AKASHA

D O W N T O W N L I V I N G

The universe force of the sun of the four elements energy present in all living creatures. Akasha is the place where the senses awaken and the experience of life itself transcends.

DEVELOPMENT CREATED BY

TIERRA MAYA GRUPO INMOBILIARIO

An aerial photograph of a person surfing on a wave. The surfer is in the center, riding a white, foamy wave that is breaking. The water is a deep teal color, and the beach is a light tan color. The surfer is wearing a red and yellow swimsuit. The overall mood is serene and adventurous.

CONCEPT

We inspire for the life of tomorrow

Creating spaces whose vision is focused on the well-being of those who inhabit them is a necessity in current daily life and future life.

Biophilic spaces that allow self-care, relaxation and contemplation, designed to enjoy tropical life and remot work

Located in the city of eternal vacations

YOGA AREA

A high-angle, top-down view of a person swimming in a rectangular pool. The water is a vibrant turquoise color, and the pool is bordered by a light-colored wooden deck. In the background, there are lush green trees and a clear blue sky. The overall scene is bright and sunny, suggesting a warm day.

Watch the sunrise from the

SKY POOL

Turn-key delivery

All units are delivered **fully furnished** and **equipped** with everything you need to enjoy your investment from the moment it is delivered.

All the interior design is inspired in a biophilic concept, whose origin lies in the connectivity of the occupants with the natural environment, through the use of direct nature (cross-winds, natural light) and indirect nature (sustainably manufactured furniture).
