TOOL™

WSB FUNGICIDE

SYSTEMIC PROTECTION. HEALTHY PLANTS. SUPERIOR RESULTS.

BROAD-SPECTRUM DISEASE CONTROL FOR TURF, ORNAMENTALS & LANDSCAPE PLANTS.

Tool™ WSB Fungicide provides reliable, systemic protection against a wide range of fungal diseases in turfgrass, ornamentals, shrubs, trees, flowers, nurseries and greenhouses.

ACTIVE INGREDIENT:

Thiophanate-methyl	50.0%
Other Ingredients:	50.0%
TOTAL:	100.0%

SYSTEMIC FUNGICIDE

Absorbed by the plant and moves within tissues for effective internal protection.

BROAD-SPECTRUM CONTROL

Controls a wide range of foliar and soil-borne fungal diseases.

LONG-LASTING PROTECTION

Extended residual activity helps keep plants healthy for longer.

FLEXIBLE APPLICATION

Ideal for foliar sprays in ornamentals, turf, nurseries, and greenhouses.

SYSTEMIC PROTECTION

BROAD-SPECTRUM DISEASE CONTROL

LONG-LASTING PERFORMANCE

HEALTHIER PLANTS. BETTER RESULTS.

TOOL™ WSB

FEATURE	TOOL™ WSB
Active Ingredient	Thiophanate-methyl 50.0%
Mode of Action	FRAC Group 1 (MBC)
Systemic Activity	Excellent
Disease Spectrum	Broad Spectrum
Residual Control	Long Lasting
Formulation	Water Soluble Bag (WSB)
Ease of Mixing	Easy – Pre-measured Bags
Plant Safety	Excellent
Value	Cost Competitive

IDEAL FOR USE ON:

Turfgrass

Bedding & Flowering Plants

Tropical Foliage Plants

Shrubs & Trees

Containerized Ornamentals

Nurseries & Greenhouses

Landscape & Interiorscape

CONTROLS A WIDE RANGE OF DISEASES

Refer to label for a complete list of diseases controlled.

TECHNICAL SNAPSHOT

Active Ingredient	Thiophanate-methyl 50.0%
FRAC Group	1 (MBC)
Formulation	Water Soluble Bag (WSB)
Chemical Class	Benzimidazole
Mode of Action	Inhibits fungal cell division and growth
Systemic Activity	Yes
Use Sites	Turf, Ornamentals, Shrubs, Trees, Greenhouses, Nurseries
Application	Foliar Spray

PRODUCT FEATURES

- ✓ Systemic protection for better disease control
- ✓ Broad-spectrum activity on many diseases
- ✓ Long-lasting residual performance
- ✓ Easy to use water soluble bags
- ✓ Excellent plant safety when used as directed
- ✓ Ideal for professional ornamental & turf programs
- ✓ Trusted performance for healthier, more beautiful plants
