

CALEXA

ABOUT US

Since 2010, in CALEXA we have stood out in the real estate and construction sector, providing comprehensive solutions to cover various needs.

We have a highly specialized and perfectly trained professional team. Our strength in the combination of human talent, cutting-edge tools, modern machinery and highly qualified labor.

CALEXA

This synergy allows us to carry out each project, ensuring quality and efficiency at every stage.

Focused on exceeding expectations, we work hard to deliver exceptional results. With CALEXA, your vision becomes a reality through a transparent process committed to excellence.

MISSION

At CALEXA Investment and Projects Managements, we are committed to being leaders in the transformation of the real estate and construction environment. Guided by excellence and innovation, we seek to exceed our clients' expectations by offering comprehensive solutions, supported by a passionate team committed to quality and efficiency. Our mission is not just make buildings, we want long relationships based on trust, transparency and shared success.

VISION

To be recognized as innovative leaders in real estate and construction development, setting the standard in the creation of spaces that not only meet present needs, but also inspire the future. We strive to be the preferred choice of clients and collaborators, standing out for our excellence, sustainability and the positive impact we generate in the communities where we operate.

CALEXA

OUR LABOR

At CALEXA, we are committed to guiding you through every stage of your project, from conceptualization to implementation. We are dedicated to advising you on defining clear objectives, establishing realistic deadlines, and managing an efficient budget for your development.

At CALEXA, we don't just offer you advice; we become your strategic partner, focused on maximizing the value of your investment and ensuring the long-term success of your real estate projects. We are here to make your financial goals a reality and to make every real estate development you undertake a success story.

RECORD

CALEXA

With more than 200 public infrastructure projects in the state of Veracruz and the state of Quintana Roo, CALEXA has stood out for the speed and quality in our work, in the construction of schools, streets, hospitals, highways, drains, bridges, offices, shelters and support for foundations since 2010.
