TRUSTED
RESULTS
FROM A LEADER
IN TURF CARE

ACTIVE INGREDIENT:

topramezone: [3-(4,5-dihydro-isoxazolyl)-2-methyl-4-(methylsulfonyl)phenyl](S-hydroxy-1-methyl-1H-pyrazol-4-yl)methanone 29.7%*
Other Ingredients: 70.3%*
Total: 100.0%
1 gallon contains 2.8 lbs of topramezone free acid.

POWERFUL CONTROL
Controls tough grasses and broadleaf weeds effectively.

LONG-LASTING PROTECTION
Provides extended residual activity for season-long results.

VERSATILE USE
Ideal for forestry, ornamentals, industrial and noncropland areas.

POSTEMERGENCE POWER
Works after weeds emerge for reliable results when you need them.

PROVEN PERFORMANCE
Backed by research and trusted by turf professionals nationwide.
