About us

Colmenero

Colmenero legally constituted as “Colmenero & Asociados Sa de Cv” is a Family Company founded on 1998 in Morelia, Michoacán, México.

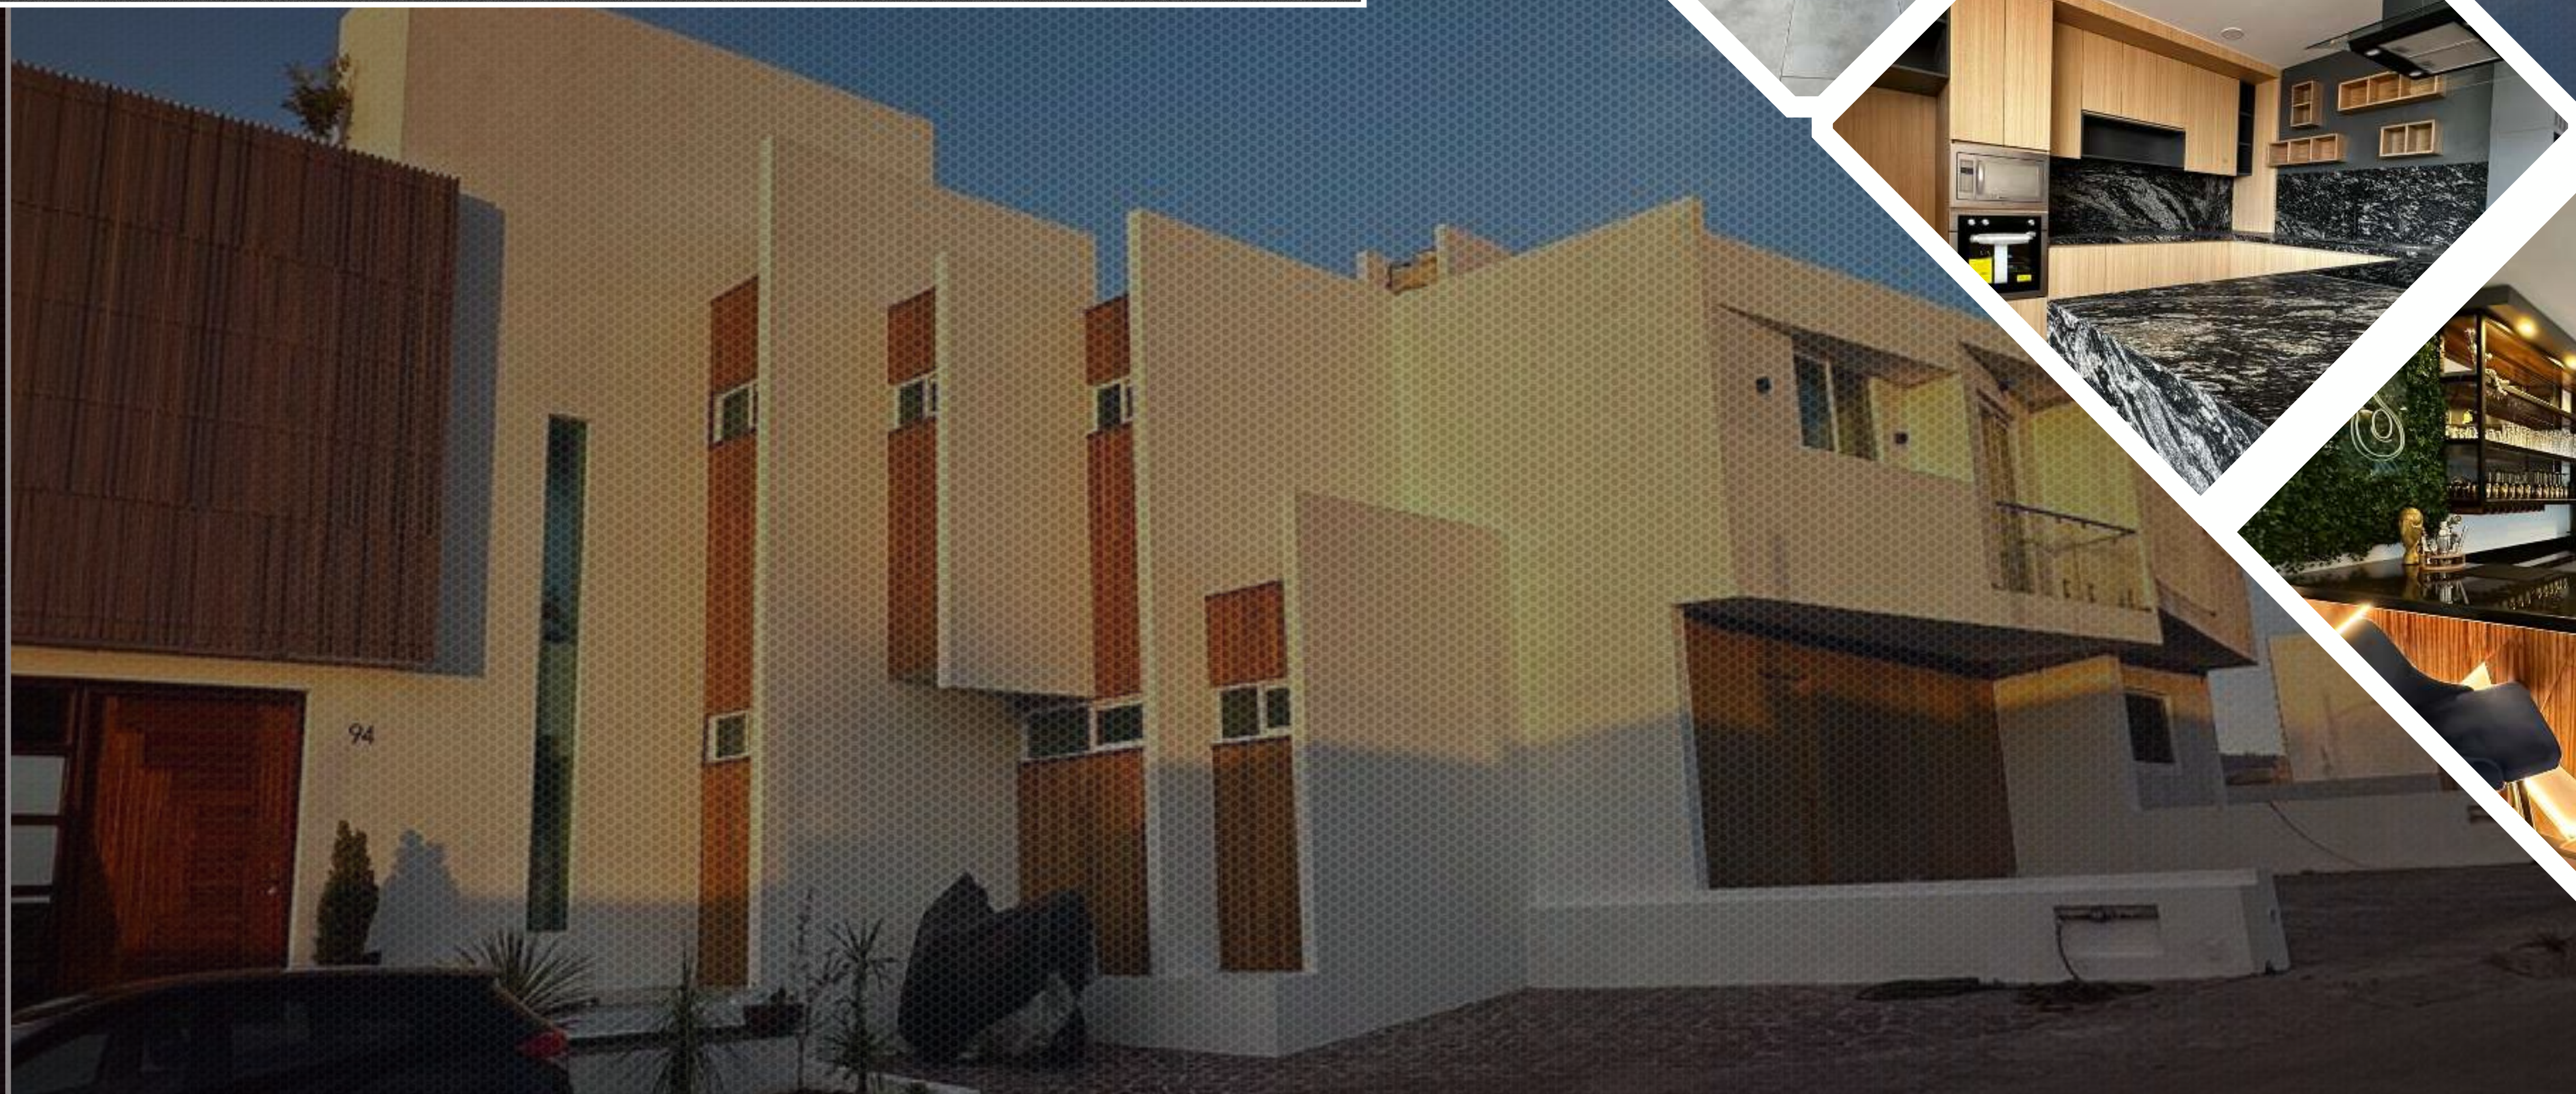

The Company started professional operations on this same year through the development and construction of single family real estate, getting to be well known by the clients and service providers and having a positive impact on the growing local community of Morelia.

Ever since, we have not only been developing houses, but ideal homes for our clients.
