredients

50.0%

Total

100.0%

Contains 8.0 ounces of Clothianidin active ingredient per pound.

CLOTHIANIDIN

GROUP

4A

INSECTICIDE

BROAD-SPECTRUM
INSECT CONTROL

SYSTEMIC
PROTECTION

LONG-LASTING
RESIDUAL CONTROL

FOR MULTIPLE SITES
& APPLICATIONS

LONG-LASTING
PERFORMANCE

Rain or irrigation
activates fast, with
extended protection.

SYSTEMIC

Moves through the plant
to protect from the
inside out.

VERSATILE USE

For landscapes, trees,
turfgrass, greenhouses
and more.

OLYMPIA™

FEATURE	OLYMPIA™
Active Ingredient	Clothianidin 50.0%
Insecticide Group	4A
Mode of Action	Neonicotinoid
Activity	Systemic (Xylem Mobility)
Insect Control Spectrum	Broad Spectrum
Residual Control	Long Lasting
Rainfastness	Excellent
Formulation	Water Dispersible Granule (WDG)
Use Sites	Multiple Sites
Value	High Performance & Value

IDEAL FOR USE ON:

Lawns & Turf

Landscape Ornamentals

Ornamental Trees

Greenhouses & Nurseries

Non-bearing Fruit & Nut Trees

Residential Apple & Pear Trees

Sod Farms

Golf Courses

Parks & Recreational Areas
