PACETM

HERBICIDE

SUPERIOR POA CONTROL.
HEALTHIER TURF. CLEANER RESULTS.
DEPENDABLE PERFORMANCE.

PACETM Herbicide contains bispyribac-sodium, a proven Group 2 herbicide for the selective postemergence control of annual bluegrass, roughstalk bluegrass and certain broadleaf weeds in cool- and warm-season turfgrasses.

ACTIVE INGREDIENT BY WT

Bispyribac-sodium*	37.57%
Other Ingredients	62.43%
Total	100.00%

*sodium 2,6-bis[[4,6-dimethoxypyrimidin-2-yl]oxy]benzoate

PACETM Herbicide is a suspension concentrate with 3.7 lb bispyribac-sodium per gallon.

BROAD-SPECTRUM WEED CONTROL

Controls annual bluegrass, roughstalk bluegrass and certain broadleaf weeds.

LONG-LASTING PERFORMANCE

Provides extended residual control for clean, consistent turf quality.

GROUP 2 HERBICIDE

ALS inhibitor with proven performance and excellent turf safety.

IMPROVES TURF QUALITY

Promotes healthier, denser turf for better playability and appearance.

WHY CHOOSE PACETM?

FEATURE	PACE TM
Active Ingredient	Bispyribac-sodium
Herbicide Group	Group 2
Mode of Action	ALS Inhibitor
Targeted POA Control	Excellent
Spectrum	Broad (POA & Broadleaf)
Turf Safety	Excellent
Systemic Activity	Systemic
Residual Control	Long-Lasting
Use Flexibility	Multiple Turf Types
Suppression of Dollar Spot	Yes
Application Rate (fl oz/A)	0.38 – 2.25 fl oz/A

IDEAL FOR USE ON:

- Golf Courses
- Sports Fields
- Commercial Turf
- Sod Farms
- Landscape Ornamentals
- Residential Lawns
- Parks & Landscapes
- Athletic Facilities

CONTROLS A WIDE RANGE OF DISEASES

SUPPRESSION OF DOLLAR SPOT

APPLICATION & USE

- Selective postemergence control
- Use on cool- and warm-season turf
- Apply with ground equipment
- Low use rates – high performance
- Rainfast after 2 hours
- Do not apply with flood jet nozzles
- Calibrate equipment before each use

PRODUCT FEATURES

- Proven control of POA species
- Broad-spectrum weed control
- Long-lasting residual activity
- Excellent turfgrass safety
- Improves overall turf quality
- Formulated as a suspension concentrate
- Easy to mix and apply

EPA REG. NO. 83529-184
