

Sharda USA LLC

MITOTM

60% HERBICIDE

PROFESSIONAL BROADLEAF WEED CONTROL.

SYSTEMIC HERBICIDE PERFORMANCE.

LONG RESIDUAL ACTIVITY.

MITOTM delivers dependable control of broadleaf weeds, brush, and woody species in turfgrass, ornamental landscapes, rights-of-way, industrial sites, pastures, and non-crop areas. Its metsulfuron-methyl formulation provides systemic activity with long-lasting residual control while supporting professional vegetation management programs.

ACTIVE INGREDIENT

Metsulfuron-methyl*	60.0%
Other Ingredients	40.0%
Total	100.0%

*Contains 0.60 lbs. of metsulfuron-methyl per pound of product.

SELECTIVE WEED CONTROL

Excellent control of broadleaf weeds, brush and woody species.

SYSTEMIC ACTIVITY

Provides excellent uptake and translocation for thorough control from the ground up.

LONG RESIDUAL ACTIVITY

Offers extended residual control for season-long weed management.

PROFESSIONAL FLEXIBILITY

Ideal for turf, ornamental, industrial, and non-crop use sites.

METSULFURON-METHYL

GROUP 2

HERBICIDE

BROADLEAF WEED CONTROL

BRUSH MANAGEMENT

GROUP 2 HERBICIDE

TURF & ORNAMENTAL PERFORMANCE

MITOTM

FEATURE	MITO TM
Active Ingredient	Metsulfuron-methyl
Concentration	60%
Formulation	DF
Herbicide Group	2
Broadleaf Control	Excellent
Brush Control	Excellent
Residual Activity	Excellent
Turf Performance	Excellent
Use Flexibility	Excellent
Value Position	Cost Competitive

IDEAL FOR

GOLF COURSES

COMMERCIAL TURF

ATHLETIC FIELDS

RIGHTS-OF-WAY

SOD FARMS

PARKS & RECREATION AREAS

RESIDENTIAL TURF

ORNAMENTALS & NURSERIES

CONTROLS A WIDE RANGE OF WEEDS

- Pigweed
- Smartweed
- Spurge

BRUSH & WOODY SPECIES

- Blackberry
- Multiflora Rose
- Brush Species
- Woody Growth
- Nuisance Vegetation

TECHNICAL SNAPSHOT

Active Ingredient:	Metsulfuron-methyl
Concentration:	60%
Formulation:	Dry Flowable (DF)
Herbicide Group:	2
Mode of Action:	ALS Inhibitor
Use Pattern:	Post Emergence
Use Areas:	Turf & Ornamentals

PRODUCT FEATURES

- ✓ Broadleaf Weed Control
- ✓ Brush Management
- ✓ Long Residual Activity
- ✓ Systemic Performance
- ✓ Turf & Ornamental Flexibility
- ✓ Professional Grade Results
