A photograph of a modern, multi-level outdoor living space. The scene features a large, mature tree in the center, with a wooden deck and balcony above it. The balcony has wicker furniture and large, round, wicker pendant lights. Below the balcony, there is a seating area with a large, patterned wall in the background. A person is sitting on the ground in the foreground, looking towards the right. The overall atmosphere is warm and inviting, with a mix of natural and modern elements.
