ABOUT DEVELOPER

VANATAN is a company dedicated to vacation rentals in the Riviera Maya and in synergy with a team of designers and architects they give birth to **Spirit Condos 1904**, the first of a series of projects that will revolutionize the experience of living on the beach.

The experience acquired by VANATAN has refined its vision of a property not only as an investment, but as something much more personal and experiential that should result in a memorable lifestyle for those who live it without forgetting that these same characteristics will be an influence of success for the investment.

Architecture

Firm of architects with extensive experience building in the area, we know the type of soil very well and we know how to address the challenges that arise during construction.

The architecture is a “modern ethno” concept, a mix between eco chick and a modern European touch.

Design

We harmonize each space to create a more comfortable stay for you and your future guests.

Captivate the exquisiteness in every corner. We integrate premium quality natural elements in the equipment and finishes, pieces from northern Mexico and others imported from Indonesia and Europe.

Experience

We add our experience in vacation rentals to cover all the needs of a property that operates in this business model.

We take care of every detail in the equipment, administration and solving since the construction the main problems that usually arise in maintenance.
