

IX TULUM
APARTMENTS

In the middle of everything!

Welcome

"iX Tulum, a paradise of the Riviera Maya"

We are located just 3 miles away from the spectacular turquoise and white sand beaches, surrounded by attractive cenotes, lagoons, Mayan ruins and the mystical jungle.

IX Tulum is an eco chic concept with a timeless Japandi and Boho design, beautifully implementing materials from the region. We are the only real estate project located at the center of the city, in front of a Mayan ceremonial temple, which belongs to the culture we inspired on for our name in "IX" that signifies "Mother Earth" and has the transforming energies quality's into positive ones.

Image for illustrative use only

Most visited destination in the Mexican Caribbean according to national and foreign tourism. Named magical town in 2015, it has since become an area of sustainable tourism development.

Tulum has majestic settings such as: lagoons, cenotes and an archaeological zone by the sea used as a ceremonial center by the ancient Mayans.

Enjoy the cuisine of the peninsula with a wide variety of luxurious restaurants, exclusive clubs and nightclubs.

You can also take part in ecotourism activities such as: bicycle tours, photographic safari, sea turtle experiences, diving, snorkeling, hiking or just enjoy the region's ecosystem.

Distribution:

The layout is designed to optimize spaces, as amenities are located on the rooftop. The 34 apartments are located on floors 1 to 3 to give them privacy and intimacy.

The ground floor includes a Lobby, Coworking area and comercial area with 7 stores (available for sale). We are one of the few real estate developments with an elevator, in addition to having parking and storages in the basement.

Equipment

Each apartment is beautifully equipped, with first class finishes.

Materials

"we merge luxury and regions resources"

The "IX" Interior design is a fusion of styles.

We utilize the Japandi style, which is characterized by the order and Japanese sophistication, and the "Boho style" highlighting the natural and organic textures from the region.

Every space is carefully designed, we complement finishes with accessories made by local artists and artisans from Tulum, México.

Eco chic

"We are an eco friendly project"

IX Tulum is an eco chic project, that's why we utilize sustainable technologies.

We harness energy with solar panels, we have "inverter type" air conditioning equipment and low water consumption systems in bathrooms.

The materials and construction systems were carefully designed to reduce the environmental impact.

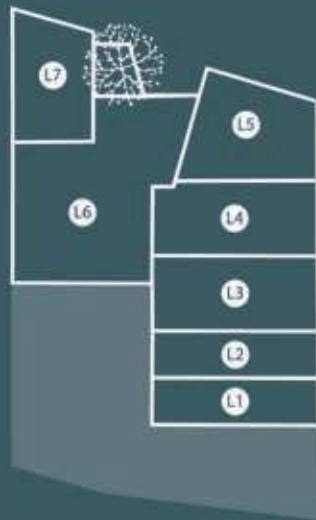

Shopping area:

"Modular premises"

Tulum is the the World Travel Awards 2020 winner, the award for "Leading Beach Destination in Mexico and Central America". Make it a guarantee to invest in the commercial area of IX Tulum. Visitors associate this city with a peaceful life, respect for nature, avant-garde design and architecture.

The dimension of the commercial area is 1,714 ft², divided into 7 modular premises that go up to 496.9 ft².

We guarantee single line business.
