Attha Holistika is a place to honor your rhythms
in an immersive way of life,

Where mindfulness begins at home

We've created a restorative place of tranquility embraced by jungle canopy, serenaded by wildlife, the quiet wisdom of nature will renew your spirit.

Units are designed to extend optimal privacy in an extraordinary setting. It is a place where you can reconnect with stillness and perspective.

Spacious 2 floor penthouses all come with luxurious private pools. Our studios are designed to be spacious and highly functional, with cabinets that give the bedroom area added privacy.

Far from the ordinary

Adjacent to the world renowned Holistika Hotel, discover a neighborhood that continues to preserve the true essence of Tulum..

A fine and creative mix of finishes to innovate the atmosphere inside the unis. Chukum, marmol, pulished concret, parota wood and strong windows with special film to avoid the UV rays.

With our Eco-technologies such as solar panles, waste water treatment system and a desaliniaztion plant mixed with wide and luxorius spaces, Attha Holistika offers a smart and conscious investment.
