ART
ARCHITECTURAL

**THE CAREER
OF A VISIONARY:**

In the fascinating world of architecture, few names resonate with the same distinction and success as that of renowned architect **ÁNGEL LLOBET**, who graduated with a degree in Architecture from the Universidad Autónoma del Estado de Morelos - UAEM in 2009. Since then, his commitment to design, construction, supervision, innovation and professional drive has been the driving force that has made him a leading figure in his field.

DESCRIPTION:

MAGNUS is an architectural project with concrete finishes where elegance can achieve an aesthetic and modern functional balance, creating a unique and attractive living space.

The passion with which we work and do things is our way of guaranteeing a quality service, with the tastes and needs of each client.

PLAYA DEL CARMEN / Quintana Roo.

DRAFT

LIVERTATEM

CUERNAVACA / Morelos.

DESCRIPTION:

In the fascinating world of architecture, few names resonate with the same distinction and success as that of the renowned architect Ángel Llobet, who graduated with a degree in architecture from the Autonomous University of the State of Morelos - UAEM in 2009.

CUERNAVACA / Morelos.

The process begins with the development of a conceptual design that meets the client's needs and fits the surrounding environment. This may involve the creation of sketches, 3D models and digital renderings to visualize the project.

DRAFT / RESIDENCIAL SUITES

TORTUGA

PLAYA DEL CARMEN.
Quintana Roo.

This vertical project of apartments for tourist use in the Mexican Caribbean is a charming proposal that adapts perfectly to the environment and the needs of visitors. Here is a detailed description:

ARCHITECTURAL DESIGN: The building features a modern and functional three-level design. Each level houses two tourist apartment units, ensuring an intimate and exclusive experience for guests.

PECESITOS

DESCRIPTION:

RESIDENCIAL PECESITOS is a three-story building in the tourist area of Tulum being a unique architectural work that combines local materials, bioclimatic design and a deep connection with nature and culture of the region, keeping the subtle touch, with that unique style of the architect Angel Llobet, will catch you.

Tulum, Quintana Roo.

A space designed for the distances of Tulum and offering its own bicycles as a means of transportation is a brilliant idea that aligns perfectly with the lifestyle and sustainable philosophy of the region.

RESIDENCIAL

RAMONAL

Cancún / Quintana Roo.

DESCRIPTION:

A beautiful architectural structure that combines nature and modernity of the construction materials could be a contemporary building that integrates seamlessly harmonious with its natural environment, using durable and sustainable materials and maximizing the connection with natural light and panoramic views.

Cancún / Quintana Roo.

ROOF TOP

REFORMA

CDMX / México city

DESCRIPTION:

An urban oasis located at the top of a building, offering panoramic views of the iconic cityscapes of the metropolis.

CDMX / México city

CASA

RIVERA

Tulum / Quintana Roo.

DESCRIPTION:

Imagine a home built among the lush natural surroundings of the jungle in Tulum that not only integrates harmoniously with its surroundings, but also tells its own story, one that reflects the cultural richness and connection to nature of the region.

Tulum / Quintana Roo.

RESIDENCIAL

IMPERIUM

Cuernavaca / Morelos

DESCRIPTION:

A hidden gem amidst lush green landscapes and lush vegetation that blends harmoniously with the surrounding nature.

Cuernavaca / Morelos

SOFÍA

Tulum / Quintana Roo.

DESCRIPTION:

Casa Sofia is a residence that combines contemporary elegance with the natural serenity of its setting on Mexico's Caribbean coast.

Tulum / Quintana Roo.

DESCRIPTION:

In the heart of the ancient Mayan jungle is OKOM, a mix between the natural and the modern, which reaches and touches everyone equally.

Accessible from the roots, OKOM is a treasure where the song of birds resonates in the hearts of those who live or embrace it, revealing peace and purity.

Every detail that accompanies us is a sample of harmony between the physical and the human.

Tulum / Quintana Roo

For us, OKOM is the pillar that supports our desire to build a roof where you can enjoy life to the fullest.
